**Communications: Tonii**

**Chuck Wagon: Tim**

- show; expenses \$182.70, sales \$300 with a profit of \$117.30 & the barrel race; expenses \$171.00 with sales of \$352 with a profit of \$181.00. We want to thank Diane, Katrina, Virginia and Amanda for their hard work on Saturday as they sold out by about 11:30 & then on Sunday Tim, Kerri and Tonii sold out at about noon.

**Trail Ride: Carol**

- We had our "Spring" trail ride at Mojave River Forks. There were 18 riders, and we received good feedback about the ride and the food. We will be looking at dates for our "summer" trail ride.

**Queens: Tonii**

- Our Queen's "Cattle Drive" was a success raising over \$700.00 after we reimbursed Tim for a portion of the food. We have received so much positive feedback with folks asking us to do it again. We are slowly receiving photos from the photography class that also joined us and supported the girls and Tonii is creating an album on our facebook page.
- Leanne, Lilly and Kailynn all attended the Colorado River Round Up Rodeo in Needles on Friday and Saturday. They all looked great and did a great job representing us and as an added plus Lilly brought home the Jr. Barrels Championship buckle.
- Our queen applications are open through April 28th and we currently have one Petite and one junior application that have been turned in.

**Old Business: Tim**

- Membership packets are available on the website- Family is \$50 for the first five people & \$10 for each additional- Individual is \$40-please return the membership form with your Code of Conduct.
- Complaints- Please direct them to Tim.

**New Business: Tim**

- **Recap of the most recent show-**  
**Tim-** we had a great turnout with over 50 entries. We did however, have a couple of riders that pushed the 1-minute gate call & the 1-minute time limit to start their pattern. Please remember that these are both rules & they will be enforced. With the weather getting warmer so we will need to stay on track. We also need to remember that we do not have an alley way so there is no trotting or loping anywhere other than the arena or warmup area.
- Recap of the first barrel race with Rockin BM  
**Bob-** for the barrel race the day after our show was great as there are so many people starving for barrel races that are more local, which is a good thing.  
**Makayla-** there will possibly be more with the barrel races such as buckle series, added money, more awards, etc. as they grow
