PASTORAL LETTER

Dear Beloved KMC Family,

Greetings in the name of our Lord and Savior, Jesus Christ!

As we step into the final month of 2024, our hearts are filled with gratitude for the ways God has blessed us throughout the year. November was a special time for our church as we reflected on various aspects of thanksgiving. The **Annual Thanksgiving Service** on **November 10th** was a wonderful occasion where we came together as a family of faith to offer our heartfelt praises to God for His abundant blessings. I thank each one of you for your participation, prayers, and contributions that made this celebration a meaningful expression of our gratitude.

Now, as we prepare our hearts for the Advent and Christmas season, our theme for December 2024 is **"God's Love for Us in Christ."** This theme invites us to reflect deeply on the profound and transformative love of God revealed through the birth of His Son, Jesus Christ.

John 3:16 declares, ***"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life."*** Christmas reminds us that the greatest gift we could ever receive is the gift of God's love through Jesus Christ. This love is unconditional, sacrificial, and eternal. Let us take time this month to meditate on the significance of this divine love and how it calls us to respond in faith and obedience.

The message of Christmas is not just for us to receive but also to share. God's love in Christ compels us to extend His love to those around us. Through acts of kindness, generosity, and compassion, we can reflect Christ's light in a world that desperately needs hope. This December, let us intentionally reach out to those who are lonely, hurting, or in need, sharing the joy of Christmas in practical ways.

As we celebrate the birth of Jesus, we are reminded that God's love is our anchor amidst life's uncertainties. **Romans 8:38-39** assures us that nothing can separate us from the love of God in Christ Jesus. As we step into a New Year, may this truth give us confidence and hope, knowing that God's steadfast love will guide and sustain us in the days to come.

PASTORAL LETTER

Our various ministry teams are organizing special programs to share the love of Christ with our community. Some of the such programs are Home Helpers Christmas Program, Carol Rounds, Sunday School Christmas Program, Senior Citizen's and WSCS Christmas Program, KMC Choir presenting Christmas Cantata – Sing Christmas. You are encouraged to participate and support these programs to share the love of God in Christ.

As we enjoy the festivities of the season, let us not lose sight of its true meaning. Christmas is a time to pause, reflect, and renew our commitment to Christ. May our homes and hearts be filled with His peace, joy, and love.

I encourage each one of you to take time this month to grow deeper in your relationship with God and to share His love with those around you. Together, let us make this Advent and Christmas season a time of spiritual renewal and joyful celebration.

Wishing you and your families a blessed and Christ-centered Christmas!

With love and prayers,

In His Love,

Rev. Mathew George M

SUNDAY SCHOOL - BLESSING HOME VISIT

On **24th November 2024**, the Sunday School Team organized a meaningful visit to **"The Blessing Home,"** an orphanage located near Hennur Main Road. This initiative was made possible through the collective efforts of our Sunday School students, who saved an impressive amount of Rs. 45,173 in their piggy banks, provided by the Sunday School.

The visit began with prayer, followed by a time of Christmas carol singing, introductions, and a short yet inspiring message by **Pastor John Shikamani**. The children from both our Sunday School and the orphanage actively participated, reciting Bible verses and sharing heartfelt testimonies that deeply moved everyone present. The children of The Blessing Home also showcased their talents through a delightful dance performance that brought joy to all.

The day was filled with engaging activities, including fun games that fostered connection and friendship. Donations, including school bags, water bottles, books, and stationery, were distributed among the children, along with delicious snacks for everyone to enjoy.

The orphanage, home to 20 girls under the loving care of **Mrs. Prema**, left a lasting impression on us. The children, fluent in English and rich in spiritual knowledge, demonstrated profound reverence towards God, humbly kneeling in prayer—a testimony to their faith and upbringing.

This **visit was a transformative experience for our Sunday School Team**, instilling values of **compassion, service, and social responsibility** in our children. It served as a beautiful reminder of the joy found in giving and the importance of fostering a sense of community.

I sincerely praise God for this opportunity and extend heartfelt thanks to the Pastorate Committee, the KMC Sunday School Team, and especially the parents, for enabling us to be a part of this joyous and meaningful occasion.

Regards,

Gomathi Lenin (Toddler Teacher)

SUNDAY SCHOOL ORPHANAGE VISIT

TESTIMONIES OF SUNDAY SCHOOL CHILDREN

My experience at the orphanage was truly amazing. As soon as we arrived, we were greeted with smiles on everyone's faces. The children displayed remarkable unity, never complaining about one another.

We sang worship songs for them, and in return, they treated us to some incredible performances. We were impressed by their knowledge of Bible verses, surpassing our own.

This experience taught me a valuable lesson: even when no one else is present, God is always by our side. I learned a great deal from the children, who have adapted to living without parental support – something I struggle to imagine.

Despite their circumstances, the children created an enthusiastic and joyful atmosphere, ensuring they never felt lonely. We were happy to provide them with gifts and special bookmarks made by us.

What struck me most was the constant smile on their faces, from the moment we arrived until we left. The orphanage visit was a poignant experience that taught me valuable life lessons.

Jessica, Inters 2

It was good. I liked it. The children were friendly. We enjoyed the time with them so happily. One of them became close with me. Her name was Priya. She was so talented, active and alert in the games. I felt bad for them because they do not have parents. But they were looking very happy because of God's presence

Keerthana - Juniors 2

My experience at the orphanage was that I felt pity on them and I was trying to understand their feelings and emotions of being there without their parents.

I understood the value of parents being with us and it reminded me that small act of kindness can bring happiness in someone's life.

I left the orphanage with memories of the children's smiles.
