**Queens: Lexus**

- I think our new court did a great job with our first official "Opening Ceremonies".

- Lexus reminded all of the queens that their photo shoot is on Saturday at Mojave Narrows.

#### **New Business:**

- **First show-**great turnout for our first show. Remember that when your class/age group is called you need to be at the gate as we will be enforcing the gate call rule.
- **Show rules-** everyone needs to sign that they are responsible for reviewing the rules, remember no spectators on the fence line in the warmup area, no running in or out of the gate, etc.
- **Work Hours-** It's each riders responsibility to sign up for work hours as the book is on the table.
- **Complaints-** Please direct them to Tim.

#### **Communications from the floor:**

- Alucard- seasoned riders should be assisting newcomers so they know the flow of things.
- Tammie- can we move the class diagrams and a "day sheet" to the gate as well as the order of classes.
- Carol- can we call all rider names on the first event so everyone knows who they follow. Also, we need to remind folks that they need to be mindful about smoking.
- Summer- Lead Line parents asked if they can help "set up" early for their work hours.
- Tim- it was suggested that maybe we split the arena in half to help Lead Line go a little faster since there are so many of them.
- Dawn- maybe we need to line up all lead liners in the arena to save time.
- Jaidyn- maybe only have five lead liners at a time because that's too many at one time.
- Lexi- having all of the lead liners in the arena is too much when you have multiple lead line riders.
- Laura- splitting the arena in half sounds like a good idea.
- Quannah and Lexi- both requested that we get more food since we ran out.

**Adjourn:** Motion to Adjourn at 8:03pm 1st Diane and 2nd Tonii-M/C
