| Kinnard: \$ 6,931.38 | \$ 0.00 | \$.63(interest) | \$ 6,932.01 |

Total assets: \$36,075.08

Motion to approve treasurer's Report -Diane 1st and Virginia 2nd - M/C

Communications:

- We received our post office box annual renewal of \$234.00.

Trail Ride: Carol

- We are thinking about either March 21st or March 22nd at Mojave Forks. There have been some changes to the “forks” as they are now changing the gate code weekly to help eliminate all of the random folks from being there that don’t have any real business being there, throwing their trash around and leaving the gate open.

Queens: Tonii

- The girls did a great job decorating our float, we appreciate all of large float items that Krystal brought; from her 8-foot-tall Santa Claus to her life size reindeer. It was a fantastic float, with our Miss-Krystal, Jr. Miss-Alyssa, Young Miss-Ashlyn and Petite Miss-Annabelle, along with one Lead Liner, Hailey and Annabelle’s younger brother Ezequiel. It was disappointing that we were asked about not riding horses at the November general meeting and we moved forward with that, yet we only had 2 members that rode on the float that weren’t queens.
- We still have our 2026 Queen’s Calendars on sale for the reasonable price of \$5 each and they make great stocking stuffers and they have all of our show dates & general meeting dates in them. The girls have been so busy selling the calendars that we need to order more as we don’t even have enough for Victorville Motors at this time.
- The Hesperia Christmas Tree Lighting is this coming Saturday, December 13th and Tim and Tonii received an official invite this year via email.

- The jackets for the Queen's have been received so Tonii will be working on the embroidery design update so that she can get them all embroidered.
- We will be looking at dates for our 2nd Annual Queen's Cattle Drive Fundraiser since it was such a hit this past spring and we will also be looking at dates for our annual clinic which we are revising a little bit more to involve our stock contractors so that our attendees and our queens are even more aware of how to promote the sport in the best light possible.

Old Business: Tim

- None at this time.

New Business: Tim

- Awards Banquet- we will be at Quail Valley Middle School again this year on February 7th. We will have arrivals begin at 10:00 am, eat at 11:00am and start the awards at noon. Ana, Carol, Sharvel & Tonii have been busy ordering awards and are down to the last 6 or 7 individuals and we can consider the awards a wrap and we can move onto our food and decorations. Tim is will be speaking with Serrano FFA to see if they might be interested in catering our banquet this year, which we are hoping will encourage more of our FFA members to apply for our scholarship in the Spring.
- We placed a ribbon order with McLaughlin Ribbons so that our ribbons for next year are here the end of this month which came to \$1,270.00 for 525 ribbons. This amount will need to be reimbursed to Tim's credit card.
- We will be having another "flag team" tryout for those of our folks that weren't able to make the first tryout and this way they can become members the beginning of the year. This will also ensure that everyone has the opportunity to become a member and is eligible to represent us at different events.
- Rockin' BM barrel race-Makayla sent a proposal to continue our combined efforts bringing barrel races to our local area. The proposal requested to have races in March, April, May, June, October and November and avoid our two hottest months of July & August. They also suggested that they drop the Novice class and offer a Hesperia Wranglers "members only" side pot to hopefully encourage more members to attend. They also indicated that they would possibly be making some changes to the layout to better serve the riders. Virginia made the motion to move forward with continuing these Rocking BM barrel races with clarification as to what the "changes" to the layout would be & Tonii 2nd the motion- M/C.
- We have incurred postage expenses for mailing our large checks for awards "priority" so as to ensure that we have tracking on these checks (\$50.50) & Tonii has paid them along with purchasing some raffle & silent auction (\$51.92) items totaling \$111.42. Quannah made the motion to reimburse Tonii and Virginia 2nd the motion- M/C.

Closed session: N/A

•

Comments from the Floor:

- Carol- suggested that if we cannot get more commitment for our trail rides and parades then maybe we don't spend the money or time organizing them. It has been suggested that we utilize a pay in advance system for our trail rides so that we aren't continuing to lose money.

Motion to adjourn the meeting @ 7:07 Quannah 1st & Virginia 2nd – M/C
