

Dear Members and Parents,

As we transition into August and look forward to the upcoming months, I want to take a moment to express my heartfelt appreciation for your continued support and dedication to our martial arts school. Your trust and enthusiasm have been instrumental in helping us grow and thrive, and for that, I am truly grateful.

I am excited to announce that we have added a few new classes for the kids and introduced a full No-Gi Jiu-Jitsu program for adults and older kids. These additions reflect our commitment to providing comprehensive and high-quality training for all our members.

As we continue to enhance our programs and facilities, we must also adjust our pricing to sustain the quality and variety of our offerings. Starting August 1st, the prices for the kids' program will increase from \$100 to \$150 per student. The \$50 add-a-family-member discount will still apply, ensuring that families can train together affordably.

For our adult programs, the No-Gi Jiu-Jitsu and boxing programs will each be \$100 per month. Members can also opt for a combined membership for both programs at a rate of \$150 per month.

To show our appreciation for our loyal members, anyone who signs up and pays by August 1st will retain their current rates or the rates applicable in July. New members joining on or after August 1st will be subject to the updated rates. Existing members who maintain their membership without more than one month's interruption will also keep their current rates. If a membership lapses for more than one month, the new rates will apply upon rejoining.

Thank you once again for your unwavering support and for being a part of our martial arts family. I look forward to seeing you all in class and continuing our journey together.

Warm regards,

Toby John Gear
