FOUNDING OPPORTUNITIES ARE AVAILABLE DURING **PRE-LAUNCH ONLY**.

BUILDING A STRONGER COMMUNITY TOGETHER

YEAR - ROUND DESTINATION

A digitally enhanced mountain bike skills park built for year-round use in Texas, with all-season trails, features, and progressive lines for every rider.

LEVEL UP YOUR SKILLS

From first rides to big air, our tech-enhanced park and coaching help riders build skills, confidence and rewards for leveling up.

BUILT FOR FAMILIES & ADVENTURE

Designed for youth, families, and adventure seekers with lessons, camps, events, and experiences that bring people together and create unforgettable memories.

STRONGER LOCAL IMPACT

Industry Ride Nights, local partnerships, and community events that support businesses, create jobs, and grow the outdoor recreation economy in our region.

THE BOMB CITY STORY

Bomb City is a new-to-market platform: a digitally enhanced mountain bike skills park in Texas built for year-round usage, tailored to youth, families, and adventure seekers who want to ride, share and connect through a safe environment. It is the only park that rewards its riders, the more you ride the more you earn!

More than trails, we deliver a complete experience-professional instruction, smart features, and curated events like Industry Ride Nights that build community and create connections long after the ride ends.

We're creating a place where riders of all levels can level up, families can make lasting memories, and businesses can grow alongside a vibrant, active community. This is more than a bike park. It's a destination for riders, a hub for community and a legacy for the future.

Original Business Founders aren't simply supporting a project. They're helping shape a destination that will inspire riders, strengthen our community, and leave a lasting legacy for generations to come.
