

THE DISCOVERY MONTESSORI

December 22, 2020

Dear Parents,

STUDENT PHOTO AND VIDEO CONSENT FORM

The Discovery Montessori celebrate students in a variety of ways. Celebrations may include events or activities promoting school programs, sporting events, classroom events and/or school or field trip activities. It is an established practice for our school to publicize many of the positive and newsworthy activities that occur throughout the year.

Our school uses photos, videos and samples of student work to promote and celebrate successes and achievements of its students. These images are often published on our school Instagram account ,which is open only to the school parents who have already provided their consent.

The Discovery Montessori must obtain parental consent before posting photos, videos, or samples of student work. This consent is only required if individual students are identifiable in the pictures. Parents can revoke consent by contacting the school supervisor anytime.

In the event that consent is withdrawn, the materials/photos/videos will be removed from the school Instagram account.

Please fill out this form below if you agree to having your child's photo posted on school Instagram ,which is open only to the school parents who have already provided their consent.
