Judging Guidelines

Appearance-

1. Attractiveness with self-confidence.
2. Grooming: This should include neatness and cleanliness in every detail including complexion, hands, fingernails, hair, hat, boots, and other wearing apparel. Meticulous care in general grooming is essential for a girl to be considered.
3. Photogenic Quality: Judges will conduct a review of a single 8"x10" photo that the Contestant will have submitted with her entry.
4. Posture: How a Contestant carries herself is very important. The Judges will be looking for Contestants to carry themselves straight and tall and exude self-confidence and poise.
5. Poise and ladylike behavior in every situation: Judges will be looking for Contestants to handle each situation in which they are involved with grace and style. Judges will also be looking for Contestants to have a substantial knowledge of proper etiquette.
6. Western Fashion Sense: Contestants should pick outfits that reflect fashionable and tasteful western clothing. Judges will be paying particular attention to Contestant's ability to use colors to enhance her natural coloring, appearance, and eye appeal.
7. Proper fit of clothing: Contestants should pay particular attention to the fit of their outfits. Outfits should be figure flattering and altered to fit her personally. Judges will be looking for a properly fitting hat that is shaped to flatter the Contestants face. Contestants should remember that this is not a clothing contest. It is not necessary to invest an excessive amount of money in clothing. Judges will be looking for versatility and imagination and a Contestant's ability to carry out a "total look".
8. Knowledge of Western clothing: Contestants should be familiar with the major manufacturers and the latest trends in the western wear industry.

Personality-

1. Intelligence and good common sense.
2. Conversational ability in varied circumstances, with an emphasis on grammar and enunciation.
3. A good sense of humor and a happy outlook on life.
4. Self-confidence, high moral standards, sincerity, and integrity.
5. Genuine interest in other people and consideration of others.
6. Self-Projection: the ability to project one's personality, whether it is from horseback or appearing on stage before a crowd.
7. Promptness in keeping the pageant schedule.
8. Maturity.
9. The ability to clearly express ones educational and career goals.

Horsemanship-

1. Horsemanship: Control of the horse and the way the Contestant handles each situation that may occur.
2. Balance- The ability to sit steady in the saddle.
3. Position of hands, feet and seat.
4. Understanding and skill will be judged and not the horse or the equipment.
5. There will be one go round of horsemanship competition. Each contestant will be required to execute the designated pattern for her age division. At the discretion of the judges, patterns may be altered due to the arena conditions. Any changes and/or alterations to the Horsemanship patterns will be announced to the Contestants before the horsemanship begins.
6. Showmanship: How well a contestant projects her personality to the audience from horseback.

Pageant Judges

Jenifer Finch

Jenifer was born and raised in the high desert and she grew up being a member of the Hesperia Wranglers. She started in the lead line class and won her first team roping buckle by the age of 10. From there, rodeo became a lifelong passion through the California Junior Rodeo Association and the California High School Rodeo Association.

As an adult, she has competed in multiple events with the Police Rodeo Association, team roped and breakaway roped in the Professional Rodeo Cowboys Association, and continue to compete in open and ranch rodeos. Along the way, Jenifer also found another passion in judging rodeos. She has served as a rodeo judge for the Police Rodeo Association, and currently serve as a judge for both the CJRA, and CHSRA associations, giving her the opportunity to combine two things she loves most: roping and working with kids.

Jenifer is an English teacher by trade but a cowgirl at heart. She is a wife, a mom of three, and they all rodeo and ranch every chance they get.

This is her second time serving as a judge for the Hesperia Rodeo Queen Contest. Having been part of the court herself in 1994, she understands both the hard work and dedication that go into this experience. Best of luck to all of the contestants.

Lexi Perez

Lexi Perez is a resident of Kearny Mesa, California, where she lives with her husband, Ezequiel, and their three black cats. She graduated from Serrano High School in 2019 and was part of the school's FFA chapter. Lexi also had the honor of being selected as one of four recipients that year of the Hesperia Wranglers William Kinnard Memorial Scholarship. Lexi currently works two jobs, one of which is with Aces ABA, where she serves as a Senior Registered Behavioral Technician. In this role, she helps new hires transition into the field of ABA play-based therapy while also working directly with her own clients. Her second job is as a technician for the United States Equestrian Federation (USEF), where she works to protect the welfare of equine athletes and ensure fair competition through the Equine Drugs and Medications Program. In her free time, Lexi enjoys riding and training "Bob," her 5-year-old Appaloosa stud, to become her next barrel horse. She also loves spending time with her husband, going on small adventures around San Diego, visiting new coffee shops, attending car shows, and racing their cars at Barona Drag Strip. Lexi was born into the horse world and grew up barrel racing, showing, and rodeoing. Some of her biggest achievements include six Youth Appaloosa World titles, AVYRA All-Around Cowgirl trailer wins in 2014 and 2015, Miss Rodeo Adelanto 2017-2018, Miss Hesperia Wrangler 2019-2020, and many more. Lexi wants to wish all contestants the best of luck, to have an amazing time, and to keep smiling!

