

EVENT PROGRAM

WELCOME TO MILDURA KART CLUB

On behalf of the Mildura Kart Club, Welcome to the 52nd running of the Castrol Northwest Titles.

This year we are proud to once again host over 120 competitors across all racing classes over the Kings birthday weekend with especially high numbers across both Cadet and Junior classes.

Thank you to everyone who has travelled to our prestigious event and to those who through word of mouth and social media have promoted the Northwest Titles which we believe is a unique event within Victoria with the ability to offer 3 days of track time including practice and racing under lights.

I would also like to thank all of our valued sponsors that have continued their support this year along with all of our new sponsors that have come on board to assist us in being able to offer another amazing prize pool.

Good luck to all competitors and we look forward to seeing some amazing racing.

Thank you

Gary Rogers

President

Mildura Kart Club

FINAL ONLY COUNTS

Point Score = 401 System will be used

DNF points = Number of Laps Completed

DNS & DSQ Points = Zero Points

HISTORY SNAP SHOT

NORTH WEST TITLES - 50+ YEARS STRONG

Noted for being the longest running karting open race meeting in Australia

In 1972 Mildura Kart Club applied for and was granted its very first OPEN meeting at our current location, adjacent to the Mildura Airport. This meeting was to be held on the long weekend in June. The meeting was originally a one day event. During the mid-1980's the North West Victorian Title had gained so much popularity throughout the karting sector that the Mildura Kart Club chose to apply for the race meeting to be held over a longer period. The application for a two day event was granted, and The North West Victorian Titles became a two day event from that point forward. The Titles have been held on the Queen's birthday long weekend in June annually since, with this year being the 51st running of the event

In the past the event has attracted up to 300 competitors from all over Victoria, South Australia and with regular visitors from New South Wales, ACT and Queensland. Of recent times the event has attracted around 100 competitors, which has been an average for extreme remote regional karting events.

We still boast that in our heyday we had 24 karts run in the 200 Super and 24 karts run in the Twin Clubman classes in the same year which had never been seen at any other track within Australia. These classes are no longer run.

However, we still hold our own by running just the one Open meeting per year with support from local businesses some of whom have been with us for many years, some whom were previous club members and others who are new sponsors and we welcome you aboard.

North West Victorian Titles has always been a popular event in any driver's calendar, with last year being the 51th running of the event, it was second to none and this year is shaping up to be the same.

We hope that you enjoy your weekend of racing and thank you for supporting us

WELCOME TO MILDURA KART CLUB

Mildura Rural City Council

On behalf of Mildura Rural City Council, I welcome you all to the 52nd Castrol North West Titles.

For over half a century, the North West Titles have showcased the exceptional talent and dedication of our motorsport community, and the spirit of camaraderie, perseverance, and local pride that defines our region. Whether you are a competitor, a volunteer, a supporter, or a visitor, your contribution to this event helps keep the tradition alive and growing stronger each year.

Events like this are a celebration of community. They bring people together, support local businesses, and shine a spotlight on the hard work of event organisers and passionate individuals who go above and beyond to ensure everything runs smoothly.

To the drivers and their teams: thank you for your commitment and sportsmanship. To the officials, marshals, and volunteers: your time and effort do not go unnoticed. And to the spectators thank you for being part of the action and the atmosphere.

On behalf of the Council, I wish everyone a safe and successful event. Let's continue to support and grow this iconic part of our region's sporting heritage.

Best Wishes,

*CR Helen Kealy
Mayor
Mildura Rural City Council*

CR Helen Kealy

Castrol

MILDURA
KART CLUB

Mildura had its first taste of 'Go-Karts' in 1960 when Barry Mills appeared at the Mildura Sporting Car Club with a few bits of steel with four wheels and a steering wheel and a motor attached. The bug soon caught on and many more karts "appeared" almost overnight.

