Hesperia Wranglers Update: Due to Governor Newsom's directive regarding COVID19 and social distancing, we have decided to cancel the membership meeting for this month. All current members in good standing will receive credit for the meeting this week.

In addition, a decision has been made to postpone our first gymkhana until next month. As you know the show was canceled last Saturday due to inclement weather and unsafe arena conditions. We had considered postponing the show until March 22nd. However, we may have a lot of rain this week and we want to make sure we are practicing social distancing. Therefore, the April gymkhana will be a double-point, double fees show.

We are still planning on holding our trail ride on the 28th of this month, as it is much easier to maintain social distancing on a trail ride than it is at a show or during a meeting.

Keep in mind that the Centers for Disease Control and Prevention (CDC) recommended avoiding social gatherings, particularly those of 50 or more.

Thank you so much for your understanding in this matter.
