# Judging Guidelines

## Appearance-

1. Attractiveness with self-confidence.
2. Grooming: This should include neatness and cleanliness in every detail including complexion, hands, fingernails, hair, hat, boots, and other wearing apparel. Meticulous care in general grooming is essential for a girl to be considered.
3. Photogenic Quality: Judges will conduct a review of a single 8"x10" photo that the Contestant will have submitted with her entry.
4. Posture: How a Contestant carries herself is very important. The Judges will be looking for Contestants to carry themselves straight and tall and exude self-confidence and poise.
5. Poise and ladylike behavior in every situation: Judges will be looking for Contestants to handle each situation in which they are involved with grace and style. Judges will also be looking for Contestants to have a substantial knowledge of proper etiquette.
6. Western Fashion Sense: Contestants should pick outfits that reflect fashionable and tasteful western clothing. Judges will be paying particular attention to Contestant's ability to use colors to enhance her natural coloring, appearance, and eye appeal.
7. Proper fit of clothing: Contestants should pay particular attention to the fit of their outfits. Outfits should be figure flattering and altered to fit her personally. Judges will be looking for a properly fitting hat that is shaped to flatter the Contestants face. Contestants should remember that this is not a clothing contest. It is not necessary to invest an excessive amount of money in clothing. Judges will be looking for versatility and imagination and a Contestant's ability to carry out a "total look".
8. Knowledge of Western clothing: Contestants should be familiar with the major manufacturers and the latest trends in the western wear industry.

## Personality-

1. Intelligence and good common sense.
2. Conversational ability in varied circumstances, with an emphasis on grammar and enunciation.
3. A good sense of humor.
4. Self-confidence, high moral standards, sincerity, and integrity.
5. Genuine interest in other people and consideration of others.
6. Self-Projection: the ability to project one's personality, whether it is from horseback or appearing on stage before a crowd.
7. A happy outlook on life.
8. Promptness in keeping the pageant schedule.

2. Balance- The ability to sit steady in the saddle.
3. Position of hands, feet and seat.
4. Understanding and skill will be judged and not the horse or the equipment.
5. There will be one go round of horsemanship competition. Each contestant will be required to execute the designated pattern for her age division. At the discretion of the judges, patterns may be altered due to the arena conditions. Any changes and/or alterations to the Horsemanship patterns will be announced to the Contestants before the horsemanship begins.
6. Showmanship: How well a contestant projects her personality to the audience from horseback.

# Pageant Judges

Norco California, also known as Horsetown USA, is where Haley Brown resides with her fiancé Jake, her son Casey and their 5 horses and 4 dogs. She moved to Norco in 2011 and is a graduate of Norco High School. Haley began riding horses at the age of 4 and never looked back.

She has participated in many rodeo organizations, working behind the chutes. It was through these organizations she learned how to handle rough stock. She's had the opportunity to work closely with pro stock contractors.

In 2016, Haley competed and won the title of Miss Rodeo Norco Horseweek. Then, in 2017, Haley won the title of Miss Hesperia Wranglers. She was fortunate enough to participate in rodeos throughout California with her horse, Skeeter. She had the privilege and opportunity to ride in the Hollywood Christmas parade and the Rose parade.

During her time as Miss Rodeo Norco Horseweek, she presented our Nations colors during a Mounted Shooting event in Delmar. In 2018, as her time as Miss Hesperia Wranglers was ending, her Mounted Shooting journey was beginning. She professionally competes throughout the country, including Amarillo, Texas for CMSA World Finals. She is passionate about the sport and continues to compete with her horse Poco and her friends of Silver Dollar Ranch.

In 2020, Haley lived and worked on commercial Cow / Calf operations throughout the states of Montana and Idaho. It was an experience of a lifetime, giving a front row seat to the importance of our agricultural industry.

Given her experience in working under Performance Horse trainers, Haley continues her passion by exercising and training horses throughout Southern California. She is very active with the Norco Rodeo Committee and the Norco Horseweek Queen Committee. Haley believes, "If you do what you love, you will never work a day in your life."

Haley and Jake enjoy teaching their 10-month-old son about the Western way of life. In her spare time, you will find her with her family in Montana visiting friends and enjoying the Treasure State, also known as Big Sky Country. When she is not on the road or working, she spends her down time trail riding with her family. Haley takes pride in three things in life: Family, animals and clients.

Even though she no longer wears a crown, she believes, "Once a queen, always a queen." She is a true ambassador for the sport of rodeo. She wants to encourage young ladies to get out and follow their dreams. It's her mission to give back to those who are running for a title.

