Communications:

- We received our bank statements.

Trail Ride: Carol

- We had a great turnout with 40 riders. There are some things that we do need to work on though;
 1. We need to streamline & improve the way we rsvp for both riders and non-riders, maybe with a Google doc that expires after our rsvp by date.
 2. Ensure that everyone is aware of our trail ride rules and that we follow them as well.
 3. Look at increasing our fees next year, possibly with \$10 for members & \$15 for non-members.
 4. We need to remind people that they get one drink with the cost of their lunch and if they want additional drinks they can be purchased for an additional fee.

Queens: Tonii

- Our newly crowned Miss-Krystal, Petite Miss-Annabelle and two of our Sweethearts, Sophia & Ace did a great job with their first opening ceremonies and we look forward to working on improving and having the entire court. Due to our having triple digit heat this coming weekend we will not have opening ceremonies like we did last year to further try to avoid the heat.
- Thank you to our Miss- Krystal for stopping in on her way to work and to our Sweetheart Ace for being able to stop in as well to the "Coffee with a Cop" at the Phelan Starbucks.

- We have been invited to the Tehachapi Rodeo August 15-17 which includes a parade on the 16th. They won't have the October rodeo this year and have extended this rodeo to three performances.
- We have also been asked who can attend the National Night Out event on August 5th and the Wild West intergenerational dinner on August 21st, so I'll be putting together who will be able to attend.

Old Business: Tim

- We still need to have a couple of our board members to be fingerprinted.

New Business: Tim

- Hesperia Days Parade- we need to put together a list of riders that want to ride, those that are available to carry flags, Tonii will ask Leanne to carry the American flag and we will work on getting the list of rodeo sponsor flags that we need to carry.
- Sponsorships are due at this show- Tonii will post the list of sponsored riders that we currently have and remind everyone via social media to get their sponsorships in.
- Tonii- By Laws – discussion only at this time Tonii brought the idea to the board about combining the Secretary and Corresponding Secretary positions. In the past the Corresponding Secretary had to communicate with all newspaper publications and the media being local television & radio & these virtually no longer exist. Summer agreed as it is kind of like two people trying to mash things together. We will make it an action item at our September Board meeting and put the formal verbiage together to send to the membership before September 15th & discuss it at the September 17th General meeting so it can then be voted on at the October General meeting and if it passes then it will be one position when we have Elections at the November General meeting.
