

Please tell us about yourself (to be completed by the participant)

Thank you for joining the Royale Ranch Equine Learning Program. We're so excited to have you here. We want to make this a fun and enriching experience for you, and you can help by telling us a little about yourself, your interests, and what you hope to gain from your time with us.

If you were a character in a movie, which movie would you be in and what role would you play? Why?

What activities do you enjoy doing in your free time? We want to know what makes you smile, whether it is something creative, active, or just relaxing.

Who are the important people in your life, like parents, family members, or others who feel like family to you? What do you enjoy doing together?

Tell us about the people your age that you spend time with, whether at school, in your neighborhood, or anywhere else. Who do you enjoy being around, and what do you like to do together?

**Is there anything that you find challenging or would like some extra support with?
We're here to help however we can!**

Have you ever spent time with horses? We'd love to know your comfort level when you're around horses, whether it's your first time or you've had lots of experience.

What are you most excited to learn or explore at Royale Ranch?

Is there anything else you would like us to know about you?
