

DRY DOCK WITH IN/OUT SERVICE

Capri Marina will dry dock customer's watercraft(s) for the dry docking season of the agreement and during normal business hours on the same day, will haul, for additional fees, customer's watercraft(s) in and out of the water.

HOW IT WORKS

1. Once signed up, customer will download the Dry Dock app. (Instructions will be provided)
2. On the app, customer can schedule **In**/Out service up to 45 minutes prior to arriving. (We suggest giving at least 15 minutes so there will be less wait time while we retrieve your boat)
3. Once scheduled, Capri Marina will be informed through the app and will pull customers watercraft to the Front Loading Area. (In front of Capri Marina store/showroom)
4. Customer will uncover and load the watercraft with any items they wish.
5. Customer will then drive from Capri Marina to the parking area and walk to the launch ramp.
6. Capri Marina will transport the watercraft to the ramp, launch same and stay with the customer until watercraft is running.
7. On the same day and prior to 4:45pm, the customer when getting close to ramp, using the app, will hit the "I'm back" button for In/**Out** service.
8. Customer will drive their watercraft on to the Marina's trailer.
9. Capri Marina will transport the watercraft to the Front Loading Area.
10. Customer will drive their vehicle to the Front Loading Area to unload and cover their watercraft. (Capri Marina closes at 5pm, please allow enough time to complete above unloading when deciding retrieval time)
11. Capri Marina will Dry Dock customer's watercraft until next use.

NOTES:

- For **Winter Storage Customers** it is available from May 15th to September 15th.
- For **Non-Winter Storage Customers** it is available from June 1st to September 15th.
- Unless customer requests Capri Marina to pick up watercraft, for an additional fee, Non-Winter Storage customer will deliver watercraft to the Marina.
- **Both Winter and Non-Winter Storage customers, dry dock must be paid in full prior to starting In and Out Service.**
- If for some unforeseen reason the watercraft(s) will be on the water beyond normal business hours and there is an end of dock space available, customer may tie up overnight at **CUSTOMERS OWN RISK**. If this occurs customer must contact Capri Marina the next day for retrieval. Customer will be charged an additional fee for this service.
- Capri Marina assumes **no responsibility for, and shall not be liable for**, watercraft(s) left on the water after normal business hours and/or left overnight at the end of the docks.
- Capri Marina does **NOT** guarantee an end of dock space will be available and utilizing the gas dock or an empty dock slip to tie up overnight is **NOT** permitted.
- Each In and Out fee will be tracked through the app and payment will be due at end of the dry dock season.
- Capri Marina can cover/uncover watercraft, at customer's request, for an additional fee.
- If for some reason app does not work you can call (570-226-3819) to set up In/Out Service.
- Fiberglass boats will be stored in racks with 40' roof cover.
- Pontoon boats will be stored on blocks.
- If trailer is **NOT** removed from Capri Marina after launching the boat for its first use you will be charged the summer storage fee.
- Capri Marina reserves the right to charge a per day storage fee for watercraft(s) that are not removed from Capri Marina within fourteen days after agreement ends.
- Watercraft(s)/trailer(s) that are not removed from Capri Marina prior to closing for the season will be put into a Winter Storage Contract, with all normal services and fees.

PRICES FOR CURRENT DRY DOCK STORAGE, IN AND OUT SERVICE AND ADDITIONAL SERVICES/FEEES WILL BE AVAILABLE IN APRIL.
