Hesperia Wranglers, Inc.

68th Year

Promoting Family Horsemanship For 68 Years

The Hesperia Wranglers is a family club incorporated in 1958, in Hesperia, California.

The intent and purpose of the organization is to:

Provide for the promotion of horsemanship for the persons residing in Hesperia and the surrounding areas. Promote athletic events in which the use of horse and horsemanship are required. Make available all types and forms of service, organizations or otherwise as may be found from time to time needful, useful or beneficial to the general public.

A Letter from your President

I'd like to congratulate all four of our William Kinnard Scholarship recipients this year Lyndsie Rodriguez, Ruby Quintana, Samantha Reynolds and Mia Fogelman...these young folks were standout candidates in the applications that we received this year. It is an honor to continue the legacy that was put into place in 1968 to keep William's memory alive and we continue to ensure that the proceeds from our May show go into our scholarship fund. I know that thank you isn't truly enough, but I still want to thank everyone that came out for our William Kinnard Memorial Scholarship show. I'd like thank our newly formed Hesperia Wranglers Flag Team and our 2025 Hesperia Wranglers Rodeo Queens court for presenting all of our flags so well at the William Kinnard Memorial Scholarship show.

It is a humbling experience each year to get to honor and pay tribute to "Bill" at our May show as well as to be able to place an American Flag at his final resting place each year. We all need to remember that our flag doesn't fly because the wind moves it but because of the last breath of each soldier that has died protecting it.

Once again I's like to thank our 2025 Hesperia Wranglers Rodeo Queens court for representing us this last year, it's been a true pleasure watching each of them grow in their own way, and they have definitely made this organization very proud. They will represent us one last time at this month's show as we get ready for our upcoming pageant on June 27th and 28th where we will crown a new Hesperia Wranglers Rodeo Queen and her court, so be sure to come out and support these young ladies.

One final reminder...we start our **summer hours this month so we sign-up at 7am & ride at 8am.**

Tim Mustaikis– 2026 President

**We want to encourage everyone to support our 2026

Hesperia Wranglers Queens

May was a busy and exciting month for the Hesperia Wranglers Rodeo Queens!

We kicked off the month at our monthly Gymkhana show, where riders and horses showcased their hard work, determination, and sportsmanship. As always, it was wonderful to spend time with our members and cheer on all the competitors.

Later in the month, we were honored to represent the Hesperia Wranglers at the Yucaipa Rodeo. We had an amazing time meeting fellow rodeo royalty, supporting the contestants, and celebrating the western way of life. Thank you to the Yucaipa Rodeo Committee for their hospitality and for allowing us to be part of such a fantastic event.

We also hosted our annual Queen Clinic, which was a tremendous success. It was exciting to see so many young ladies interested in rodeo queening and eager to learn more about the opportunities, responsibilities, and experiences that come with representing our organization. We look forward to seeing what the future holds for these aspiring queens.

To close out the month, we had the privilege of representing the Hesperia Wranglers at Senior Awards Nights for two local high schools. We were proud to present scholarships to deserving students and celebrate their hard work, dedication, and accomplishments. Supporting local youth and helping them pursue their future goals is something we are incredibly proud to be a part of.

As we look ahead to the summer, we are grateful for the opportunities to serve our community, promote western heritage, and represent the Hesperia Wranglers. Thank you to everyone who continues to support our organization and the Rodeo Queen Program!

Until next month,

Long Live Cowgirls-Krystal
