

# Prayer of Renunciation, Repentance, and Restoration

For Deliverance from Secret Societies, Hidden Orders, and Oath-Bound Organizations

---

## How to Use This Prayer

This prayer is written for personal use—to be prayed aloud, slowly, and with a heart open to the Holy Spirit. It may be prayed in one sitting or broken into sections over several days. Pause wherever the Spirit highlights something specific to your own history. Where the prayer says "every," "any," and "all," allow the Lord to bring specific memories to mind, even if you cannot name them precisely. He knows.

This prayer covers: secret societies, lodges, fraternal and sororal orders, oath-bound brotherhoods/sisterhoods, and any organization—known or unknown to the one praying—that required initiation rites, oaths, vows, pledges, hazing, blood covenants, ritual symbols, secret handshakes, passwords, robes, blindfolding, or hierarchical "light" progressions.

## PART ONE: RENUNCIATION, REPENTANCE & REQUEST FOR FORGIVENESS

### Forgiving Others Before Asking to Be Forgiven

Father, before I go further into this prayer, I choose—by an act of my will, in the name of Yeshua—to forgive everyone who had any part in leading me into, or harming me through, these organizations. I release them now, not because what was done was right, but because You have asked me to forgive as I have been forgiven, and because I do not want unforgiveness to be a door that keeps me bound.

I forgive any family member, ancestor, or bloodline relative who dedicated me, pledged me, or opened the door for me to these organizations without my knowledge or consent—whether through tradition, ignorance, or their own bondage. I forgive those who recruited me, sponsored me, or encouraged me to join, even if they minimized or hid the truth of what I was entering into. I forgive every person who deceived me—about the nature of the organization, the meaning of the oaths, or what would be required of me. I forgive every person who caused me physical pain, fear, or harm during any initiation, hazing, or ritual—whatever they were, and whatever role they played. I forgive those who laughed at my fear, who pressured me to continue when I wanted to stop, who told me it was "harmless" or "just tradition," and who were present and did nothing while I was afraid or in pain. I forgive myself as well, for any way I may have judged or condemned myself for going through this, for staying, or for not leaving sooner.

Father, I release every one of these people into Your hands. I ask You to bless them and bring them to the truth, just as You are bringing me to truth now. Where my heart still holds anything back, I ask You to finish the work of forgiveness in me by Your Spirit. I choose to walk forward unencumbered—carrying no debt against another person—so that nothing stands between me and the forgiveness I am about to ask for myself.

## I. Opening — Coming Before the Throne

Heavenly Father, I come to You in the name of Yeshua, my Good Shepherd, my Deliverer, and my King. I come humbly, acknowledging that You alone are holy, You alone are worthy, and You alone have authority over my spirit, soul, and body.

I ask the Holy Spirit to search me now — to bring to my remembrance every door I have opened, knowingly or unknowingly, to any spirit, oath, vow, covenant, or power that is not of You. I ask that nothing be hidden from this prayer, and that nothing I forget by memory be left uncovered by Your blood.

I stand here not in shame, but in sonship/daughtership — as one being washed, restored, and brought fully home.

---

## II. Renunciation of Participation

In the name of Yeshua HaMashiach, I renounce:

- Every secret society, lodge, order, fraternity, sorority, brotherhood, sisterhood, guild, or hidden organization I have ever joined, attended, observed, supported, or been affiliated with — by my own choice, by family inheritance, by peer pressure, by curiosity, or by deception.
- Every level, degree, rank, chapter, or "light" of advancement I received within any such organization.
- Every initiation rite I participated in, including any that involved blindfolding, disorientation, darkness, symbolic death and rebirth, hazing, physical ordeal, fear-based testing, or ritual humiliation.
- Every secret name, code name, password, sign, symbol, handshake, or gesture I learned, used, or was given.
- Every robe, apron, sash, ring, pin, jewelry, or ceremonial object I wore, received, purchased, or kept.
- Every meeting, ritual, ceremony, or gathering I attended where I did not fully understand what spiritual agreements were being made on my behalf or in my presence.
- Any leadership role, office, or title I held within such an organization, and any authority I exercised or submitted to within that structure.
- Any participation done out of family tradition, legacy expectation, social advancement, networking benefit, or desire for belonging.
- Any agreement — spoken or unspoken, conscious or unconscious — that these organizations had any right to my life, my future, my family, my finances, my body, or my destiny.

