About EXTRA

EXTRA is the new Parish Bulletin format for 2024. Its predecessor INTER sought to focus interest on interactions (the good ones, that is, because they aren't always ideal!) internal to the Parish during the "interregnum" - that period when we await the start of a new "reign".

EXTRA focuses on what is new, added, extra, more, deeper, stronger, or just plain better at the Church these days, as the Word of God bears fruit in our midst.

As we invite the community to join us in faith and worship, let us reflect on:

Unity and Compassion

New Tenants for our Parish Hall

<https://www.wholebeings.co>

“A holistic education program for children aged 3-8 years. At Whole Beings, we put a huge focus on open-ended, learning & hope to inspire this kind of education as a lifestyle. During our research based Holistic Beings Program™—Children will engage in creative experiences, organic & earth nurturing learning, nature crafts, holistic storytelling, mindful nature walks & holistic play—whilst being guided to use kindness, gratitude, positive affirmations & mindful awareness”.

St James' extends a warm welcome to our new Parish Hall tenants, **Whole Beings Collective**. The Director and Founder, Natalie Nelson, is leasing the hall for use on Tuesdays and Wednesdays from 8am to 2pm. As she further elaborates the business, all programs are run by a qualified teacher who believes a strong connection to our natural world begins in childhood. This program is designed to target each child's individual learning and development needs with a holistic approach.

As a Parish bound together by God's love, let us keep our new tenants in our prayers as they settle into their new space and offer support, reflecting the unity and compassion of our faith.

NCA - Tweed Network and the Indian Orthodox Church - July 2024

On Saturday 4th May 2024, local members of the Indian Orthodox Church began a monthly worship Service at St Cuthbert's Tweed Heads. Their priest Fr. Sinu Jacob and his family had recently moved to the area from Adelaide, and the nearest regular worship for them was on the Northern Gold Coast, and so they had been looking to establish a worshipping congregation in Northern New South Wales.

