- 12.2 The starting line is between the staff or mast displaying the orange starting line flag and the start mark.
- 12.3 The starting sequence will be International Etchells, followed by Sigma 33 followed by 707.
- 12.4 The normal starting sequence shall not be interrupted by a general recall. The warning signal for the class which has had a general recall shall be five minutes before its starting signal and shall normally be displayed at the starting signal of the last class to start correctly in the schedule. If more than one class is subject to a general recall, the second of these classes shall start five minutes after the first and so on. - 13.2 To make major changes (greater than 100m) to the next leg of the course, the race committee will lay a new mark (or move the finishing line) and remove the original mark as soon as practicable. When Mark 1 has been replaced, Mark 1a is no longer a mark of the course. It will be removed as soon as practicable. This changes RRS 33.

When in a subsequent change a new mark is replaced, it will be replaced by an original mark.

14 THE FINISH

- 14.1 The finishing line is between the mast or staff displaying the blue finishing line flag and the finish mark.

A boat so notified is no longer required to sail the course, shall stop racing and shall return to the starting area, or return ashore if there is no more racing. A finishing score under this sailing instruction will be the score she would have received had she sailed the course and finished within any time limit, without gaining or losing any place. The decision by the RC to use this procedure or not to use it shall not be grounds for requesting redress. This changes RRS Rule 28.1 and RRS Rule 60.1(b).

place one more than the points scored by the last boat that finished within the Finishing Window. This changes RRS 35, A5.1, A5.2 and A10.

- f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- g) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event.
