Motion to treasurer's report as read: Motion made by Tonii & 2nd Sharvel-M/C

Communications:

- We received 12 scholarship applications this year and the scholarship committee will be getting together soon to select our recipients for this year and then we will need to have a short "special meeting" of the board to approve our selected recipients so that we can contact the schools. We do have several students that have both agriculture background and goals. Tonii will actually go to the post office one more time to ensure that we have all of the scholarships that we received prior to or on our deadline of April 1st.

Trail Ride:

- We had our first trail ride earlier today with 17 riders and there were lots of fun adventures and entertainment. We were all also treated to a good lunch cooked by Tim.

Chuck Wagon:

- It was requested that we add root beer to our list of sodas and more hot dogs. We spent \$214 & had \$359 in sales for \$165 in profits for the March show.

Queens:

- Our application deadline is April 24th and our orientation will be on Saturday, April 27th @11 am.
- We have ordered our Queen & junior saddles and we truly appreciate Victorville Motors for sponsoring them both. Tonii requested that the club pay for the Queen's tripping collar as it is continuous advertisement for the club. We are working on getting everything else sponsored.

Old Business:

- Fingerprinting- those that need to be fingerprinted will need to contact the park to schedule their fingerprinting to be done at (760) 244-5488 x125.
- Our By-Laws have been updated with the definitions and the new verbiage for the board of directors.

New Business:

- Tim has been asked to attend the Park Board meeting regarding the water situation.
- It was suggested by Quannah and Jan that we stop taking entries around 8:30 & 8:45 so that we can get the show started on time. It was suggested that we determine specific items that we want discussed this month at the "riders meeting" and that Tim & Scott conduct it.
- We need to work on tweaking the work hour sheet so that it works for everyone-Carol and Tonii will try to rework the sheet from last year.
- Rodeo- we need to start thinking about volunteers & if anyone can think of anyone wanting to sponsor the club or the rodeo, that would be helpful. James asked for Quannah & Summer to work the "beer" tent in the vip/sponsor area and both agreed so long as they work alone together.

Closed Session

- Tim was glad to report that all new and/or renewal memberships received were approved.

Comments from the floor:

- Carol- it was a great day, but at this point she's just too tired to comment.
- Tonii- thank you to Quannah for coming and working so hard to help me to ensure that the young ladies that reached out regarding queening.
