

THE DISCOVERY MONTESSORI

March 01, 2026

Dear Parents,

March is here!

March is an exciting month as we start to see the signs of early Spring. The longer days and more sunshine will allow the children and the staff to spend more time outdoors to appreciate the changing season and landscape. The children had an immersive experience with all the school events that took place in February. For example, they created craft around Family Day, Lunar New Year, Ramadan, Black History Month and National Flag of Canada Day. Teachers also discussed the Winter Olympics and the various events in which athletes competed. All in all, February, though a short month, was packed with so many wonderful stories and events.

March Break. We will be closed for March Break from March 16 to 20. Our school will also be closed for Good Friday on Friday April 3, 2026 and Easter Monday on April 6, 2026.

French Play. Our French Teacher, Madame Adele Halabi, has been busy preparing a French play with the 3rd year children who will be graduating to grade 1 this Fall. We are aiming to invite the parents of the graduating class to attend this presentation on Wednesday, April 29 at 9:30 am.

Musical Event. Ms. Moya Marr is also preparing with all the Casa children a musical experience - "Hungry To Learn Musical Revue". We are looking forward to celebrating with you the musical talent of our students on Friday May 8 at 9:30 am. We will let you know the venue information very shortly.

Please mark the above dates on your calendar. We look forward to your presence and continued support to make these events a memorable experience for the school community.

University of Toronto Observation. We are honored that the University of Toronto (UTM) has selected our school for undergraduate students to observe our classrooms as part of their studies in early language acquisition. A sincere thank you to Ms. Alia Jameel for supporting these students and helping make this experience a success.

School Drop Off. Please exercise caution when dropping off your children, whether walking them to their classrooms or driving in and out of the school parking lot. Your cooperation is greatly appreciated in helping us maintain a safe environment for everyone.

Eid al-Fitr. We wish a joyful Eid al-Fitr to all families who will be celebrating the conclusion of Ramadan and the festivities of Eid.

Have a wonderful month of March!

Warm Regards,

Fauzia Ali