To all contestants, best of luck. You will be amazing. Haley would like to remind all the contestants to take a deep breath, smile, enjoy the moment, and most importantly, be yourself. Congratulations to the 2025 Miss Hesperia Wranglers and her court. Happy Trails

*John Frances*

*Alise Hill*

*John Ryan*

John Frances is a long time resident of the Big Bear Valley. John has been involved in the equine and cattle industries for over 25 years. John enjoys team roping competitively as a hobby. John has several American Quarter horses and enjoys horsemanship, he also has cattle and ranches in his spare time. John would like to wish all of the contestants the best of luck as they compete.

Alise Hill currently resides in Rosamond with her husband and 2 children. She has held numerous rodeo queen titles from the community levels to state titles. When she wasn't traveling the rodeo circuit she was jr rodeoing, riding with CGA, showing horses with AQHA. She represented California at the National High School Rodeo Queen Pageant in 2007 where she placed in the top 10 overall. Alise studied hair and makeup at the Marinello School of beauty. She has done hair and make up for many different pageant systems and clinics. These days Alise can be found at Carousel Ranch working as a Direct Support Professional. She is part of the Ready To Work! program where she works with young neurodiverse adults gearing up for life after school. She assists these individuals in job hunting, securing the job, job coaching and teaching day-to-day functional skills.

A third generation High Desert rancher John Ryan is no stranger to the western way of life. Growing up at the Double Lazy A Ranch on Stoddard Wells Road he remembers local legends like Undersheriff Kendall Stone Sr riding alongside his grandfather. John left for college at Cal Poly San Luis Obispo where he majored in Mechanized Agriculture and rode for the rodeo team. There he met the love of his life Jackie while she was competing for Miss Poly Royal Rodeo. They married and moved home to the desert where they worked to create a World Champion training barn. John would swing his leg over anything his wife asked, but his favorite was team roping. This showed as he ended up top five at the world and won the state of California several times. Soon he was joined in the roping box by his daughter Paige, as the two competed in rodeos and jackpots. Carrying on another family legacy John is a third generation San Bernardino County Sheriff's Ranger. He is entering his 21st year serving the rural heritage and held seats on the Board of Directors, Captain, Ranger of the Year, and Hall of Fame. Dedicated to rodeo and family both, John has volunteered since its inception for the San Bernardino County Sheriff's rodeo. He now works alongside his daughter on the Production Committee. In addition, they manage a performance horse breeding operation under the same Double Lazy A brand that he grew up using.

John is excited to see everyone carrying on the western heritage and wishes them the best of luck.

# 2024 Miss Hesperia Wranglers Leanne Domingo

Standing here tonight, looking out at all of you, my heart is full. It feels like just yesterday I was crowned your Miss Hesperia Days Rodeo Queen, and now, I'm here to say goodbye to this title, to this chapter, but never to the memories. This past year, I've had the great honor of representing not just our rodeo, but our culture, our traditions, and our way of life. Rodeo is not only a sport; it's passion, and way of life. From the grand entries to the early mornings, from dirt-covered boots to smiling for pictures with the next generation. Each moment was a gift. Every smile, hug, and cheer is worth more than gold. I want to thank my family for their support, and every person in this room who believe in me thank you for having the confidence in me to represent the club, the rodeo, and the many other events. You guys provided me wings, making this year such a blessing. Thank you to my Rocky for letting me ride you with such strength and elegance, in every arena step we took. To the next queen: Being a queen isn't only about the crown on your hat it's also about the heart beneath it. and as always remember to not only keep your crown straight but as well to the queens next to you. This crown is more than rhinestones and velvet it's about responsibility, love, and service. Represent it with pride and humbleness, and always with a caring heart. Always walk with confidence, talk with respect, and remember you are an example to others. Though I pass on the title, I will never forget the lessons, the laughter, the love and bond we've created this year with each other. You will forever live in my heart. Thank you for letting me be your queen. God bless.

Hola estando aquí viéndolos a todos mi corazón está lleno de gratitud y orgullo. El rodeo no solo es un deporte; es parte de nuestras raíces, es una familia, una pasión, y una forma de vivir. Nunca olvidaré este año tan especial y de toda las grandes memorias y aventuras que viví. Para mí cada momento cada sonrisa, cada abrazo, cada aplauso fue maravilloso y todo valio oro para mi. Gracias a mi caballo, Rocky por llevarme con su fuerza y su elegancia, y por cada paso firme que dimos en la arena. palabras para la próxima reyna, recuerda no solo es una corona sobre la cabeza es responsabilidad, es amor, y es servicio a la comunidad. Recuerda siempre caminar con confianza, hablar con respeto, y nunca olvides que tú eres un ejemplo para muchos. mi últimas palabras Este año Vivirá en mi alma y en mi corazón. Gracias por dejarme ser su reina. Que Dios los bendiga.

