

# THE DISCOVERY MONTESSORI

---

---

June 6, 2024

Hello Parents,

The 2023-2024 school year has been an amazing year for our school community. The school has seen full capacity in every classroom as more and more families are settling in to the post-pandemic rhythm of life. We have heard so much laughter and seen so much joy in our classrooms as children were engaged in the mastery of life skills. The children have also embraced new challenges and sharpened interpersonal skills by resolving conflicts among each other. They have shown remarkable discipline on our school trips, art workshops, and musical performances, as well as during the graduation ceremony and in welcoming visitors to their classrooms. We are proud of each one of them.

**Golf Field Trip.** We are going mini golfing at the Vic Hadfield Golf Club on Tuesday, June 18th at 9:30 am in a school bus. The field trip consent forms will be sent home very shortly. The bus has a limited number of seats so we will request that only some parents accompany us in the bus to help their child on the bus ride. Those parents will be asked provide us with the Vulnerable Sector Check form (VSC) from the local police station. For those parents that will be travelling with us on the bus, please provide the VSC to your child's class teacher along with the signed field trip consent form. For the field trip fee, please send an Interac e-transfer of \$25.00 to [info@discoverymontessori.ca](mailto:info@discoverymontessori.ca). After the golfing session, everyone will have cheese pizza for lunch.

All parents are welcome to join us on this field trip at the Vic Hadfield Golf Club at 10:00 am. It will be a fun filled event to enjoy and make beautiful memories.

**Ice Cream Social.** We'll be having an ice cream social for the children on Thursday, June 20th in our school backyard to finish off the school year on a high note! Children attending school for the morning half days are welcome to join the event between 2:30 pm to 3:30 pm.

**Staff Update.** Ms. Nadia Ahmed is taking an early summer break and June 6th is her last day. Ms. Kiran will be taking care of Casa children in her absence.

We wish all our families who celebrate Eid a very **Happy Eid Ul Adha Mubarak**.

We also take this opportunity to wish a very **Happy Father's Day** to all the wonderful Fathers of our school community.

As a reminder, June 21st is our last day of school. The summer camp program begins on Tuesday July 2nd and the timing for the summer camp program is from 8:30 am - 3:30 pm.

As we bid farewell to school year 2023 -2024 , we celebrate the success of our school community and look forward to continuing our efforts to inspire, to innovate and to empower each child in our care.

And finally, thank you to the wonderful staff of Discovery Montessori for their commitment to excellence in Montessori education for young children.

Have a safe and happy summer,

Warm Regards,

*Fauzia Ali*
