

THE DISCOVERY MONTESSORI

February 14, 2020

Dear Parents

The school is in the process of planning for the upcoming 2020-2021 school year. The re-enrolment form is enclosed in your child's Friday envelope. At this time we seek confirmation for re-registration (current student and any new siblings). There is a registration charge of \$ 150.00 per child for any new registration for the siblings. The siblings will avail a 10 % discount on their tuition fee. Please return the re-enrolment form by Monday February 24, 2020. This exercise will help the school to open the spaces to the interested families. I appreciate your efforts and cooperation towards this process.

As per our previous practice the school will be open during the July and August for our summer program. You are welcome to register your child for the summer months. Parents also have the option to select the weekly schedule for the months of July and August 2020 in order to accommodate their family vacation plans.

Please contact me for any further information regarding the new school year registration and the summer program