Being a title holder for the Hesperia Wranglers would be an exciting new experience for me. I was inspired by going to a rodeo with my family and seeing the responsibilities of a rodeo queen. I would like to extend my experience in the horse industry and represent the Hesperia Wranglers as a proper and mature young woman to show her love for horses and rodeo. It would be an honor to inspire and change minds of people who don't agree with the sport of rodeo. I want to show people that rodeo is more than just the events, it's about the respect and love for our country and who serves.

I would be honored to represent the Hesperia Wranglers as a title holder because of my deep love for horses and dedication to the rodeo lifestyle. Although I didn't grow up in a horse-oriented household, I've worked hard to stay involved—learning, riding, and supporting the equestrian community however I can. My journey has come with challenges, but those experiences have only fueled my passion and resilience. Being part of the Rodeo/Horse world has taught me valuable lessons in hard work, perseverance, and respect—for animals, people, and tradition. I'm eager to give back by being a positive role model and helping promote the Western way of life. As a title holder, I would proudly represent the Hesperia Wranglers with integrity, enthusiasm, and a commitment to growing and supporting the horse community.

I would be honored to become a Hesperia Wranglers Queens titleholder because I know with my outgoing personality, honesty, creativity, and leadership skills, I can make a change in our community and be a role model to the younger generations. Throughout the years, I have learned many leadership skills, such as communication, interpersonal skills, and the ability to motivate and inspire others. The Hesperia Wranglers Rodeo Queen is not just a title for me; it represents a commitment to my community and a celebration of our Western heritage. I have participated in local rodeos and community service projects, which have enhanced my appreciation for our Western heritage and traditions. If I am given this opportunity to become a Hesperia Wranglers Queen, I would use my leadership skills to promote our community values and inspire others to embrace horsemanship, ethics, and the western way of life. I knew I wanted to be a Hesperia Wranglers Queens titleholder when locals in my community reached out to me with this great opportunity. I learned what rodeo queens did for the sport of rodeo, the western lifestyle, and what they do for our community, and I knew I wanted to be one of them. If I am chosen for this amazing opportunity, I will do my best to serve, honor, and represent our community as a Hesperia Wranglers Queen titleholder.

Thank you.

Being a Hesperia Wranglers Title Holder would be an immense honor to me. I would be thrilled to honor the greatest sport on dirt while also inspiring other people! Rodeo is something that I am extremely passionate about. I love everything about it from the smell of the dirt and livestock, to the community it creates. It is a way of life to many. Not only would I represent the Hesperia Wranglers, but also the values of rodeo and the traditions that come with it. I want to encourage young cowboys and cowgirls to pursue their dreams. As a title holder, I would be an ambassador of the Hesperia Wranglers and that is a large privilege. I wouldn't only achieve this by being a smiling face in the arena, but by being a voice for the sport, a leader to look up to and a role model for young and old alike. I want to make a meaningful, lasting impact on the Hesperia Wranglers. ### "Why I want to become a Hesperia Wranglers title holder"

For myself, becoming a Hesperia Wranglers title holder is so much more than just wearing a crown. It's about being able to proudly represent our community, promoting the western way of life, becoming a role model to others, and inspiration to the younger generation. I want to be a Hesperia Wranglers title holder because I believe in the values that this organization stands for, horsemanship, leadership, and community outreach. As someone who has been passionate about rodeo culture and equestrian life ever since I was a little girl, I feel the need to share that passion to inspire others to dream big. My knowledge of horsemanship has not only equipped me with skills to handle horses but has also taught me valuable life lessons about patience, hard work, perseverance, and determination. I see this opportunity as a challenge for myself to step out of my comfort zone and a chance to show others that they can pursue their goals and dreams. Holding this title would give me the platform to share my knowledge and love for horses, promote local events, and engage with youth who might one day follow in these footsteps. I want to use my voice to encourage other young girls to be confident, strong, and proud of who they are, whether they come from the arena or the audience. I also see this opportunity as a chance for me to build new relationships and gain experience through community outreach.

Representing the Hesperia Wranglers would be an honor and a dream of mine. I'm ready to carry the responsibility with pride, full dedication, and hard work.

To me, rodeo is more than just a sport-it's my passion, shaping who I am, teaching responsibility, and bringing people together. I have a deep love for the sport and a strong desire to represent the Hesperia Wranglers as the Junior Miss. This title is not just about wearing a crown; it's about representing the rodeo community and influencing the younger generations to pursue this sport.

