

**LARGS REGATTA FESTIVAL
ARRAN MALT SCOTTISH TWO-HANDED RACE**

29th and 30th AUGUST 2026

Alternative Racing for the Arran Malts Two Handed Fleet.

We are aware of the extremely light forecast tomorrow and a strong North bound tide with potentially struggling Southbound competitors at 10:00 never mind trying to circumnavigate the Islands of Arran and Holy Isle or the pain of negotiating the Kilbrannan Sound or Lamlsh Bay in such conditions.

As Race Officer I have published Amendments allowing the team to delay the start and/or shorten any course and/or make up shorter round the buoys courses in order that we provide some kind of a race.

Regardless the prizegiving brunch will go ahead at 10:00 on Sunday morning with the Mudhook YC two handed prize giving included. It would be great to see you there for some craic and socialising.

Peter Wright, Race Officer
