-Pageant Judging Guidelines by Category-

Appearance

1. Attractiveness with self-confidence.
2. Grooming: This should include neatness and cleanliness in every detail including complexion, hands, fingernails, hair, hat, boots, and other wearing apparel. Meticulous care in general grooming is essential for a girl to be considered.
3. Photogenic Quality: Judges will conduct a review of a single 8"x10" photo that the Contestant will have submitted with her entry.
4. Posture: How a Contestant carries herself is very important. The Judges will be looking for Contestants to carry themselves straight and tall and exude self-confidence and poise.
5. Poise and ladylike behavior in every situation: Judges will be looking for Contestants to handle each situation in which they are involved with grace and style. Judges will also be looking for Contestants to have a substantial knowledge of proper etiquette.
6. Western Fashion Sense: Contestants should pick outfits that reflect fashionable and tasteful western clothing. Judges will be paying particular attention to Contestant's ability to use colors to enhance her natural coloring, appearance and eye appeal.
7. Proper fit of clothing: Contestants should pay particular attention to the fit of their outfits. Outfits should be figure flattering and altered to fit her personally. Judges will be looking for a properly fitting hat that is shaped to flatter the Contestants face. Contestants should remember that this is not a clothing contest. It is not necessary to invest an excessive amount of money in clothing. Judges will be looking for versatility and imagination and a Contestant's ability to carry out a "total look".

Pageant Judges

Amy Turley-Brown

Amy is no stranger to the pageant and equine world. She resides in the little community of Norco, California where there are more horses than people. Amy married her High School sweetheart and lives with her husband of 28 years. Together they have a daughter and son along with several horses and dogs.

Amy has multiple jobs. In her personal life, she's a coach, nurse, driver, groomer, hairdresser, fashion coordinator to name a few. She has been involved with horses since her daughter was 4 years old. She figured it was a phase and would pass. That was almost 20 years ago. Both her kids were active in rodeo. She is a mother of a rodeo title holder, and her son was a bull rider. She has spent many hours in an arena supporting not only her children, but other kids too. Currently, her daughter travels throughout the country competing in Mounted Shooting so she is her travel partner. Together, they have traveled several thousand miles hauling horses and creating memories.

In her professional life, Amy has spent over 3 decades helping entrepreneurs increase their business through referral marketing. She works for a Global Organization that has over 300,000 business professionals and is an accomplished speaker on an international stage.

Although her kids no longer participate in rodeos, she continues to support her community by participating with rodeos lending a hand behind the gates. Although she is no longer active on Queen Committee for Hesperia Wranglers, she is still in touch with the board and is up to date with the activities.

Amy is passionate about being spontaneous and loves to travel. You'll find her spending time along the Colorado River enjoying water sports or in Montana. She is always with her family.

Amy's words of wisdom to all contestants, have fun. Enjoy this journey and be yourself. Let the adventure begin.

Haley Brown

A Norco California, also known as Horsetown USA, is where Haley Brown resides with her 4 horses and 3 dogs. She moved to Norco in 2011 and is a graduate of Norco High School. Haley began riding horses at the age of 4 and never looked back. She was active with Pacific Coast Junior Bull Riders, a youth bull riding organization located in Norco. She opened each rodeo by presenting the American Flag. It was through this organization, she learned how to handle rough stock. She's had the opportunity to work closely with pro stock contractors.

In 2015 Haley competed and won the title of Jr. Miss Rodeo Norco Horseweek. Then in 2016, Haley competed and won the title of Miss Rodeo Norco Horseweek. In 2017, Haley completed and won the title of Miss Hesperia Wranglers. She was fortunate enough to participate in rodeos throughout California with her horse, Skeeter. She had the privilege and opportunity to ride in the Hollywood Christmas parade and the Rose parade.

During her time as Miss Rodeo Norco Horseweek, she presented our Nations colors during a Mounted Shooting event in Delmar. In 2018, as her time as Miss Hesperia Wranglers was coming to an end, her Mounted Shooting journey began with Silver Dollar Ranch, Kenny Lawson. She has professionally competed throughout the country, including World Finals in Amarillo, Texas. She is passionate about the sport and continues to compete with her horse Poco.

In 2020, Haley lived and work on a Cow / Calf operation in Montana. She worked throughout the state for 2 years working on different ranches. It was an experience of a lifetime.

Today, Haley supports people by exercising and training horses throughout Southern California. She continues to be very active both on Norco's Rodeo Committee and the Norco Horseweek Queen Committee. She works under Performance Horse trainers and still finds time to compete in Mounted Shooting.

