

Region scholarship applications open for 2024

Applications are now being accepted for our 2024 Southern Region College Scholarships. Each year, we award four \$1,000 college scholarships to graduating seniors whose parents or guardians are CSEA members working in the Southern Region (Dutchess, Putnam, Westchester, Rockland, Orange, Ulster and Sullivan counties).

It gives us great pride to be able to provide this scholarship opportunity to members of our union and their children. It's just another benefit of being a CSEA union member!

Applications available at <https://cseany.org/R3>

The deadline to apply is **March 29, 2024**. Please follow the instructions in the application carefully and be sure to submit all requested information. Anyone with questions may contact our office at (845) 831-1000.
