

★ Revelation is not written in linear time. It is a message told in parts, repeated over and over with different details revealed as you go. Some parts are stuck in the middle of other parts. It was written this way so the enemy could not understand it. It is revealed to those with the indwelling Holy Spirit.

Revelation

Written in symbols that are explained by the Old Testament.

Ezekiel is a mirror image of Revelation and explains many of the symbols

Leviticus 26 is a major key in understanding the 4 sets of 7 judgments in Revelation

Old Testament Prophocies are until John – Matt. 11:11,13; Luke 16:16

Revelation repeats the story being told 7 times from different perspectives.

It is like a Diamond. When you turn it you see the same diamond but different facet.

Current Views on Revelation

Historicist - It is church history from John to the end of the world.

Preterist - Prophecy is primarily fulfilled in the 1st Century – AD70.
