About Us.

Introduction

Mine Move Group is a contract-based logistics and transport company dedicated to moving goods safely, efficiently, and reliably across South Africa. Built on a commitment to service excellence and operational integrity, we offer tailored transport solutions that meet the unique needs of each client.

Our capabilities extend to cross-border transport into neighbouring countries when required by contract, ensuring seamless regional logistics support

With a strong focus on professionalism, compliance, and customer satisfaction, Mine Move Group continues to grow as a trusted partner for businesses seeking dependable transportation services.

Mission and Vision

MISSION

To deliver reliable, efficient, and secure transport solutions that support our clients' business needs, while consistently upholding excellence in service, safety, and compliance across every contract we undertake.

VISION

To become a leading regional transport partner recognised for our integrity, professionalism, and ability to provide dependable logistics solutions throughout South Africa and beyond.

Our core values

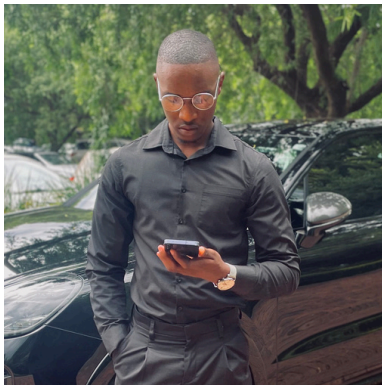

- Reliability - We honour every commitment by delivering goods safely and on time.
- Integrity - We conduct our operations with transparency, honesty, and responsibility.
- Safety - We prioritise the wellbeing of our team, clients, and cargo through strict safety standards.
- Excellence - We strive for high performance in all we do, from fleet management to customer service.
- Flexibility - We adapt to client needs with scalable transport solutions, including cross-border capability.
- Customer Focus - We build long-term partnerships by understanding and responding to our clients' unique requirements.