In her spare time, you'll find her riding the trails in Norco with her horses. She still travels to Montana to spend time with family and friends.

Even though she no longer wears a crown, she believes, "Once a queen, always a queen." She is a true ambassador for the sport of rodeo. She wants to encourage young ladies to get out and follow their dreams. It's her mission to give back to those who are running for a title.

To all contestants, best of luck and you will be amazing. Haley would like to remind all the contestants to take a deep breath, smile, enjoy the moment, and most importantly, be yourself. Congratulations to the 2023 Miss Hesperia Wranglers and her court. Happy Trails!

2022 Miss Hesperia Wranglers

Sydney Webb

As this year's reign as queen comes to an end, the memories I've made throughout this journey also do. It's been an amazing, wonderful, blessing in my life to represent Hesperia Wranglers as their 2022-2023 queen. I've made the memories of a lifetime and friends in every new place I attended. I'm very thankful for everything the Hesperia Wranglers have done for me, not only have I grown within the community but have grown within every city, town, or rodeo I attended. It's very bittersweet to think that all of the fun times I've had with my court are coming to a close but I couldn't have been blessed with a greater group of girls to have by my side throughout this year. Being able to represent as the Hesperia Wranglers Queen at the first Hesperia Days Rodeo in 12 years was truly an honor I will never forget. Carrying the American Flag is something I will always hold as a proud moment to cherish forever.

I'd like to thank Tonii, Grandma D and Tim for everything they've done to help me and everything they've provided for me this year. Tonii taught me so many new things I don't think I will ever be able to forget throughout the rest of my life. I'd also like to thank Terri Nielsen for all the amazing photo shoots and fun times we've had over the course of this year. I'd like to thank Victorville Motors as well, everything they have provided me this year, they have gone above and beyond and I'm so thankful for their partnership with us. Most of all I'd like to thank my mom and grandpa for everything they've done for me. From waking up at 4am to go to a rodeo, helping me put on fake eyelashes, and helping me whenever I need a hand, they are the heart and soul for everything that was accomplished this year. I'm thankful for everyone that has helped me make the best memories as a queen and it's bittersweet to say goodbye. I can't wait to watch the new queen and her court have as much fun as I did!

With love & thankfulness, Sydney.

Miss Contestant - Charlie Cardoza

Hardworking
Confident
Trustworthy

My name is Charlie Cardoza. I have been a member and have been competing in the Hesperia Wranglers club since I was seven. Hesperia Wranglers has represented hard work, dedication, kindness, and family to me. I would love to hold the Miss Hesperia Wranglers title so I can represent the values of Hesperia Wranglers through the rodeo and equine community.

I want to set a good example and be a role-model to our young cowgirls and cowboys, continue to promote the Hesperia Wranglers, horsemanship, and American family values. I want to be a part of keeping the spirit of rodeo alive in Southern California.

I understand by becoming Miss Hesperia Wranglers, people see rodeo queens they expect to see a young woman who has self-confidence, is independent, strong, and has good horsemanship. Sponsors expect to see the rodeo queens represent their brand and uphold their values. I am 17 years old and have the opportunity to represent several businesses and my family values. I work at In-N-Out where I interact with the public on a daily basis. I work at Furworks in Hesperia grooming animals which takes patients and kindness. I work with my family businesses SoCal Mobile Butchering and often on their social media site, and I capitalized on my family's business and started my own business Bovine Bites. Through starting my own business, I continued to learn the value of hard work and the lessons it takes to run my own business.

For all the reasons listed above I think I would be a great Hesperia Wranglers Queen, giving me an opportunity to represent the club, equine community, and rodeo fans.

Charlie Cardoza

2022 Jr. Miss Hesperia Wranglers

Cameron Yates

I don't even know where to start with this goodbye letter, these last two years have been the most exciting times of my life. I have met lots of great people and made so many new friends. Being the Jr. Miss Hesperia Wranglers for 2021 and 2022 has been one of the best decisions I have ever made. Being a queen has helped me develop so much as a person and as a rider. I have been more open and I am not as shy as I once was. My horsemanship skills have improved so much with help with so many people just getting advice from other people on how to handle things. The queen's court has brought me so many funny memories, I am disappointed that we are having to part. I feel that we have had many fun times together, we aren't just a group of girls we are like a family. If one of us falls we all help pick her up. All the people I have met have helped me through my worst times. I can't even say enough thank you's.... Though we might not be together as a court I hope that we all will be able to look back at these memories and bring smiles to each other's faces. I hope each of these girls know how much I love and appreciate them.