Larry Mitchener

Born and raised in South East Missouri by family that ran cattle in the Ozark's foot hills and farmed in the bottom lands. He joined the United States Marine Corps in 1963 and remained in California after he was discharged. Larry was a Reserve Deputy with the San Bernardino County Sheriff's Department and was also part of the Sheriff's Rangers as well where he rode in parades with the Sheriff's Department as well as with the Rim of the World Riders a couple of times. He has been the owner of All Pet Feed & Tack in San Bernardino since January of 1990. Larry is now semi-retired and is currently active with the High Desert Marines.

Best of Luck to all of the young ladies, may you continue to reach for the stars

Marc Wilson

Marc has worked as a land surveyor for the last 39 years owning his own business for the last 10 of those years. He grew up in the 4-H program in Riverside County and finished his 4-H career as a county all-star. He won the State 4-H demonstration and was a national finalist. He was a volunteer 4-H leader in San Bernardino County for over 20 years where he coached the horse judging teams, was the beef project leader and helped youth prepare for speeches and demonstrations. His teams successfully competed at the county, sectional, state and national levels in 4-H, Arabian Horse Association, Paint Horse Association, and American Quarter Horse Association. He was on the Cal Poly Pomona livestock judging team while in college. Marc has also officiated at contests from the local to the National level.

2025 Miss Hesperia Wranglers

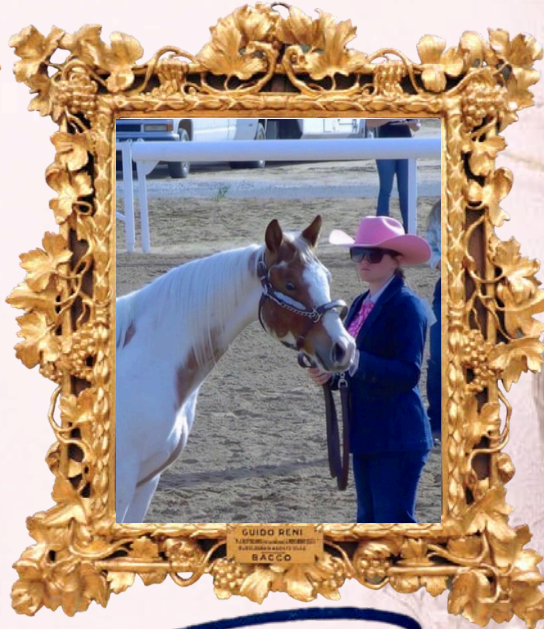

Krystal Morales

This past year as your Miss Hesperia Wranglers Rodeo Queen has been one of the greatest honors of my life—and honestly, one of the wildest rides I've ever signed up for... and that's saying something. What started a little outside my comfort zone turned into a journey I'll never forget. From windy gymkhana days where I'm pretty sure we were all just trying not to blow away, to early mornings, long drives, and a whole lot of dirt and hairspray—every moment has meant so much to me. I've had the privilege of representing a community that truly feels like family. And of course, I couldn't have done it without my horses, Thunder and Twixx—who kept me humble, kept me laughing, and occasionally reminded me that they have their own opinions too. This title isn't just about a crown or a sash—it's about growth, responsibility, and connection. I came into this hoping to do a good job... and maybe not trip in front of everyone... and I'm proud to say I'm leaving with confidence, unforgettable memories, and only a few slightly embarrassing moments. Thank you to everyone who supported me, believed in me, and cheered me on—it truly means the world. I also want to congratulate our court on an amazing year—you girls have represented with so much heart, and it's been such an honor standing alongside you. And to the girls competing—good luck and soak up every second. You're about to step into something really special, and I promise you, you'll create memories that will last a lifetime. As I pass on this title, I do so with so much pride, gratitude, and just a little extra sparkle. And remember, it doesn't matter where you start, but the grit and determination you carry along the way that will truly push you to your greatest point. And if there's one thing this year taught me... it's to sit deep, smile big, and fake it 'til you make it—because even when you're holding on by a thread, just make sure your crown's still straight."

