## **Sponsored by: Hanover Community Support Services**

The Thomas Hale Jr. Memorial Scholarship is put in place to support one college student throughout all four years of schooling. The student must have a documented mental health diagnosis. This scholarship was created to recognize the challenges and adversity that students face when dealing with mental health, as an adolescent and teenager. It is our hope that the financial support will alleviate some of the financial burden you may have as you enter college. Hanover Community Support Services is excited to offer this renewable \$500 scholarship to one graduating 2025 senior.

Hanover Community Support Services is a 501 (c)(3) non-profit organization, which provides financial support to citizens with developmental disabilities, mental health challenges, and substance use disorder in Hanover County, Virginia.

HCSS works collaboratively with the Hanover County Community Services Board (CSB) to identify and support individuals, caregivers, and families in need of assistance. HCSS gives out thousands of dollars each year to families in need.
