A Letter from your President

Well we are looking at another Hot one for this weekend. Last months show was expected to be around 101/108, with the boards plan to start even a little earlier and some luck from the weather, we were able to get done before the hi-temp of the day. We had a great turn out and everything went smooth. I want to thank everyone who did their work hours and helped out during the heat of the day. We need to remember to be at the gate when our class is called so that you can get into the arena and we can move along during these hot summer days. Which brings up another point, with the heat we are experiencing I want to remind everyone to drink plenty of water and to water your animal athletes after each and every event and remember to get off your horse and let them rest in between.

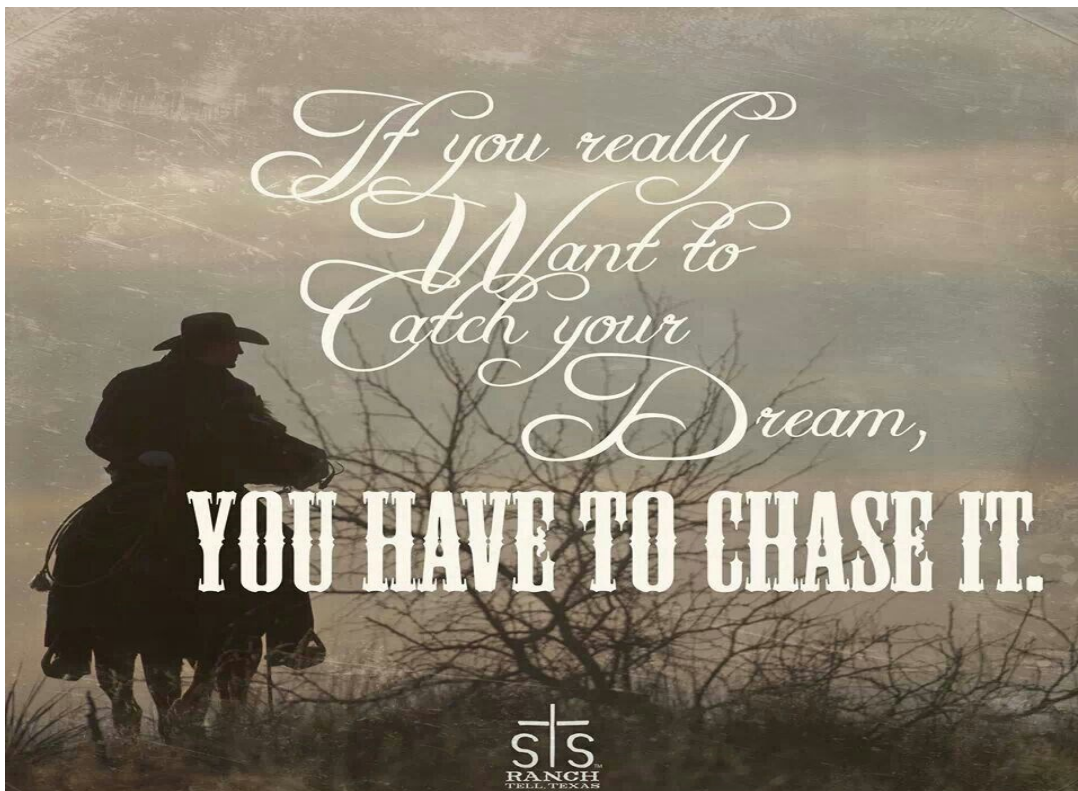

I would also like to welcome our new Miss Hesperia Wranglers Rodeo Queen, Leanne Domingo and her court and congratulate all of the contestants on a great job. I heard that the point spread between several of the girls was very narrow. I'd like to thank Leanne for already doing a great job in representing us at the Tehachapi "Bad Bulls" event on the 4th of July. I know this group of girls are going to have a great year and they have already been very busy and their event calendar is filling up fast.

Don't forget that Hesperia Days, the Hesperia Days Parade and the Hesperia Days Rodeo is quickly approaching and we need to know who will be riding their horse in the parade and who would like to ride in the wagon representing the club also. Please reach out to us either at the show, email or message the club's facebook page.

Please remember the importance of volunteering, not only for this event, but also at each show. Each of us are volunteers with this organization and it does take all of us to put on each event that we are a part of, so please remember that we all have to work together.

Thank you,

Tim Mustaikis– 2024 President
