Hanover Community Support Services (HCSS) is a local, Hanover County, non-profit organization that supports Hanover County residents with mental health, substance use, and/or developmental disabilities. HCSS does this through partnering with other non-profits and government agencies. Each year HCSS gives thousands of dollars in financial support to help with utility bills, high school scholarships, summer camp opportunities and educational community events. Over the years, events like the Miss Hanover Abilities Pageant and our Disability Employment Seminar have become staples in our community. Your sponsorship will help us to not only continue our programs but grow as well.
