

Capri Marina Inc.
Client Acknowledgment and Liability Release
March Marina Crawl – March 28, 2026

Dear Valued Client,

Capri Marina Inc. will be hosting our annual *March Marina Crawl* sales event on **Saturday, March 28, 2026**. If you would like your boat to be displayed out of the rack for easier access and visibility to potential buyers, we will make every effort to bring as many boats down as space and logistics allow. **Please note that boats selected for display will be pulled from the rack during the week leading up to the event.**

After the event concludes, **all boats removed from the rack will remain outside** on trailers or blocks. Current covers will be reinstalled during the week following the event.

Due to the unpredictability of late winter and early spring weather, there is a possibility of snow or other inclement conditions following the event. While Capri Marina Inc. will make every reasonable effort to brush accumulated snow from covers after a storm, participation in this display opportunity means you acknowledge and accept that **your boat will be exposed to the elements once it has been removed from the rack.**

By signing below, you agree and understand that **Capri Marina Inc., its owners, employees, and affiliates will not be held responsible or liable for any damage to your boat, cover, or property resulting from weather conditions, exposure, or related circumstances** after removal from the rack for display during or after the event.

Thank you for your understanding and cooperation. We appreciate your participation and look forward to a successful Marina Crawl!

Sincerely,
Capri Marina Inc.

Acknowledgment and Release

I/We have read and understand the terms stated above and agree to release Capri Marina Inc. from any and all liability related to weather or exposure damage once my/our boat is removed from the rack for display purposes.
