From the President

Our Floral Remix class with Judy Johnson was a blast! Large prints, small prints, paisleys and florals all looked wonderful in their redesigned block patterns. It was amazing to see how wonderful they all turned out from the fabric they were cut from. We learned new techniques from Judy along with some great tips! When you see another class like this I encourage you to sign up, for you will have wonderful results with a new 'one of a kind' quilt design.

Our Membership Committee now has a great list of members to be greeters at our monthly meetings. When a visitor comes in we can match them up with a greeter and they will get firsthand information and guidance about our guild. If you see someone showing a visitor around make a point to meet them so when they sign up as a member they have a friend to sit with at our next meeting. If you want to be on the list as an available greeter let Pam Hiatt or Deb Murray know.

I'm looking forward to the Log Jammin' class coming up this month with Jackie Ericson. Check it out at her trunk show during our March meeting. Deb Stumbaugh will also be introducing a fun new challenge called "Beg, Borrow and Steal". Dive into this one for some fun and laughter!! You can't buy any new fabric, you have to beg, borrow or steal it. More to come from Deb on Thursday!

Our first shop hop of the year is just around the corner! Keep your eyes open for the dates in April check your stash, cash and hit the road with a group of friends to see all the new spring fabrics our Central Oregon fabric stores have brought in for you! Make plans to have a fun filled day visiting all the stores with a delicious lunch outing.