Father, I confess that participation in these things — whether I understood it at the time or not — was participation in systems that did not honor You as the only true King. I repent of this. I turn away from it fully, and I ask for Your forgiveness.

---

### III. Renunciation of Oaths and Vows

In the name of Yeshua, I renounce and break every oath, vow, pledge, and promise I have ever spoken in connection with any secret society or hidden organization, including:

- Oaths sworn on any book, object, altar, symbol, or in any posture of submission.
- Oaths that invoked self-imposed penalties, curses, or harm upon my own body, mind, family, or future as a condition of secrecy or loyalty.
- Vows of secrecy that placed allegiance to an organization, its leaders, or its hierarchy above allegiance to You, my God.
- Vows that required me to call upon, acknowledge, or submit to any deity, spirit, force, "Great Architect," "Supreme Being," or higher power other than the one true God, Father, Son, and Holy Spirit.
- Vows of loyalty, brotherhood, or sisterhood that bound my will, my conscience, or my voice.
- Any vow, spoken in jest or in earnest, that I would "rather die than reveal" the secrets of such an order.
- Any vow that placed me under authority structures, chains of command, or "masters," "worshipful masters," elders, or superiors whose authority competed with Yours.
- Every word of every oath — spoken aloud, repeated after another, or affirmed silently in my heart.

Father, I declare that these oaths and vows were made in ignorance, in deception, or under pressure, and I did not have the authority to bind myself to them in the first place — because my life belongs to You. In the name of Yeshua, I cancel, annul, and break every one of these oaths and vows from my life, retroactively, completely, and permanently. I declare them null and void over me and over every generation that follows me.

---

### IV. Renunciation of Self-Imposed Curses

In the name of Yeshua, I renounce and break every curse I unknowingly or knowingly spoke against myself during any oath, vow, or initiation, including curses that called for:

- Harm, injury, mutilation, or death to come upon my own body.
- My throat to be cut, my tongue to be torn out, my body to be dismembered, buried, drowned, burned, or otherwise destroyed should I break secrecy.
- My eyes, ears, hands, or any part of my body to be rendered useless.
- Shame, exposure, or destruction to come upon my name or reputation.
- Curses upon my family, descendants, household, or future generations as a guarantee of my loyalty.
- Any agreement that my well-being, prosperity, health, or life itself was forfeit if I were "unfaithful" to the organization.

- Any curse of poverty, lack, confusion, sickness, barrenness, or premature death spoken over myself in symbolic or literal language during any ritual.

Father, I declare that every one of these self-imposed curses is broken, severed, and made of no effect — covered completely by the finished work and shed blood of Yeshua. I declare that no weapon formed against me by my own mouth, in ignorance, shall prosper. Every word I spoke against myself, I now reverse and replace with Your blessing, in Jesus' name.

---

## V. Renunciation of Soul Ties

In the name of Yeshua, I renounce and ask You to sever every ungodly soul tie formed through:

- Initiation rites, blood oaths, or covenant ceremonies with any individual, group, leader, "brother," "sister," or member of any secret society.
- Shared secrecy — the bond formed by "knowing what others don't know" and being bound together by hidden knowledge.
- Hierarchical bonds of submission and authority between myself and any "master," mentor, sponsor, elder, or superior within such organizations.
- Symbolic family bonds — being called "brother" or "sister" in a covenantal sense by people not of my biological or spiritual family in Christ.
- Any spiritual, emotional, mental, or physical bond formed during ritual touch, ceremonial gestures, or initiation practices.
- Group-soul agreements — any sense of corporate identity, group-mind, or "we" that was formed through shared ritual participation.
- Any tie that was passed to me through a parent, grandparent, spouse, or family member's involvement in such organizations, knowingly inherited or not.

Father, by the power of the blood of Yeshua, I ask You to cut every ungodly soul tie connected to these organizations and their members — past and present. Let anything that does not belong to me, that was attached to me through these bonds, return to its rightful place. And let anything of mine that was taken or attached to another through these bonds be returned to me, cleansed and made whole, in Jesus' name.

---

## VI. Renunciation of Generational Involvement

In the name of Yeshua, I renounce and break every agreement, oath, vow, dedication, or curse that was spoken by my ancestors — parents, grandparents, and those before them — in connection with any secret society or hidden organization, including:

- Any dedication of myself, my life, or my future generations made before I was born.
- Any inherited "membership," legacy status, or expectation of participation passed down through family lines.
- Any generational curse, iniquity (avon), or pattern of bondage tied to ancestral involvement in such organizations.
- Any door opened in my bloodline that gave access to spirits of secrecy, deception, control, manipulation, fear, or death.

