NEXT WAVE COMMITTEE

CSEA Next Wave is a community of members dedicated to empowering, activating, and developing leadership among the future generation of union leaders. We respond to issues that affect our members, take an active part in the labor community, and ensure that every voice is heard.

All members of CSEA are welcomed and encouraged to join this committee. You are our future and we need you to keep our future strong. If you are interested in being part of the Next Wave, please contact us and we will collect your information to keep you posted on new and upcoming activities and meetings.