Love, Cameron

Junior Miss Contestant- Elizabeth Robinson

Competitive
Confident
Strong

Things in my life are not always great. My Mom lives on the streets, my dad in jail. I used to wonder what was going to happen to me. I've always spent as much time with my grandpa and grandma Holmes as I can. They have horses, dogs, cats, chickens, ducks and geese. I love their way of life, the western way.

They took me to church and introduced me to God, like western people should. Being a cowgirl was all I wanted to do. I took riding lessons, and learned about Gymkhana. My grandparents arranged for me to join the Hesperia Wranglers. I knew at the first competition that I had found my happy place. I became the Young Miss Queen. I fell in love with being a queen. I like being an example to young people like myself who may need a goal and the values of western life. I love the people I meet through the Wranglers. I love telling people about the Wranglers. I want to represent the Wranglers as the Junior Miss Queen, and set the example for our organization and community.

2022 Young Miss Hesperia Wranglers

This year as the Young Miss Hesperia Wrangler Queen has been a whirlwind. When I achieved that title, I wasn't sure what was involved. I wasn't always grateful for the opportunity. As the year went by, I grew both as a Hesperia Wranglers Representative, as a horse woman, and as a person.

The constant support of Tonii and Tim Mustaikis, Carol Cronk, my family and fellow queens helped me to grow and become a girl who loves being a queen and representing the Wranglers. I hope and pray that holding the title of Young Miss Hesperia Wranglers Queen is as inspiration for the next title holder. Being a Wranglers Queen is definitely living the western way of life and loving our western community!

I'll see y'all real soon...Love, Elizabeth

Young Miss Contestant - Ellie Cocroft

Independent
Creative
Ambitious

Hello, my name is Ellie Cocroft and the reason I would like to hold the title of Young Miss for the Hesperia Wranglers is because it is a responsibility, I can be proud of. I would love to give back to the community as the Hesperia Wranglers do. Hesperia Wranglers is going to open up so many opportunities for me. I would love to be able to represent such an amazing organization. I will represent the western lifestyle by being kind, helpful, generous, and considerate towards others. I will treat my along with others animals with respect and kindness.

2022
Petite Miss Hesperia Wranglers

Shea Schwimming

Being the 2022 Hesperia Wranglers Petite Miss was an amazing year filled with great memories. One of my favorite parts was riding in the Hesperia Days Rodeo and meeting all of the amazing people. Having to give a speech really helped my confidence when talking in front of people. The experience of carrying a flag at rodeos really helped with my riding skills. I enjoyed having the opportunity to hold the title of Petite Miss Hesperia Wranglers 2022.

Happy Trails to you until we meet again,
Shea Allison Schwimming

Petite Miss Contestant - Kayleigh Collins

My name is Kayleigh May Collins, and I am running for 2023 Petite Miss Hesperia Wranglers. I would love to hold this title and show other little girls the amazing benefits of being a rodeo queen. I will strive to always show my best horsemanship skills and attitude. I loved holding the title of Tiny Miss Hesperia Wranglers 2 years ago and could not get enough of the excitement. Holding a title means the world to me, allowing me to experience things I thought could only happen in my dreams.

