# *-Judging Guidelines-*

## *-Pageant Judging Guidelines by Category-*

### **Appearance**

1. Attractiveness with self-confidence
2. Grooming: This should include neatness and cleanliness in every detail including complexion, hands, fingernails, hair, hat, boots, and other wearing apparel. Meticulous care in general grooming is essential for a girl to be considered.
3. Photogenic Quality: Judges will conduct a review of a single 8"x10" photo that the Contestant will have submitted with her entry.
4. Posture: How a Contestant carries herself is very important. The Judges will be looking for Contestants to carry themselves straight and tall and exude self-confidence and poise.
5. Poise and ladylike behavior in every situation: Judges will be looking for Contestants to handle each situation in which they are involved with grace and style. Judges will also be looking for Contestants to have a substantial knowledge of proper etiquette.
6. Western Fashion Sense: Contestants should pick outfits that reflect fashionable and tasteful western clothing. Judges will be paying particular attention to Contestant's ability to use colors to enhance her natural coloring, appearance and eye appeal.
7. Proper fit of clothing: Contestants should pay particular attention to the fit of their outfits. Outfits should be figure flattering and altered to fit her personally. Judges will be looking for a properly fitting hat that is shaped to flatter the Contestants face. Contestants should remember that this is not a clothing contest. It is not necessary to invest an excessive amount of money in clothing. Judges will be looking for versatility and imagination and a Contestant's ability to carry out a "total look".
8. Knowledge of Western clothing: Contestants should be familiar with the major manufacturers and the latest trends in the western wear industry.

# Lexi Specchio Miss Hesperia Wranglers 2019-2020

Hello, my name is Lexi Specchio and many of you know me as 'Miss Hesperia Wranglers' but what most of you may not know is I am also a daughter, a sister, a grandchild, a cousin, but I am also a barrel racer, a roper, a goat tyer, a groom, a teacher, and an employee. And what that means is I get to experience a lot of different things; I get amazing opportunities like no other. With being in the rodeo/horse industry what better opportunity do you get than being able to compete for a queen title! When you are a rodeo queen you get amazing, I mean absolutely amazing opportunities. I have attended the Hollywood Christmas Parade the past four years, where Joker and I walked the red carpet and had the best time! In 2017 I was invited to ride alongside the Broken Horn Ropers in the 2018 Tournament of Roses Parade, what a great time we had! As a rodeo queen I have also been invited to many different rodeos, for example the San Bernardino Sheriff's Rodeo and the Tehachapi Mountain Rodeo. All of these events and functions we attend are always a great pleasure to be at and be a part of. One of my absolute favorite events to assist with is the Special Needs Rodeos. I love seeing the children's smiles when they get off the horse or rope the dummy. They are such a joy to be around! My favorite part of being a queen aside from Special Needs Rodeos is the fact that I have such gorgeous young women in my court. Kay Kay you are the craziest and most fearless little girl I know, keep reaching for your goals because you are becoming one of the greatest little hands I know. Bet Bet, I am so proud of how far you've come with your horsemanship skills, you have excelled in this past year, keep working at it! Lexus thank you for becoming my best friend and sister, I had an amazing time riding alongside you in parades and rodeos! I wouldn't have wanted this year to go any differently, we had the greatest times in parades, rodeos, and photoshoots. One thing that came out of this chaotic year due to COVID-19 was I got to spend even more time with my girls, so thank you Corona! Best of luck to this great group of contestants and to the next Miss Hesperia Wranglers, welcome to the sisterhood, you will now be part of a great group of women that have served this organization well.

# Miss Contestant Victoria Barich

-Influential-

-Devoted-

-Patriotic-

I desire to be a Hesperia Wranglers Queen because the rodeo industry is in my blood! The love of rodeo is a tradition that has been a part of my family for 3 generations. My Papa was a saddle bronc rider from good ole' Norco California. His love of the lifestyle was passed to my mom as a passionate spectator who believed in the core values that rodeo promotes. Now, let me share how I came to love rodeo! My Papa's stories ignited a spark that I have continued to feed throughout my years in the arena both on horseback and volunteering behind the scenes. I mean what's not to love? The flag, the sport, the meaningful prayers, the USA? It's what rodeo is all about. Rodeo is something my Papa loves, and now I enjoy igniting that passion in younger generations to come.

To earn the title of Miss Hesperia Wranglers would be the opportunity of a lifetime. I would like to continue building our relationships with our current sponsors as well as working to bring in new sponsors in hopes of bringing our rodeo back.

Being Miss Hesperia Wranglers would offer me the chance to make an impact on a lot of people within the High Desert by promoting the Hesperia Wranglers at various community events as well as out of the area parades, rodeos, and other pageants. If I were to win the title, I believe that it would help me to open up even more as an individual while helping me to improve my skills in public speaking.

During the last year as Jr. Miss Hesperia Wranglers, we have traveled to many events and even walked the "Red Carpet" of the Hollywood Christmas Parade alongside the Broken Horn Ropers. It truly has been so much fun building the bond with Lexi, Elizabeth and Kai-lynn this year and I will always treasure it. I look forward to meeting this year's contestants and making wonderful memories with them as we create more lifelong friendships.

# *Lexus Hampton Junior Miss Hesperia Wranglers 2019-2020*

Hello and good evening everyone,

Winning the title of Jr. Miss Hesperia Wranglers 2019-2020 has been such an amazing and fun year. I have been able to meet new people, learn new things, and it has helped me become more open as a person. I want to thank everyone that has helped me along this amazing journey. I also wanted to give a big thank you to all of my sponsors. I am going to miss going to rodeos, parades, and the many different events that we did. This court had so much fun together, we would just tell stories and laugh with each other and even on occasion make fun of each other. It was like we were a family.

