Communications:

- We received eight scholarship applications, but Tonii will go to the post office on Monday since she hasn't had the chance to get there this week. Tonii also suggested that we change our due date to April 15th moving forward since some school districts hold their applications & send them all at once.

Queens: Tonii

- We've received five applications for this year's pageant- 1 Sweetheart, 1 Petite, 1 Junior & 2 Miss
- We have finalized our stock contractor Shannon Finch for Saturday of our queen clinic so that our contestants and our queens are better able to speak about the sport of rodeo & working on the remaining clinicians.
- Krystal is attending the Needles Rodeo on April 3rd & 4th
- An applicant requested bump up and the queen committee has no issues with allowing this as the applicant is close to the age of the next category.

Old Business: Tim

- Leanne & Krystal still need to be fingerprinted for their board positions.

New Business: Tim

- **Upcoming show-** will be a double point/double fees show since we had to cancel our March show. We will be at the Pioneer Equestrian Center, and we will need to make sure that everyone is mindful when parking, you'll need to come in the gate and follow the driveway to the right, past the house towards the back of the property & park in an orderly fashion. Please make sure that you are cleaning up after yourselves and ensuring that we leave the facility as clean as we found it. Pioneer Equestrian Center has its own waiver that we will need to make a fillable

pdf that will be uploaded to our website and will need to be turned in with your entry forms. The easiest ways to get to the facility will be to either take Main St to Choiceana and go north following it all the way until you come to the facility as the actual address takes you across from them as the wash has made Talisman unusable to enter the facility. You can also take Main St. to E avenue and go North, then go East on Lemon until you come to Choiceana and go North following Choiceana until you arrive at the facility.

- **Snack shack-** Kristen Weston, one of Pioneer Equestrian Centers boarders will have a snack shack at the show but will need to pack up by 2pm. She will be offering sourdough bread, cookies, muffins, chips, juice, water and sodas.
- **Tractor update-**the hydraulic pump is out to see if it can be rebuilt and Tim is willing to wait to be reimbursed until we find out where the tractor actually stands for use.
- **Hesperia Lake-** still has no update as of this time as to when we can expect to be back at the Val Shearer Arena. We want to encourage everyone to continue to attend the Hesperia Recreation and Park Board meetings to let them know that we are here and we need to know what is going on.

Closed session: began @ 6:49 pm and ended @ 6:56

- Tim was pleased to report that all new/renewal memberships received were approved.
- Summer Collins has been moved up to fill the vacancy on the board and Daryl Finch was moved into the open alternate position.

Comments from the Floor:

- Carol- if you haven't seen the work that Tim has been doing at the Pioneer Equestrian Center it is absolutely amazing. He has been working his tail off on the platform for the announcer's area. If you don't think that this President works his tail end off you haven't seen this man, go. We all need to be thankful for the work that he puts into this club because nobody else in the whole dang world would do this & she just wanted to put it out there for everyone.
- Carol- can we send out our 2026 Show Rules as she was contacted by an individual asking to have two children share the same horse & she reminded them that sharing horses can only occur when you have a Lead Liner and a Lil Wrangler. Tonii let Carol know that she will send out the show rules via email this evening following the meeting.
- Tonii asked that Quannah share her exciting news with everyone- has been promoted to the Manager of the Phelan Starbucks store.
- Summer- John will be at this show with the kids by himself as she isn't going to be able to so please help him watch over their kiddos at this show.

Motion to adjourn the meeting @ 7:10 Quannah 1st Carol 2nd- M/C