Father, I stand in the gap for my family line. I ask You to go back through every generation and sever every link, every assignment, and every inherited agreement connected to secret societies and hidden orders — back to the root, in Jesus' name. Let it stop with me. Let none of this pass to my children or my children's children.

---

## **VII. Confession and Request for Forgiveness**

Father, I confess all of this before You — not to relive shame, but to be free of it. I confess:

- My participation, whether eager or reluctant.
- My ignorance of what I was truly agreeing to.
- My willingness, in seasons of my life, to seek belonging, identity, status, opportunity, or protection through means other than You.
- Any pride, curiosity, or desire for hidden knowledge that drew me toward these things.
- Any fear that kept me silent, compliant, or afraid to leave.

I ask for Your forgiveness — full, complete, and final. Thank You that You are faithful and just to forgive me and to cleanse me from all unrighteousness when I confess. I receive Your forgiveness now. I forgive myself for my part in this, and I release myself from self-condemnation, in Jesus' name.

---

## **PART TWO: CLEANSING, HEALING, AND RESTORATION**

### **VIII. Request for Cleansing**

Father, having renounced and repented, I now ask for Your cleansing — total, thorough, and complete:

- Wash my spirit, soul, mind, will, emotions, and body in the blood of Yeshua.
- Cleanse every memory associated with these experiences, removing their power to torment, shame, or control me.
- Cleanse my bloodline, my DNA, and every cell of my body of any mark, residue, or imprint left by these rituals and oaths.

- Cleanse my home, my belongings, and any object I may still possess that was connected to any of these organizations, and give me wisdom and discernment about what to remove from my life.
- Cleanse my spiritual eyes and ears, that I may see and hear clearly without distortion, fear, or fog.
- Fill every space that is emptied by this cleansing with Your Holy Spirit, Your truth, and Your presence.

---

### IX. Request for Healing from Initiation Trauma

Father, I ask You, as my Healer, to enter into every memory of every initiation, hazing, or ritual experience I went through — and to heal what was wounded there:

- Heal the fear I felt — fear of the unknown, fear of darkness, fear of exposure, fear of punishment, fear of being watched or judged.
- Heal the shame I carried — from humiliation, from compromising acts, from things done to my body or asked of me that violated my dignity.
- Heal the confusion — the disorientation of blindfolds, of being led somewhere I couldn't see, of not knowing what was happening or why.
- Heal the betrayal — by people I trusted who led me into these things, who told me it was safe, who laughed at my fear, or who used my vulnerability against me.
- Heal any place where my body learned that submission to darkness, secrecy, or fear was the price of belonging.
- Heal any place where I learned that to be loved, valued, or promoted, I had to hide who I truly am.
- Heal the parts of me that went numb, that disconnected, that "left" during these experiences in order to survive them.

Lord Yeshua, You are the Good Shepherd. You go after the one. I ask You now to go into every one of these memories and be present there — to stand where I stood, to hold what I could not hold, and to speak truth where lies were spoken.

---

### X. Restoration of Wounded Soul Parts

Good Shepherd, I ask You to gather every part of my soul — every fragment, every wounded place, every part that hid, froze, fled, fought, performed, or went silent during these experiences — and bring them home to Yourself.

- For every part of me that took on a false identity, name, title, or persona during initiation — I ask You to remove that false covering and clothe that part in its true identity in You.
- For every part of me that made an agreement to "never tell," to "never feel," or to "never trust again" — I ask You to release that part from its vow and replace it with Your truth: that with You, it is always safe to be known.

- For every part of me that believes it must still "perform" loyalty, secrecy, or perfection to be safe — I ask You to show that part that the performance is over, and that it is loved simply because it is Yours.
- For every part of me that carries grief — for innocence lost, for trust broken, for years spent in systems that were not Your design — I ask You to sit with that grief and turn it into comfort.
- Gather every fragmented part into wholeness. Knit my soul back together as only You can, Lord — seamlessly, gently, completely.

Thank You, Lord, that You do not leave any part of Your sheep behind.

