Golf League Updates (2)

- Remember to pay your dues (\$20.00) to Marilyn Dehling at lot 192 as soon as possible.
- Ken McDonald Golf Course will be overseeding starting October 20, 2025 and will be re-opened November 1st and will be "cart path only" for the first two weeks.
- Golden Hills Golf Club has already started overseeding and will be open on October 18, 2025 and will be cart-path only until November 1, 2025.
- If you are 80 years of age or older and/or are playing from the red tees at Golden Hills Golf Club, please make a notation on your scorecard so I can calculate your handicap properly (ie: slope and course rating).
- You **MUST** have an established handicap to play in the scrambles (best ball).
If you do not have an established handicap, it will take 3 rounds to establish one in our league.
- Starting November 1, 2025, Golden Hills Golf League will start a loyalty program.
The program will be of no cost and will require you to download an app on your phone. The program among other things will include a free round of golf after playing so many rounds (8 - 10). The program will carry over your points year over year. Special offers on twilight golf discounts and other offers. Again, this is at no cost to the users. As of right now, the particulars are still being worked out. As soon as I get additional information, I will pass it on.
