A Letter from your President

I want to thank everyone who did their work hours and helped out during the heat of the day for our June show. We need to remember to be at the gate when our class is called so that you can get into the arena and we can move along during these hot summer days. Which brings up another point, with the heat we are experiencing I want to remind everyone to drink plenty of water and to water your animal athletes after each and every event and remember to get off your horse and let them rest in between events.

I would also like to welcome our new Hesperia Wranglers Rodeo Queen, Krystal Morales and her court and congratulate all of the contestants on a great job. I heard that the point spread between several of the girls was very narrow.

Please remember the importance of volunteering, not only for this event, but also at each show. Each of us are volunteers with this organization and it does take all of us to put on each event that we are a part of, so please remember that we all have to work together.

Keep in mind that all sponsorships for riders competing for year end awards is due no later than this upcoming show on July 12th. Don't forget that early entries open on Monday, July 7th & close on Friday, July 11th at noon...keep in mind that pre-entries help us get the day started faster as everyone is in the computer already, so we encourage y'all to take advantage of getting entered early.

One final reminder that we **summer hours through September, so we sign-up at 7am & ride at 8am.**

Thank you– have a safe & Happy 4th of July,
Tim Mustaikis– 2025 President

Hesperia Wranglers Queens

What an incredible pageant we had over the weekend of June 21st & 22nd...we had eight very talented young ladies competing for five different titles. I can honestly say these young ladies all brought their toughest skills to horsemanship, their interviews, modeling and the speeches that these girls gave were just outstanding. I have said many times that I didn't envy the judges at a pageant but this year I was beyond impressed with the skill level of these contestants because this group of girls were tough competitors. I would like to express my most sincere appreciation to our 2025 Queen Committee and everyone that helped put everything together for this year's pageant, our contestant's families and our 2024 Queen's Court and families as they all worked extremely hard to represent us over the last year and are leaving a very large set of boots to fill. Last but certainly not least, of course Tim for all of his continued support of these girls and his supreme culinary skills as the luncheon he prepared was once again spectacular. Keep watching here for our official pictures from our photographer, Terri Nielsen, and on our social media because I expect that Krystal and her court are going to be very busy real soon.

We'd also like to send a shout out to our 1990 Hesperia Wranglers Rodeo Queen, Lorinda Graham-VanNewkirk for giving back and sending all of our contestants a pair of Lucky Chuck Socks. Please make sure that if y'all are in need of anything be sure to check out our sponsors on the next page.

Until next time... may your boots be dirty, your hair messy and your eyes sparkling-Tonii