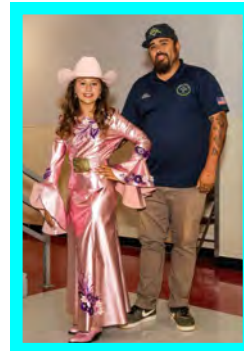

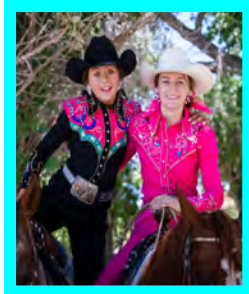

Through my experiences, I have learned the importance of hard work, perseverance, and sportsmanship. As a titleholder, I would take pride in educating others, specifically younger generations, about the rich history of rodeo while encouraging others to support the community as well. I believe in leading by example-showing kindness, determination, and respect in and out of the arena.

The Hesperia Wranglers are a symbol of dedication and community, and I would be honored to represent them. I am ready to take on the responsibility of being a positive role model, promoting the sport I love, and giving back to those who have supported me. I am excited for the opportunity that the Hesperia Wranglers has provided for me to try out as a queen titleholder for the 2025/2026 rodeo season. It has always been a dream of mine to be a rodeo queen, and I would love the opportunity to be chosen. I have done 3 seasons of gymkhana, and I have just started to do barrel racing. I have been riding consistently now for 4 years. I feel I would be a great queen because I am helpful, ambitious, honest, persistent, hardworking and a leader. I feel those are amazing traits for a queen to have because you need to be able to help and support others at all times. As Young Miss, I promise to always encourage my team and to be a role model for all. I am willing to take advice from others, learn from it, and pass it along to others. I love horses and the sport of rodeo. I enjoy volunteering in my community and helping others. I want to be more involved with my community and horses. I love doing everything with my horse, showing her off, and being a great leader. I feel that I can do that as a queen, and that is why I would love the opportunity to be Young Miss Hesperia Wranglers Queen titleholder.

Thank you.

*I am so incredibly proud of you both. You are both hardworking, kind and love Jesus. Good luck in your pageant. Dad and I are cheering you on! Do your best and let Jesus shine through you in all you do. No matter what you will always be true Queens to us. We love you!*

# *A Note from Our Coordinator*

As I look back on this year with this group of young ladies, I can definitely say that I have witnessed each and everyone one of them grow. I have watched them not only challenge themselves but I have watched them encourage each other to grow and try new things all the while ensuring each other that should they fall, they would all be there to pick each other up and dust them off so that they could all try again. I have also been blessed with a wonderful group of parents that worked together to ensure that the girls were able to get wherever it was they wanted to go and they truly wanted to go, so they attended numerous rodeos and community events over the last year.

Leanne- you have represented the Hesperia Wranglers, the Hesperia Days Rodeo and the entire High Desert Community with absolute grace and you jumped in to help no matter what it was that we asked you to do. Lillynn, Noelle, Kailynn, Shea, Sage, Annabelle, and Sophia I know that the friendships y'all made over this year will continue to last a lifetime and I cannot wait to see where life will take each of you.

To the families of our 2024-2025 Hesperia Wranglers Rodeo Queen's Court- I have been truly amazed at the support y'all have given to all of these young ladies and each other. Y'all have traveled countless miles to rodeos and events with these young ladies and I am truly thankful for each of you!

I'd like to say a huge THANK YOU to our entire queen committee (Diane, Virginia, Kerri, Quannah, Ana, and Leanne) and though these are only two words they are said from a very special place in my heart. The saying that it "takes a village" is ok, but I believe that "It Takes a Barn" full of amazing people to bring this pageant all together. We have past queens, current queens and the families of all of these young ladies that give back to not only the Hesperia Wranglers Queens but to this organization and our community.

I want to thank the Hesperia Wranglers and all of the families of the past that instilled so many incredible memories and lessons over the years. It has been a true honor and privilege to go from being the Hesperia Wranglers "Triple Crown" winner to stepping into a pair of boots as a coordinator 14 years ago to try to keep our Hesperia Wranglers Queens alive and prepared to go on as we worked to bring the Hesperia Days Rodeo back.

We owe a huge amount of thanks to Billy Mack, Kevin Smilen, Jessica Gonzalez and the entire Victorville Motors family for always believing in our program and helping us bring the Hesperia Days Rodeo back to life.

Last but certainly not least, THANK YOU, to Tim Mustaikis, for embarking on this journey with me and all of these families without hesitation no matter what it is that I seem to ask of you.

Tonii Ventimiglia-Mustaikis