A few months ago, I wasn't sure this dream was still possible. I've spent my whole life watching my mom rodeo and have always wanted to follow in her footsteps. But everything changed when we lost our family's heart horse. He colicked severely, and we weren't able to save him. In that moment, I felt like my dream of becoming a rodeo queen had ended.

Then Miss Tonii reminded me not to give up. She encouraged me to run for the Senior Queen title, even when I wasn't sure I could do it without my horse. The more I thought about it, the more doubt I had—but my mom and Tonii, both reminded me that sometimes you just have to try.

And that's exactly what I'm going to do. Rodeo queens chase their dreams, even when things get hard. Just like the Hesperia Wranglers, who are working so hard to rebuild our arena and stand strong for what they believe in, I want to show that same determination and heart. The Hesperia Wranglers and the Hesperia Rodeo mean so much to me— and I hope to represent them and show the community I too can be a positive and strong community representative. I am running not only to fulfill my dream, but also in honor of Tom, my horse, who meant everything to me. I want to represent everything the Hesperia Wranglers and Hesperia Rodeo stand for—strength, perseverance, and heart.

I have been in the equestrian community for almost ten years. I was not born into the community, but my heart and soul was tied from the day I was born. At nine my mother allowed me to start lessons. After years of working for lessons, cleaning stalls, and scrubbing buckets as well as determination, hard work, and patience I have become a well rounded equestrian, learning both English and western. I am not running for queens for the title, but to show people of all ages that no matter where you come from you can always achieve your dream. I want to represent proper horsemanship in hopes to inspire other equestrians to be the best versions of themselves, while in the saddle and not, as well as representing the Hesperia wranglers for their high moral standards.

I would love the opportunity to be the next Miss Hesperia Wranglers Rodeo Queen because this community has become so meaningful to me. The connections and support throughout the club really stood out to me and inspired me to be part of this rodeo family. I admire the organization of this club and communication through all the members. Since I joined the Hesperia Wranglers 2 years ago, I have learned so much from the community and friends that have welcomed me. Because of this, I want to help create the same welcoming to those who join the club and come to the rodeo. I also want to help carry on this legacy of the Hesperia Wranglers club and Hesperia Days Rodeo by bringing future generations to keep these traditions alive. I want to inspire others to be a part of the sport of rodeo. I hope to show young girls that they can be a part of this world and be part of a future Hesperia Wrangler Court. Lastly, I would love to be an example to the community that you don't have to be born into a rodeo family to take part in the traditions of the western lifestyle

Becoming the Miss Hesperia Wranglers 2026 Rodeo Queen would mean everything to me. This club is where I grew up. I started as your Young Miss in 2021 and served as Jr. Miss in 2024. Looking back, I've grown from a little kid just happy to be on a horse into a 1-D competitor with big NFR dreams. Now, I'm ready to step up and give back to the place that started it all.

Last year was a blur in the best way. Winning the Hesperia Barrels Championship at home and placing 15th out of 600 riders in Las Vegas were huge moments for me. They didn't just build my confidence—they taught me the business side of rodeo, like representing myself well and giving sponsors the recognition they deserve.

One thing I'm most excited for is the chance to carry the American flag at the Hesperia Days Rodeo. There's nothing like that adrenaline when you run into the arena and hear the crowd. To me, it's about representing our country and the traditions that make our community so strong.

I'm also a student athlete taking college classes as I work toward becoming an equine vet. I'm passionate about understanding the health and science behind our horses.

This year, I want to mentor younger girls and show them you can be both a dedicated rider and a strong student. I'm ready to represent the Wranglers and give it everything I have.

2025 Jr. Miss Hesperia Wranglers

Alyssa Burke

From early mornings doing makeup in the truck to late nights under arena lights, being your 2025 Jr. Miss Hesperia Wranglers Rodeo has been an honor. This journey has shaped me in ways I never expected and given me memories I will carry forever. Choosing a favorite moment is impossible. But I will never forget the Tehachapi Mountain Rodeo, when four queens, dressed in pink, signed up for calf dressing. For the record, we caught a calf first. But that's about as far as we got! It was a moment full of laughter, teamwork, and the true spirit of this year.

I give all the glory of this year to God. None of this would have been possible without His guidance and strength. This year, I carried Proverbs 3:5-6 on my saddle as a reminder to trust Him in everything. Every opportunity and lesson has reflected His goodness, and I am grateful to know we never walk alone.

To my amazing sash sisters: Thank you for making this year unforgettable. You ladies are beautiful inside and out! Keep chasing your dreams and always ride with confidence, courage and the biggest smile!