Sweetheart Contestant - Savannah King

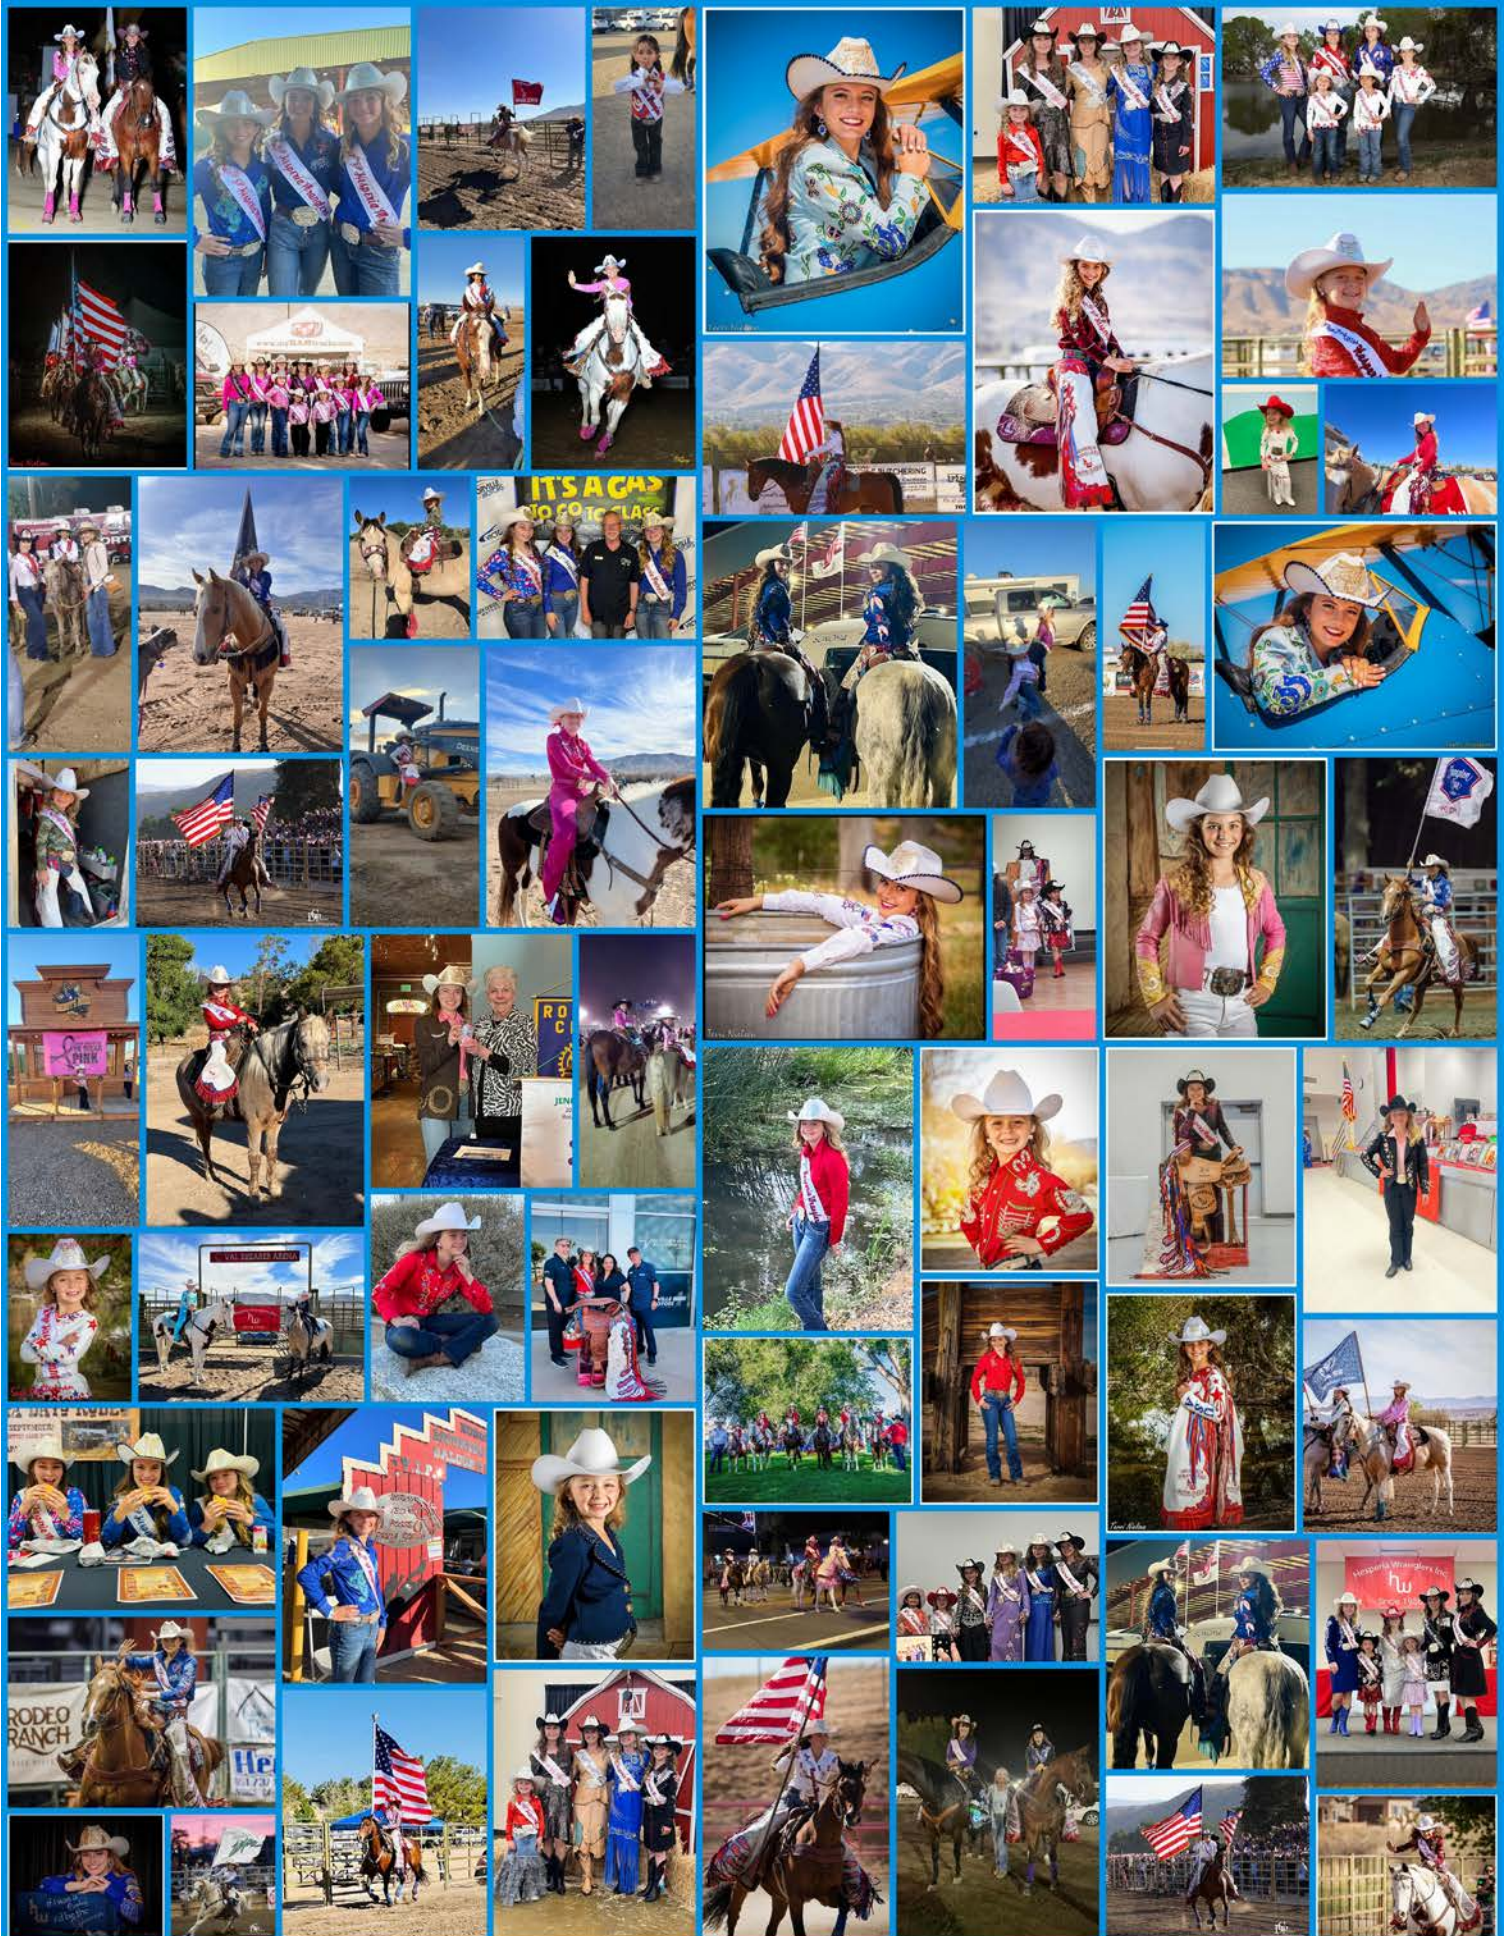

Artistic
Thoughtful
Diligent

My name is Savannah Jean King. Ever since I could walk, I carried a purse and loved to wear elegant dresses. Dressing up, wearing crowns, having my mama apply make-up, and trying new hairstyles was always something I enjoyed. I may have my pink, girly girl side.... but if you know me well, I'm also a tough and extremely brave little lady. At home, you will see me loving on my horses, helping with chores, running around with my brother, collecting eggs from the coop, and helping my mama garden all while singing and dancing to country tunes. I want to be a Rodeo Queen because I love being a cowgirl. Riding my horses is one of my favorite things to do! I'm thankful to Bailey and Kylie Blackmore who have taught me so much. I have been raised to know that hard work pays off. I love Jesus and I want to be kind to everyone. When someone is having a bad day, I want to smile at them and cheer them up because that is what a good Rodeo Queen should do!
