LESSON CORNER

Control of Discipline before Discipline

Breathe
Be Still
Quiet the Mind
Open The Heart Mind
Heart = Architect
Mind = Contractor
Body = Construction Worker
10 minutes Meditation
Everyday
Breathe
Write down the destination you want for your life
Right at the moment...once
Study it hard.....deeper....embed it
Change the thought to feeling
Then throw it away
Place the thought behind your heart as intent
Move in the direction of that destination
If you try.....it takes longer
If you do.....it takes the perfect amount of time
Use this formula to
embed discipline needed in everything you desire.

SPIRITUAL CORNER

SOURCE

THE FORMLESS PATH HAS NO BEGINNING
NOR AN ENDING

IT'S SOURCE IS MYSTERIOUS AND DIFFICULT TO
PUT INTO WORDS

THE SECRET PATH WHICH HAS NO ORIGIN
OUTSIDE
BUT HAS ALWAYS BEEN WITHIN

WHEN UNITED IN POLARITY THE ONE GIVES
BIRTH TO THE TWO

RETURNING TO THE BEGINNING THE CIRCLE,
THE PATH HAS NO START OR FINISH
ITS ORIGIN IS WHERE THE MIND PUTS ITS SELF
IN THE MOMENT
THE GREAT MYSTERY HAS ALWAYS BEEN IN
FRONT
THEREFORE THE MYSTERY IS COMPLETE

DOPENESS CORNER

Open

Stranger to your own heart
Willfully doing what is foreign
The pressure penetrates from a source unknown,
And instinct becomes you.
Insight to fear adjactates the subconscious
Doing without thought only to know it is right.
No quarrel inside you is desired
Take the magnificent pleasure of using what not all posses.
Inside yourself uprises the dormant
And the world is before you to manifest as you wish.

THINKING CORNER

IN GOOD BAD

Oh my Good Lord
Today I miss being Bored.
Im looking at a ll directions in the rearview
Because in front of me is mind BooBoo
A Product of the working class Honey do
Will it ever be through?
Oh wait Im done
Dare I say that was Fun?

THE NOMAD

Floating Like a paper on a windy day,
omnidirectional in the path,
capturing Gimpes of life in delay,
not there long enough to be happy or sad.
Move more brisk than a nomad,
temporary aquantences along the way met,
at the moment the best friend you ever had,
in the moment the feeling is kept.

PERSPECTIVE CORNER

Where are all The Rabbits

Some call me a light in a dark place,
and that makes sense,
now that I look back and see that the majority of those I
helped were often feeling lost in dark,
uncomfortable places... and just needed me
to show them where to go.

If you dont know where youre aiming,
then it doesnt matter which path you choose.
Whether youve planned to fail, or failed to plan, you lose.

I dont know what I may find inside the holes,
it's always unknown...
I rarely see my own light,
and fear that I am the dark.
Because often Id have to expose their monsters
and
unmask their landmarks.

GROWTH CORNER

She was my best friend.
 I lied and I cheated
 She wanted me to stand up for myself.
 I couldn't wait to be seated.
 An argument would ensue,
 then it got heated.
 I broke all the rules of natural law,
 now I stand defeated.
 Why has the lord forsaken me?
 Was i never good enough?
 She would look me dead in the eyes,
 calling out my bluff.
 When the cancer ate away her spirit,
 her body could no longer dwell
 She had an automatic path to heaven.
 There was no space for her in hell.
 She said she forgave me, with her dying eyes
 I didn't believe her, now im dying inside.
 It's been years.....
 and more years to come
 Can i step outside the precipice?
 Can my soul feel love and fun?
 I speak to her everyday
 Im certain she listens.
 Her angel wings are like the ocean...
 Ever Swaying it glistens.
 Im not perfect.
 Ive never claimed to be
 I will roll with the punches.
 Until I accept who I AM meant to be.

A note from the Editor....

Poet Scribe is a movement to bring the love of literary works to the people again, in shorter more concise and powerful pieces in the form of "CORNERS" Which are ever changing Topics meant to tantalize the mind and entertain the soul. This is our Very First Issue with a topic of "Change and Growth." Every month we will have new Topics and Some new CORNERS. We will announce the new Topics in the middle of the month to subscribers who may have a piece they have written that fits our next monthly publication!

With your support and feedback we will grow and spread this new form of Quick, Deep and Fun reading! If you get our paper copies please recycle by sharing with someone else or Keep and Frame It!

We are Big on cursive writing and are currently looking for the resonating company or tutors to help promote to the beings of our future so the art of scripting is not lost! Feel free to donate or subscribe to our online Publication by going to the link below.
