My Dear Brothers and Sisters in Christ,
I was able to congratulate at an open house, a graduate and member of Mount Hope but now I wish to offer:

CONGRATULATIONS ON ALL WHO ARE OR HAVE GRADUATED FROM HIGH SCHOOL OR COLLEGE.

Although commencement marks the conclusion of the particular educational chapter of your life, it also serves as the open door to the next one.

All of life is an education. Perhaps that's why "commencement" means not "and ending," but "the act of beginning."

What ever your plans, whether college, marriage, a career, or something other, the future holds opportunities for continued education and growth. I trust the faith and values you have witnessed in the lives of the members of this congregation will provide you with the courage of your own convictions as your meet the challenges of the future.

May you be aware of God's continued presence as you take the next steps on your life's journey.

Sincerely,

PAUL POLLATZ

REMEMBERING ONE'S BAPTISM

There is a little exercise I do virtually every morning when I take my shower. As the water is pouring down on me early in the morning, I reach up with my hand and get water all over it, and then I close my eyes and with my hand make the sign of the cross on my own forehead. "I have been baptized in Christ" I say to myself quietly. This day belongs to him. I am called to be his representative whatever I am doing and wherever I might go. Give me the grace, Lord, to represent you well and with integrity.

Bible Study Reminder

This coming September, the Bible Study after church will be going on a Journey! That journey will be a chronological walk of Jesus' life. Many will find events that happened in Jesus life, clearer and in more detail than ever before. Have a great summer, read God's word and realize the gift that He gave us - His son, our Saviour.

All are invited to share this journey together with him. - Jim Bumgarner

"Faithfully" parenting preschoolers

Opportunity to invite your friends

In cooperation with the preschool, we are inviting all preschooler parents to take part. "Faithfully parenting preschoolers, a proactive approach, is rooted in God's word and look to God's word as the source of guidance, direction and hope for parents. We don't have all the answers. But the classes lead us to discover that our heavenly father helps us find answer to questions that trouble us, with the help of his word and the gift of the Christian community.

This will begin after Christian Education Sunday, September 12th

Invite your friends and come with them!!

Dates will be announced after we meet with the preschool staff.

We have a new website.

A PRAYER FOR OUR NATION

Almighty God, we remember that you are the Lord of all nations including the United States of America. We are mindful that we stand responsible and accountable before you as we consider our stewardship as citizens of this land. Make us equal to our challenges, O Lord. Guide us into providing justice for all. Turn our hearts toward our children that we may teach them rightly to please you in their citizenship. Enable us to make certain that all citizens, affluent and poor, young and old, male and female are treated fairly and never forgotten. Most of all, keep us aware of your providential care and guidance that we may never assume that we are totally on our own. Through Jesus Christ our Lord. Amen.

A CREED FOR JULY 4TH

I believe in America because in it we are free - free to choose our government, to speak our minds, to choose our different religions. Because we are generous with our freedom, we share our rights with those who disagree with us.

Because we hate no people and covet no people's lands. Because we are blessed with a natural and varied abundance. Because we have great dreams and because we have the opportunity to make those dreams come true.

-Wendell L. Willkie,
Republican candidate for president in 1940
