

# HIGH DESERT QUILT GUILD

APRIL 2019

## From the President

The snow is melting and our days are getting warmer, spring is in the air. Finally!

Our Jammin' Log Cabin class in March was loads of fun thanks to the motivating and energetic instruction of Jackie Erickson. We had a full class of eighteen students and all students had a good 20 to 30 blocks completed by the end of the day. I can't wait to see the quilts that come from all those blocks!! A really fun, fun day!

I hope you are all planning your day(s) to Shop Hop in Central Oregon April 25th, 26th, and 27th. I have checked around and WOW what beautiful new fabric lines, colors and patterns our fabric stores have brought in. Meet up with a member you know and invite a couple you don't know to ride along and visit all the fabric stores of Central Oregon. By day's end you'll be better friends and will have had fun shopping for fabric to refresh your tired stash now filled with new inspiring ideas!

We have received a donation of 100% cotton batting, some went into the community quilt bin, there are additional pieces to share with all guild members batting sizes that would work great for table runners or individual squares. For one day only these will be on the free table at our April 4th meeting. What isn't picked up will be given to another sewing group in need. We don't have room to store this long term so grab what you can!

Summer is now just around the corner with quilt shows, classes and events galore! Mark your calendars and let's get ready so that we don't miss out! Happy Spring!!!

## Community Quilts

We gather the second and third Thursday of each month for Sew Day and Community Quilt Sewing. We would love for you to join us. Bring a beverage or lunch and your basic sewing supplies. Microwave is available on site.

We are still receiving donations of fabrics. I would like to encourage you to grab one of the panels and just add a border -or- we have two yard cuts that would make a great start for a quilt. Once your top is finished we provide backing and batting to complete the project. You can quilt it yourself or bring to a general meeting or sew day, and we will arrange for a quilter to finish it up. Happy sewing!

## 2019 Quilt Challenge Beg, Borrow or Steal

This challenge will hopefully give our members inspiration for a wonderful creation. Here are the rules:

1. You must make a quilt NO larger than 50" X 50" or smaller.
2. You can NOT purchase ANY fabric, but you CAN beg, borrow or steal fabric.
3. You MUST use some black, and or the challenge fabric (bags of black and white striped fabric).
4. The challenge fabric must be recognized.
5. The quilts must be completed for our June 6th meeting.

All the quilts will be displayed at the June Meeting and everyone will get a chance to cast a vote for the one they like the best. A prize package valued at \$50.00 will be awarded to the winner.

## Raffle Quilt

by Ann Davis

Spring has finally arrived and the Spring Shop Hop is only weeks away. We will be selling Raffle Quilt tickets again at Sew Many Quilts starting Thursday, April 25<sup>th</sup> thru Saturday, April 27<sup>th</sup>. We are very grateful to Gail and Sharon for their continued support. Luckily, they made room for us inside, since Mother Nature has been so unpredictable these days.

At the March 7<sup>th</sup> general meeting the sign-up sheets were passed around. We thank our members, who signed up, for filling all the time slots for all three days. A phone call a few days prior to the event will be made to remind and confirm the date and time you signed up for. As you may know, the maximum number of tickets we sell is 2,000. This could be the first year that we actually sell all 2,000 tickets before the drawing on May 2<sup>nd</sup>, 2019.

Looking forward to our May 2<sup>nd</sup> meeting to see who the winner will be and if we sold all 2,000 tickets!