Membership grew rapidly with almost all Sporting Car Club members purchasing or making their very own 'Go Karts'. Members would travel away to compete at other tracks and very soon the members built their own track then sought affiliation with the Governing body, and now is one of the oldest clubs with-in the Victorian Karting Association, an achievement the club is very proud of.

The track site originally was used as a sporting oval by the RAAF, before being transformed into a karting track. Originally the track was dirt, with the only safety feature being numerous bales of hay around the outside of the track. Eventually the dirt track was sealed with oil before the decision came to make it into a bitumen track in the mid 1970's.

In 2004 the track was re-surfaced and extended to 801 metres long and 8 metres wide, the grid capability was increased to 32 karts from this point; and a year later in 2005 the club rooms were also upgraded.

In 2009 the club installed lighting to the track, pit area and the grid to become one of the few tracks throughout Victoria that has the capability to race at night. The experience of racing under lights is what attracts the majority of competitors to the facility particularly for the clubs signature event, the North West Titles.

Racing at the club in the early 1980's (the straight is now the hairpin cut-through)

**MILDURA
KART CLUB**

Over the years the Mildura Kart Club has fostered many title winners, many current and past members are actively racing at a State and National level.

Some notable past club members include Super car drivers Cameron Waters along with Rick and Todd Kelly. Many other former club members have also ventured into many other forms of Motorsport after learning their craft in karting at Mildura.

The club also hosts a number of members that have been given the honours of becoming 'life members', with a few of these still very active with-in the club today. Life member Ross Gathercole was granted a Karting Victoria life membership on December 20th 2016

The best is yet to come!

**We proudly acknowledge
the outstanding support of
Karting Australia, LeCont and Maxxis
in powering the success of the
52nd Castrol North West Titles.**

**LADIES
TROPHY**

Girls Race Too! Is an inclusive initiative by Karting Australia that celebrates female participation in karting. Promoting diversity and equal opportunities, the program encourages girls to join the racing community. As part of their efforts, the Mildura Kart Club introduced a special prize for the overall highest performing female driver at the 50th anniversary North West Titles in Mildura, this again will be offered at the 52nd North West Titles.

The winner will receive a prize and a prestigious trophy, recognizing their achievements and inspiring more girls to pursue their passion for karting. This initiative aims to break barriers and empowers girls to excel in a traditionally male-dominated sport.

DJM RACE ENGINEERING

With over 20 years in the karting industry as a competitor and a business, DJM Race Engineering/Karting Central travel to all major race meetings in Victoria as well as Australian Kart Championship rounds and State Titles.

After racing for many years himself, Dylan also worked for DPE Kart Technology in their Kart Assembly, Sub Assembly, Manufacturing and Race Departments for over 5 years.

DJM Race Engineering/Karting Central is a dealer for Parolin, EKS Kart, Arrow, OTK Karts, Energy Corse, Kart Republic, FA Alonso Kart and DAP karts.

DJM Race Engineering/Karting Central specialise in:

- Online Sales (www.kartingcentral.com.au)
- New Kart Sales
- Chassis Straightening
- Mechanical Services
- Kart Setup
- Trackside Sales
- Spare Parts Sales
- Kart Transport
- Data Analysis
- Trackside Technical Support

Speak to Dylan at DJM Race Engineering/Karting Central for all your karting needs.

The Mildura Kart Club would like to recognise and acknowledge with thanks the Mildura Airport for their continued support towards the club and the events and activities run by the Mildura Kart Club.

The Mildura Airport is the busiest regional airport in Victoria and second only to Melbourne International Airport when measured by Regular Passenger Transport (RPT) Movements.

The Airport sits on the former site of the RAAF No.2 Operational Training Unit (2OTU) for fighter pilots during the Second World War, and the area we race on was the units sports grounds.

Location: Alan Mathews Drive Mildura Airport

Postal: Po Box SM356 Mildura South Vic 3501

Phone: 03 5055 0500

Fax: 03 5021 5740

Email: info@milduraairport.com.au
