- I would like more information on the following course:**  
**Security Awareness for all Facility or Vessel Personnel with Security Duties:**  
 This Security Awareness Training for all Facility or Vessel Personnel “with security duties” course is meant to fill the gap between Security Officer training courses and required facility specific training, connection with a Facility or Vessel Security Plan (FSP/VSP), enabling personnel with designated security duties to apply security measures as set forth in the FSP/VSP. This is a custom, facility or vessel specific course.
