KOTIBHASKAR
 Infrastructures & Developers Pvt. Ltd.

KOTIBHASKAR INFRASTRUCTURE AND DEVELOPERS - KOTIBHASKAR BUSINESS COURT

Kotibhaskar business Court is a commercial project by kotibhaskar group. Being an extravagant and unique project the marketing communication requirement was unique and out of the box. Hence to match the persona and theme of the project a unique concept was formulated. The concept was adapted across multiple collaterals to keep the entire flow of communication in sync with the design as implement to create a different out look to the project.

REAL-ESTATE

THE ONE

KAMATH ASSOCIATES - THE ONE

The One is an unique project that the essence of the project requires creativity and conceptual ideation. Taking in consideration how luxurious the project is, the very minimal yet strong concept for communication was formulated which added the extra twist of to the theme. With creative design the ideas were collaborated smartly to create a unique output. A minimal brochure was designed to get the real essence of the project.

REAL-ESTATE

KAMATH ASSOCIATES - SAI SARTHAK

Sai sarthak was yet another challenge of communicating the essence of the project through creativity and unique ideation that was not used in the promotion of real estate projects. Taking in consideration the unique offerings of the project simple yet strong concept for communication was formulated which added the extra twist of uniqueness to the theme. With innovative design the ideas were collaborated smartly to create a phenomenal output. A unique brochure was ideated to promote the real essence of the project.

REAL-ESTATE

PANDIT JAVDEKAR - MATOSHRI SULBHA

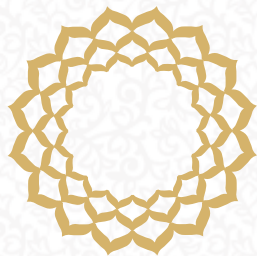

Real-estate business is all about delivering the emotion of home through spaces. Pandit Javdekar is a renowned name in real estate that resonates with creating positive experiences through designs that exude class. With Matoshree Sulbha being developed for an enriching experience, we strategized its branding to reflect the essence of it with minimalistic and earthy designs. We took a simplistic approach to sketch warmth and prosperity, standing true to the thought behind the project.

REAL-ESTATE

SUYOG
MAGNOLIA

SUYOG DEVELOPMENT CORP. - MAGNOLIA

We think that the real-estate industry is not just a business of selling spaces but a service of delivering a lifestyle that best suits the personality of an individual. Since the project is being developed exclusively for the elite, we decided to adapt the same in our design and the look & feel. The final output was an impeccable reflection of the actual essence of Magnolia which was essentially built on the pillars of extravagance and magnificence.

REAL-ESTATE

CLASSIC CONSTRUCTIONS NAIK PLAZA.

Naik Plaza is an residential cum commercial project of Satara which reflects the futuristic and advanced aesthetics. To promote this project as being ahead of its time, more focus was given to the design style and the creative content that rightfully gave justice to the spirit of the project.

REAL-ESTATE

DHANANJAY JAGTAP AND ASSOCIATES - DHANANJAY PARK

It's always a challenge to grab the attention of local audiences who are not really aware of various concepts related to real estate. Dhananjay park was yet another project which had an uncommon audience to attract. After proper research and field study various ideas were brainstormed and a unique communication was formulated. A perfect combination of local terms blended with simple yet strong design was implemented to attract this unique audience. A creative brochure was designed to accomplish this project.

REAL-ESTATE

DHANANJAYPARK

DHANANJAY JAGTAP AND ASSOCIATES - SHIVAM PARK

Real-estate is not just only about selling spaces but to turn dreams into reality. Dhananjay Jagtap and Associates are one of the renowned name of Satara real-estate industry. so as the project suggests, the actual essence is simplicity and nature, we have designed an unique style of identity and brochure which with a twist of simple design style and natural elements, to stand out amongst the others in same category.

AVINYA
DESIGN STUDIO

MR. HEMANT APTE
SADAR BAZAR, SATARA
4 BHK APARTMENTS

Mr. Hemant Apte approached Avinya to design a luxury apartment in Satara. The requirement by the client was to develop a 7000 sq. ft. rectangular land at a prime local. We designed 6 luxury 4 BHK apartments in a total area of 19,770 sq. ft. At the time of design, our thought was to provide ample room, filled with natural lighting. The client also demanded private and semi-private areas, which were duly integrated into the design.

Total Area - 19,770 sq. ft.

LEANING TOWER OF PISA

EPIC STORIES WERE TOLD

The Leaning Tower of Pisa is one of the wonders of the world due to its unique structure. Built in 1173, the Pisa Tower was inspired by the modern architecture. Studded with white marbles, it is a 56m-gigantic structure overlooking a beautiful garden. The view 56 of the Pisa tower makes it a unique structure over the world. This [ArchitectureModel](#) has us all wonderstruck and inspired at Sungen Solitaire.

Sungen Solitaire is proud to be inspired by this [ArchitectureModel](#)

 Sungen SOLITAIRE

COLOSSEUM

EPIC STORIES WERE TOLD

Also known as the Flavian Amphitheatre or Colosseum, the architectural marvel is a huge amphitheatre in the centre of Rome. Built with travertine, tuff and brick-faced concrete, Colosseum has proved to be an [ArchitectureModel](#) while designing the sharp and elegant elements of Sungen Solitaire.

Sungen Solitaire is proud to be inspired by this [ArchitectureModel](#)

 Sungen SOLITAIRE

TAJ MAHAL

EPIC STORIES WERE TOLD

A masterpiece completely embedded with ivory-white marbles, the Taj Mahal is one of the most massive architectural wonders to cherish. The ivory-white wonder includes a mausoleum and a guest house which is surrounded by formal gardens bounded on three sides by a canal and water. Today inspiration from the Taj Mahal architecture [ArchitectureModel](#) has proved to be an [ArchitectureModel](#) for us at Sungen Solitaire.

Sungen Solitaire is proud to be inspired by this [ArchitectureModel](#)

 Sungen SOLITAIRE

KONARK SUN TEMPLE

EPIC STORIES WERE TOLD

Dedicated to the Hindu god Surya, Konark Sun Temple is a 13th-century temple in Odisha, India. The temple complex has the appearance of a 100-foot high chariot, with immense wheels and horses, all carved from stone. Walking across the ruins of Indian architecture, Konark Sun Temple has proved to be an [ArchitectureModel](#) while creating our masterpiece.

Sungen Solitaire is proud to be inspired by this [ArchitectureModel](#)

 Sungen SOLITAIRE

SYDNEY OPERA HOUSE

EPIC STORIES WERE TOLD

Designed by Danish architect Jørn Utzon, Sydney Opera House formally opened on 20 October 1973 after a gestation beginning with Utzon's 1957 selection as winner of an international design competition. Utzon is the [ArchitectureModel](#) to us and Sungen Solitaire is proud to be inspired by him.

SAINT BASIL'S CATHEDRAL, KREMLIN

EPIC STORIES WERE TOLD

The Cathedral of Vasily – The Blessed is also commonly known as Saint Basil's Cathedral, or Basil's Basilica, Moscow. The building is now a museum, built in 1555-1581. Saint Basil's cathedral exhibits the original architecture sets of Russian architects from 1555. The Saint Basil's Cathedral has proved to be an [ArchitectureModel](#) at Sungen Solitaire.
