Locarno™

An iconic period of American design revived with the all-new full collection from hansgrohe.

Modern with a touch of iconic luxury.

Locarno captures the essence of monumental American art and design.

At hansgrohe, we know the essential qualities for alluring interiors: balance, grace, and harmony. They are the pillars for the latest collection by hansgrohe. Inspired by the Art Deco movement and the 1920s, Locarno™ is

the revival of iconic sophistication and elegance. Geometric hexagonal form recalls the monumental period and will make a bold statement of authenticity and artistic appreciation in any living space. The all-new collection offers a

full range of products for bathroom, shower and kitchen. Available in five different finishes, Locarno™ will enable endless creativity, opening the door for uniquely glamorous interior spaces.
