January 2022

Dear Neshaminy Resident:

On August 24, 2021, the Board of School Directors made a motion to rename the program after Irene Boyle, who in her capacity as a school board member for 16 years, continuously advocated for the tax rebate program.

Enclosed are your application form and instructions for The Irene Boyle Senior Citizen Tax Assistance Program. The purpose of the program is to provide property tax relief to our senior citizens. **It is important that you take the time to read this entire letter and follow the guidelines listed on the attached pages.**

This program is entering its forty-fourth year. Since 1977 rebates totaling approximately \$2.9 million have been paid by the school district, with over 220 senior citizens participating last year. We hope that the amount for which you qualify helps to partially overcome today's high cost of living for those on fixed incomes. Rebates are based on household income. In order to qualify,

1. Your TOTAL household income must be less than \$30,000 and
2. You or your spouse must have reached the age of 65 by December 31, 2021, and
3. Your rebate property must be your primary residence.

The program increased household income eligibility not to exceed \$29,999. Again, this year the rebate program requires that only 50% of Social Security, SSI Payments and Railroad Retirement Benefits Tier (1) be reported as income. A signed copy of your PA Property Tax Rebate Application, Form PA-1000, MUST be included with your Neshaminy School District Property Tax Assistance form. See the Instructions and Enclosures Needed page of this packet for all required documentation.

If you are a widow or widower who is 50 years of age or older and qualified previously because your spouse was 65 years old or older, you will not be excluded from the program because of your age. Check "Who Should File?" on the attached pages to determine if you qualify.

The school district will make every effort to send your rebate within eight-twelve weeks of receipt of your application. However, our success in this area will depend on your cooperation by providing all the necessary information and substantiating documents, and by filing your claim as early as possible. Last year the district mailed over 400 applications to current and new senior applicants. **Nearly 120 applications had to be returned to the taxpayer because of insufficient data.** In addition to delaying all rebates, incomplete applications have the potential of not meeting the deadline of June 15.

Please call us if you have not received a rebate or correspondence from us after twelve weeks of sending us your application. If you have any questions about our rebate program, or if you require assistance in completing the form, you may call either your local tax collector or the Neshaminy School District Business Office at 215-809-6520.

Sincerely yours,

Donald B. Irwin, Jr.
Business Administrator

NOTE REGARDING PENNSYLVANIA REBATE PROGRAM: We would like to alert you to the probability that if you qualify for Neshaminy's rebate program, you would also qualify for the Pennsylvania Property Tax Program. The state program provides funds in addition to the Neshaminy rebate program and funds can be received from both. If you have not filed with the Commonwealth of Pennsylvania previously, you should call 1-888-222-9190 to order a form. This information is intended only to inform you; Neshaminy does not process the Pennsylvania rebates.
