A Letter from your President

What an incredible way to kick off our 2025 show season...we had beautiful weather, it was nice to see so many of our returning members and also quite a few new folks. I am thankful for those folks that worked hard to ensure that we kept things moving by jumping in and helping wherever we needed them. I'd also like to say thank you to everyone that helped us get things packed up so that we could get to Barn Bash and support our agricultural youth and the San Bernardino County Fair junior livestock areas, and it's important to us to support all of our members as we do have several of our folks who raise and show other livestock, not just horses.

Don't forget that memberships are still available; individual for those that are 18 & over are \$40 & Family (everyone must reside in the same home) are \$50 for the first five in your household and \$10 per each additional. Keep in mind that if you submit your membership at the show you need to attend the general meeting following that show in order for your points to count. If you are submitting your membership form via email, please ensure that you send it over as a scan or pdf along with your signed code of conduct.

I'd like to thank everyone that came out and enjoyed our first Hesperia Wranglers Queen's "Cattle Drive" fundraiser. I honestly enjoyed listening to everyone talking about how much fun they had, from those that rode to the photography class and I also appreciated all of the compliments on the luncheon. Please remember the Hesperia Wranglers Rodeo Queens Court, applications are available, the final deadline is April 28th & you can contact Tonii via the Hesperia Wranglers Queens Facebook page. I can honestly tell you that this group of young ladies has worked really hard at representing our organization this year at numerous events & they are getting ready for a very busy month of April. Keep your eyes open wide as I'm sure they will be posting all sorts of things on their page.

Thank you,
Tim Mustaikis— 2025 President

Hesperia Wranglers Queens

I have to say that this group of girls had an incredible month of March. They kicked off our first show of the 2025 season beautifully, even with a couple of slight hiccups but with that said, even that didn't stop these young ladies from keeping a smile on their faces all while managing to "cowgirl up". They worked hard all day riding ,announcing and cheering each other on and then made a quick trip home to get the dust off so they could represent us at Barn Bash. I can't begin to tell y'all just how proud they made all of us as they did an outstanding job as they worked the crowd to increase the bids on the many live auction items to raise money for the junior livestock area of the San Bernardino County Fairgrounds.

We would like to give a huge "Thank You" to Lee Graham and Katrina Warman for allowing us to have our first fundraiser of the year at the historic Kemper Campbell Ranch. Our "cattle drive" was not only a success but it was an exhilarating day spent with so many wonderful folks as we had the opportunity to move the cattle from the ranch over to Mojave Narrows and then we also moved some horses from one pasture to another. We finished the day with a true ranch meal of smoked brisket, ranch style beans with pulled pork, cheesy potatoes and salad and we want to thank our President Tim Mustaikis for his culinary skills in preparing this great meal. We need to also thank Lee and Katrina and Tim for their donations of the food items and John King for bringing his photography class, I for one am so excited to see all of the pictures.

Keep watching for where these young ladies will turn up next as they have a very busy month of April on the way.

Tonii -Until next time... may your boots be dirty, your hair messy and your eyes sparkling.