Hopefully all this amazing stuff doesn't have to be over for me and I will be able to be in parades, rodeos, and other events for another year holding the title of Miss Hesperia Wranglers. I want to give a special thank you to my parents Matt, Terra, Laura, and Chad for always being there to watch me and help me with whatever I needed help with. I also wanted to give a special thank you to Tonii and Diane for helping me get to where I needed to be and making sure that I had beautiful clothes to wear for the rodeos and parades. Sometimes it was stressful getting ready for a parade or rodeo, but Lexi was always there to make it better. She was always happy to help me with whatever I needed. I am going to miss all of my sash sisters from this year, but I know that we will always remain close.

Best of luck to everyone competing and no matter what, always remember to have fun.

As a Hesperia Wranglers queen, it would be my responsibility to set a good example for the children of the club. The club's future is in their hands and we as queen need to be excellent role models. A queen's duty is to be a positive member of the club. As a queen, I would like to create a direct line of communication between the members, and fans of the sport. I have a strong moral code and work ethic that I think would be a great contribution to the Hesperia Wranglers club.

To conclude, I would feel honored to be included as a Hesperia Wranglers queen. This club has already helped to improve my horsemanship skills, my self-esteem, and helped me to come out of my shell. For me to be given the opportunity to serve and represent the club I love so much, would be like a dream come true.

*Elizabeth Schuller  
Young Miss Hesperia Wranglers  
2019-2020*

Good evening Ladies and Gentlemen:

I would like to begin by saying that it was truly an honor being your 2020 Young Miss Hesperia Wranglers. It felt like just yesterday I was standing here being crowned. Then the whirlwind began; there were parades, events, photoshoots, opening ceremonies, and visiting royalty engagements. It wasn't all fun and glamour, it wasn't pretty washing an impatient horse or curling my hair or remembering the pain that is felt when all those bobby pins holding the hat stick you in the head. But, I wouldn't have missed this for the world.

I want to take this time to thank my sash sisters for all your help and support, Aunt Tonii for keeping us all together, Grammy D for making us girls look beautiful, Uncle Tim for always bringing the food, and my beautiful sister, Quannah, who has always put up with me through makeup sessions, trailering my horse, and my crankiness in the morning. Thank you to Grammy and G-daddy for always being there, helping me, and making me the person I am today. I would not be here without you guys and you have taught me so much and made life fun. You guys have truly made my life amazing for me. Finally, Carol and Allen, thank you so much for always supporting and encouraging me and knowing that it takes a village to raise a child, and clearly it does. Thank you, my Wrangler family.

My name is Lillynn Warman. I am 11 years old and currently go to school at Academy for Academic Excellence, where I will be starting fifth grade this fall. To win the title of Young Miss Hesperia Wranglers would be a dream come true. I believe that if I win the title, it will help me learn to express myself to others and become more open, as well as help me to experience new and exciting opportunities. I look forward to participating in parades, carrying flags at our Opening Ceremonies for Hesperia Wranglers and spending time with an amazing group of girls.

Becoming the next Young Miss Hesperia Wranglers would mean so much to me. I look forward to the possibilities of growing relationships with other queens, becoming a stronger and more confident rider, building my confidence speaking to large groups of people and help me to become a confident leader so I can be a good example for the future Wranglers to follow. I believe I have what it takes and look forward to giving it my all. I hope to win this title so that I can make new and exciting memories with the other queens and represent such an amazing organization at the same time.

Petite Miss Hesperia Wranglers  
2019-2020*

I had the best year being Petite Miss Hesperia Wrangles Queen for 2019/2020. I not only made friends but sisters with the Queen's court and they will always be a part of my life now. Thank you, Grandma D, for making me the prettiest clothes and belts for me. Thank you, Tonii, for always making me sparkle. Thank you, Tim, for always making sure I had water, a full belly, and I was safe. Thank you, Terri, for the best pictures. Thank you, mom, for always helping me and for my sister Lilly being there to support and encourage me. Thank you, Lee, for always helping with my horse and making sure I have the best one to ride and for always being there for whatever I need. I could not have done this without your support.

I want to wish the best of luck to the new court.

Hi! My name is Kayleigh May Collins, and I am 18 months old. I would like to be the Hesperia Wranglers Tiny Queen, so I can be just like my mommy. I would love to have a shiny belt buckle and ride in parades, at the gymkhana, and in rodeos. I cannot wait to meet new people and be a great role model for other little girls. I love riding Bella, the pony, being outside doing anything, and wearing sparkly clothes.

I hope to be crowned your New Tiny Miss Hesperia Wranglers Queen because I want to dress up my horse Mommas to match me and my outfits and put glitter on her! I want to be able to share with everyone my true love and passion for my horses, animals, and my western way of life while representing the greatest sport on earth! Growing up going with my mom to rodeos, I admire the rodeo queens and their beautiful outfits while running fast on their horses! I want to be a real Princess one day too! I also want to meet new people and friends who I can ride with and share the love for the horses as much as I do. I am a very hard worker, and very determined to accomplish anything I put my mind to, no matter the obstacles that are put in front of me. I never give up! I can't wait to see how much more I can learn about horses and riding as the Tiny Miss queen.
