Motion to treasurer's report as read: Motion made by Tonii & 2nd Diane-M/C

Communications:

- We received both of our checking account statements and our bank is no longer DCB it is now Flagstar.
- We received our first William Kinnard Scholarship application from an Oak Hills student.

Trail Ride:

- Carol has our first ride of the year scheduled for March 16th from Mojave Forks, sign-ups will be at 9am and ride at 10am with lunch being \$5 for members & \$10 for non-members.

Queens:

- We have received several applications so far, 1 Sweetheart, 1 Petite, 1 Young and 1 Miss.
- Our applications are posted on our Hesperia Wranglers website (hesperiawranglers.org) and our deadline this year is April 24th and our orientation will be on Saturday, April 27th.
- We do have some of our 2024 Queen Calendars left if anyone is interested in purchasing one.

Old Business:

- Ribbons were ordered and we need to reimburse Tim's "Discover" card \$734.00 for that.
- Fingerprinting- those that need to be fingerprinted will need to contact the park to schedule their fingerprinting to be done at (760) 244-5488 x125.
- Our By-Laws will be updated with the definitions and the new verbiage for the board of directors.

New Business:

- Our first show is on this next Saturday, March 9th, sign-ups will be at 8am and ride at 9am. We will have our first riders meeting before we kick off the day.
- Barn Bash- we need a headcount for those attending this year's Barn Bash as we did send our sponsorships from the queens and the club which each received four dinners with that so we need to have an accurate count in order to determine if anyone needs to pay for their meals. Tonii was able to say that Charlie, Kayleigh and Braylie were planning on attending for the queens.

Closed Session

- Tim was glad to report that all new and/or renewal memberships received were approved.

Comments from the floor:

- Frankie- working on a roping as another way to benefit the club, unfortunately will not be able to attend the first show this season as he's already entered in a roping.
- Lizz- wanted to double check that Braylie is still eligible to ride Lead Line this year as her horse is crossing the rainbow bridge and will need to get a new horse. Tonii confirmed that since Braylie is in fact only five, she still is eligible for Lead Line as it is for seven & under.
- Carol- explained that the reason people move around on the screen during a ZOOM meeting is because it is based on the amount of talking someone does.
- Summer- indicated that she would be out of town for the trail ride on the 16th and wouldn't be able to be the "drag rider" so Lizz agreed to step in and cover that for Carol.
- Tonii- spoke about the new t-shirt design that she and Kerri have been working on and showed our "sample" of sorts, the goal is to have a pole bender, a flag girl, a barrel racer and a male trail rider so that the shirt encompasses most of what we do.
- Tim- we are going to all have to get back in the swing of things for the upcoming show and we will need to go over our "work hour" work sheet and figure out what needs to be changed, what works and what doesn't.
