**Communication from the floor:**

- Tim did an oil change on the tractor today and there were shavings of steel in the oil. We will need to do more maintenance on the tractor which will come out of business expense.
- Tim & Bill will begin prepping the arena on Friday for the race on Saturday.
- Carol- we are a WCBRA co-sanctioned race for our "sweethearts" race, and we will need to collect \$5 from their members- after further review of their paperwork we need to collect the \$5 WCBRA fee for anyone riding in the race. In addition, Carol went to a small gymkhana in Banning and they might be bringing some of there students up to ride with us.
- Tonii- requested that we reimburse her credit card for our website renewal in the amount of \$231.04 (this falls under general business expense)
- Quannah- with the status of our tractor are we going to purchase or rent a tractor on a regular basis. Bill indicated that he has access to a tractor for \$40 per day plus fuel and if we continue to maintain our tractor it should last us for a few more years.
- Elizabeth- asked if it is ok to email their membership & Tonii indicated that it is ok.