---

## **XI. Restoration of What Was Stolen**

Father, You are the God who restores. The enemy is a thief, but You repay double what was stolen (Isaiah 61:7), and You restore the years the locusts have eaten (Joel 2:25). I ask You now, in the name of Yeshua, to restore:

### **Time and Years**

- Every year, month, day, and hour I spent in service to, distracted by, or recovering from involvement in these organizations.
- Every season of my life where my attention, energy, and devotion went toward something other than You and Your purposes for me.
- Restore to me the time I lost with You, Father — the years where I sought connection, identity, and belonging in places other than Your presence. Bring me back into close relationship and intimate fellowship with You, starting now.

### **Wealth and Resources**

- Every dollar, resource, opportunity, or financial blessing that was diverted, blocked, delayed, or stolen as a result of these involvements — directly or through the doors they opened.
- Every door of provision that was shut because of agreements made in darkness.
- I ask You to open new doors of provision, increase, and stewardship that flow from righteousness, not from hidden systems.

### **Family**

- Every relationship with a family member that was damaged, distanced, divided, or lost — whether through direct influence of these organizations, the spirits behind them, or the ripple effects in my family system.
- Restore honor, communication, and right relationship between myself and my parents, children, siblings, spouse, and extended family, where it has been broken.

- Break any assignment of division, strife, or estrangement sent to separate my family, in Jesus' name.

#### **Health**

- Every measure of health — physical, mental, and emotional — that was diminished, drained, or attacked as a result of trauma, stress, fear, or spiritual oppression connected to these experiences.
- Restore vitality to my body, peace to my mind, and stability to my emotions. Heal anything in my body that has been carrying the weight of what my soul went through.

#### **Relationships and Connection**

- Every godly relationship that was lost, that never formed, or that was sabotaged because I was bound to ungodly soul ties or systems instead.
- Bring godly relationships into my life — friendships, mentorships, and connections — that reflect Your kingdom, Your love, and Your truth.

#### **Identity, Voice, and Destiny**

- My true name, my true voice, and my true identity — anything that was suppressed, silenced, or hidden in order to "fit" within these organizations.
- Every assignment, calling, and destiny that was delayed, derailed, or stolen. Realign me fully with the plans You have for me — plans for welfare, not for harm, to give me a future and a hope (Jeremiah 29:11).

#### **Anything Else, Lord**

- Father, You see what I cannot see and what I have not named. I ask You now to restore anything else that the powers of darkness have stolen from me through these doors — known to me or unknown, named or unnamed. Let it all be returned, redeemed, and repurposed for Your glory.

---

### **PART THREE: THANKSGIVING AND DECLARATION**

#### **XII. Thanksgiving for the Finished Work**

Father, I thank You — not as one still waiting, but as one believing the work is already done.

I thank You that the blood of Yeshua has already cleansed me completely — that there is no residue left, no mark left, no door left open.

I thank You that every oath I renounced is already broken, every curse already nullified, every soul tie already severed.

I thank You that the Good Shepherd has already gathered every wounded part of my soul and brought it home — that nothing is missing, nothing is left behind, nothing is still wandering.

I thank You that restoration is not a future hope but a present reality beginning to unfold — that the years, the wealth, the relationships, the health, and the time with You are already being returned to me, multiplied and made new.

I thank You that I am free — truly free — in Yeshua's name. Free from every agreement, every oath, every tie, every curse, and every wound.

---

### **XIII. Declarations**

I declare:

- I belong to God, and to God alone. No other power, order, society, or oath has any claim on my life.
- I am washed in the blood of the Lamb and seated with Christ. Nothing in darkness can touch what is covered by His blood.
- My soul is whole. My mind is renewed. My body is His temple.
- My years are restored. My wealth is restored. My family is restored. My health is restored. My relationship with my Father is restored.
- I walk in the light, as He is in the light, and I have fellowship with Him and with those He has placed in my life.
- The truth has set me free, and I am free indeed.

---

### **XIV. Closing**

Thank You, Father, for hearing this prayer. Thank You, Yeshua, for being my Good Shepherd, my Deliverer, and my Redeemer. Thank You, Holy Spirit, for leading me into all truth and sealing this work in my life.

I seal this prayer in the name of Yeshua HaMashiach.

**Amen.**

---

*This prayer may be returned to as often as needed. Healing is often a process, not a single moment — if specific memories or emotions surface during or after praying this, that is the Holy Spirit doing the gentle work of restoration.*

*Journaling what comes up can be a helpful next step.*