A huge thank you to Victorville Motors, the Hesperia Wranglers, and the Queen Committee for your support this year. Thank you to our president Tim Mustaikis especially for all your cheesy potatoes! Grandma D and Aunt Tonii, your dedication means everything. Thank you for all that you do for us girls.

To my family: JJ, Dad, and Mom, thank you for your endless love and support. I love you guys!

To the contestants: be proud of your growth. If this isn't your year, remember that your journey is just beginning!

To the next Jr. Miss Hesperia Wranglers, cherish every moment and always lift others up.

Being a Hesperia Wranglers Jr. Miss Queen would be a great opportunity to represent the High Desert and grow both as a rider and an individual. One of the benefits is gaining experience for my horse and me as we travel to different rodeos. People say "new place, new horse," and I believe going to new environments will build my horse's confidence and help her adapt to different situations, while also helping me improve my skills.

For example, during the fireworks at Hesperia Days Rodeo during Happy Trails, many horses were spooked, but I was able to react quickly and help my horse stay under control. Experiences like this have taught me that things don't always go as planned, but I can stay calm and handle situations responsibly.

Rodeo has also helped me better understand the bond between people and their horses. This is important to me because I want to become a veterinarian in the future. As Jr. Miss Queen, I would be a positive role model and proudly represent the Hesperia Wranglers and my community.

I should be the next Junior Miss Hesperia Wranglers because the Hesperia Wranglers and the equestrian world have shaped me into the person, I am today. Being part of this lifestyle for so many years has taught me leadership, responsibility, hard work, and the importance of community. Through gymkhanas, barrel racing, and rodeos, I've learned that success is not only about winning, but also about supporting others, representing yourself with confidence, and giving back to the people who helped you grow.

I enjoy being a positive role model for younger riders and always try to represent the western lifestyle with kindness and respect. At the same time, I stay dedicated to school and focused on building a successful future. I work hard in school and remain focused on my dream of becoming a veterinary technician so I can continue helping animals and my community.

As Junior Miss, I would proudly represent my hometown, promote our western heritage, and inspire younger girls to believe in themselves. I want to show others that with passion, dedication, and heart, they can achieve anything they dream of.

At the bottom, a message of support is written in a similar font, followed by an email address and a small star icon.

It has been an extreme honor holding the title of Young Miss Hesperia Wranglers Rodeo. The memories I've created with my 6 sash sisters, Krystal, Alyssa, Annabelle, Ace, Rebecca and Sophia, will forever be cherished! From good times at the Hesperia Days parade to the amazing fun at the Tehachapi Rodeo, it has been a true privilege to wear the prestigious crown and sash of Hesperia.

I would like to say thank you to the people who made this year special:

Grandma D, I'll forever be grateful for every detail on every outfit. Thank you for always making me feel like a real queen.

It wouldn't feel right exiting this title without mentioning... Wait for it... The Cheesy potatoes! Thank you to our Hesperia Wranglers President, Tim Mustaikis for all that you do.

I would also like to say thank you to a woman I look up to. She has believed in me when others haven't, she has been tough on me when I needed it, and she has made me a stronger, better version of myself. She treats her queens like true royalty, and I am grateful to be able to call her "Aunt". She really is like my own family! She is our fearless leader, a true queen then, now and forever. Thank you Aunt Tonii for this amazing year; I will always be a Wrangler for life!

I would also like to thank my mom and dad for everything they do to help me be successful and teaching me to be brave and reminding me that the only thing we fear is God.

It has been an amazing year. Once a Wrangler, always a Wrangler. It's not goodbye, it's "happy trails!"

Thank you!!

Well, it all started when I first ran in 2024 for my first time ever. I have learned so much, met great friends and other people, other younger girls than myself, as well as older that were so inspired. I seen with that first little glimpse that I had a chance to be able to encourage others to get out of their shell and try something different or to even get out there and try something new. I have learned so much from competing and the opportunity to becoming a Petite Princess and Miss that I know that I am not done growing or learning and I know I never will be, but I have witnessed all of the benefits that come from queening that will help me with queening as well as being a young horse girl. I also would love to be able to represent the Hesperia Wranglers to be giving the opportunity to show so many people what it means to carry a title, what the Western Way of Life is and how it's more than just a crown, sash and buckle.

I would like to be a Hesperia Wranglers title holder because over the past three years, this club has become like a second family to me. So many members have gone out of their way to help me, encourage me, and be positive role models, and I would love the opportunity to give back and do the same for other riders.