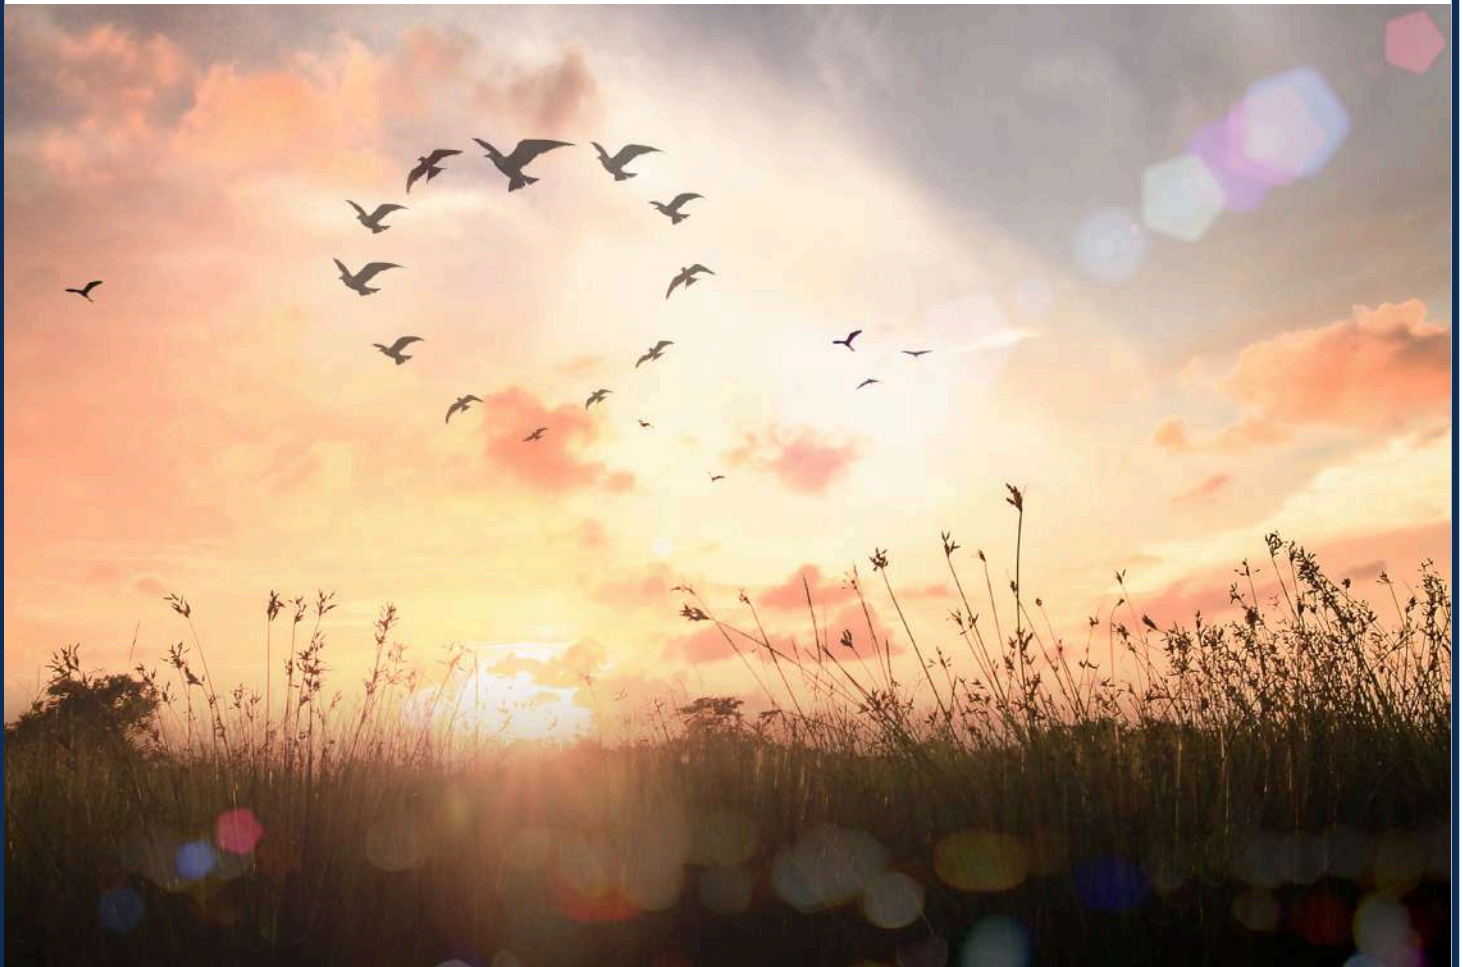

The service was held in the language of Malayalam, and went for two hours. It was a very traditional style of worship with incense and full communion. I was told this is the shorter form of worship. The worshippers are all originally from the Indian state of Kerala. There were a number of families with children from the local Tweed area, and also worshippers from as far away as Lismore. A number of this new congregation are medical professionals at the new Tweed Valley Hospital.

Given the geographical spread of the members, the congregation has also begun to worship at St Marks Pottsville. We look forward to continuing this ecumenical sharing, and hope it will be a witness to the gospel into the future.

Barb says: Through meditative and contemplative processes, I have found a richness in reflection and silence that my soul has long hankered for. I am a Mother, Grandmother, one of five sisters and the keeper of many collections: of shells, stones, feathers, leaves, driftwood, sea glass, broken porcelain and all manner of 'stuff' that can be re or upcycled in all manner of ways. As a Spiritual Companion and Principal at Seven Circles Labyrinth, I offer contemplative groups and retreats, one to one guidance and discernment. I have a practice in Counselling, Adult Education, Life-Coaching /Mentoring, Pastoral Care/ Chaplaincy.

I am passionate about women, our inner lives and outer worlds.