As a home school student, being part of the Wranglers has also helped me grow socially, build friendships, and gain confidence. Becoming a title holder would allow me to continue growing while representing a club that means so much to me.

If chosen, I would strive to be kind, supportive, and a good role model to younger riders. I would proudly represent the Wranglers at events, show good sportsmanship, and always do my best to make others feel included and encouraged. It would be such an honor to represent a group that has helped shape me into the rider and person I am today.

Hello, My name is Avalee and I am so excited about this opportunity. I would like to be a title holder because when I was 3 years old I was at Barn Bash with my mom and I saw the Hesperia Wrangler Queen and I told my mom that I wanted to do that!!! They were all so pretty in their beautiful dresses. They were helping out and talking with everyone. I also had the queen be the judge one time when I was at the fair. I talked to her about how to become a little queen and she was telling me I was already doing good with my modeling in my fashion class.

I think that being a title holder would be so fun! The title isn't only about fun, It's about responsibility. I would have to speak in front of people, smile even when I'm tired, and always be respectful. I would get to go to different rodeos, meet new friends, and share why I love my horse life so much. That sounds really fun, but also important.

I am excited to learn all the things about becoming a title holder. I know that I will have lots to learn and I am excited to do that. I am sure the older girls will teach me so much.

I want to be a rodeo queen because I think it would be fun. I think I would be a good rodeo queen because I am kind, careful, helpful, considerate, funny, friendly, and caring. I love riding my horse Roany and I would be very good at it and I really want to wear fancy outfits. I want to help others love the sport of Rodeo as much as I do.

I would like to be a Hesperia Wranglers title holder because I love being part of my community and helping others. I am really eager to get more involved in my community and be around people who care about the same things I do. I think it would be really fun to represent the Wranglers and cheer for them at events. I like making people smile and feel happy.

Being around horses is a wonderful bonus for me because I love them so much. I enjoy meeting new people, going to new places, and showing others what I'm passionate about. Rodeo has always been a big part of my life, and I want to keep that going and share it with others.

If I were a title holder, I would be kind, respectful, and always try my best. I want to be a positive role model for girls my age and lead by example.

Honestly, what's not to love? The hats, the boots, the chaps, and being on a horse is amazing!

I want to be a rodeo queen so I can be a positive influence on younger up and coming riders who may not have the courage to step out of their comfort zone and try new things. When I was a Hesperia Wranglers Sweetheart 3 years ago, I had the best time with my mommy traveling all over to go to rodeos and being able to represent the Hesperia Wranglers.

I also love making new friends with people that love rodeo just as much as I do.

I want to be Petite Miss Rodeo for the Hesperia Wranglers because I really, really love horses and rodeos! When I watch the cowboys and cowgirls ride, it makes my heart feel happy and excited. I like how everyone cheers and smiles, and I want to be part of that too.

If I am Petite Miss Rodeo, I can wear beautiful outfits and cowboy hats, and I can wave to the crowd from my horse, Dolly. It sounds exciting! I also want to help people learn how fun and special rodeo is, and how much we should love and take care of animals.

I am kind, I listen, and I always try my best. I would be a good helper and a good friend to everyone. I want to make people smile and feel happy when they see me.

Being Petite Miss Rodeo would be like a dream come true, and I would do my very best every single day!

Sincerely, Hailey Jimerson

2025 Hesperia Wranglers Sweetheart

Sophia Alcalá-Dominguez

I had the best time being your Sweetheart Rodeo Queen. I loved getting to wear my pretty dresses and boots and wave at everybody. It made me feel so happy and special. Thank you to aunt Tonii and Grandma D for always making me look so fancy and pretty. I loved all the sparkles and getting all dressed up.

I had so much fun this year and made lots of happy memories & great friends. I am a little sad to give my crown away, but I know the next little girl will love it too. Thank you for loving me and cheering for me mom & dad. I will always remember being your Sweetheart Rodeo Queen 2025!

Dear Hesperia Wranglers,
Thank you so much for the opportunity to be your Hesperia Wranglers Sweetheart. This opportunity has helped me grow in many ways. From my horsemanship, to public speaking, "pretty feet" and finding courage in new environments, I am proud of all that I have learned. I will cherish the memories I've made with my horse, new friends - and the ability to make other kids smile at our shows when I got to pass out prizes! Thank you to Ms. Tonii & Grandma D for always making me feel like a princess when I'd get to wear those beautiful outfits. I'm looking forward to this next year where I will be working hard at becoming the best cowgirl I can be - in hopes of being a part of the Hesperia Wranglers Queen & Court again one day!
To all the new girls, go get em!
Love, ACE
