HOW TO ORDER PRODUCTS IN SPECIAL FINISHES

There is no minimum order quantity on AXOR-branded products. The minimum order quantity is 30 on hansgrohe-branded product, with the exception of the hansgrohe-branded products included in this book. AXOR-branded products contain the word "AXOR" in the description. All remaining products are branded hansgrohe.

To determine which finishes are possible for AXOR-branded products, please refer to the individual product listing in this price book. Please note, not all special finishes can be offered for all products. For hansgrohe-branded products, please contact us at: custom-us@hansgrohe.com.

Initial requests for standard orders or projects must be emailed to: custom-us@hansgrohe.com, including the chrome part number and desired finish. A response will be sent within 2 business days.

PRICING GUIDELINES

- Standard orders – 50% upcharge on the chrome list price. Regular tier discount applies.
- Projects – each job will be quoted individually for a minimum quantity of 30 per part number.

HOW TO ORDER

- After request is confirmed, lead time, quote, and the terms and conditions of sale will be issued by Hansgrohe, Inc.
- Submit customer PO to Hansgrohe, Inc. at custom-us@hansgrohe.com.
- Customer PO must include: the custom quote number issued by Hansgrohe, Inc., including part number provided, and a copy of the signed terms and conditions of sale.

* Finish also applies to Stainless Steel Optic color code -86X where applicable

List prices are effective **January 1, 2020**. This price book replaces all prior price books/lists.

Product designs and prices are subject to change without notice.

Hansgrohe reserves the right to discontinue products at any time without notice.

The measurements given are intended for reference only, and are subject to change.

Complete specification sheets and installation instructions are available for all products at www.AXOR-design.com.

Products displaying "ADA" will meet actuation force requirements outlined in the Americans with Disabilities Act and ICC/ANSI A117.1

Lavatory faucets displaying the WaterSense label meet U.S. Environmental Protection Agency criteria for water efficiency. WaterSense labeled products perform as well as or better than their less efficient counterparts.

Local codes vary, so please check the requirements in your area before installation. Hansgrohe, Inc. recommends that our products be installed only by a licensed plumbing contractor.

Flow rates for showerheads and handshowers are based on 80 PSI flowing pressure.

Flow rates for kitchen and lavatory faucets are based on 60 PSI flowing pressure.

Flow rates for all remaining fittings are based on 44 PSI flowing pressure.

AXOR TECHNOLOGIES

INNOVATION. IN PERFECTION.

Pioneering ideas. Shaping water into invigorating jets. Making it exquisitely comfortable to use. And easy to clean. Promotes a responsible use of water. While maintaining superb performance. AXOR technologies are the fruits of intensive research and development at our headquarters in Germany. In perfection.

AirPower technology:
Each drop of water is infused with air, delivering an invigorating, high-performance jet.

PowderRain technology:
Finest silicone nozzles with three to five openings per nozzle distribute the water in an exceptionally fine and enveloping form.

QuickClean technology:
Anti-limescale function. Silicone spray channels/aerators enable you to simply wipe away deposits.

XXL performance:
A generous sprayface that distributes water over a wide area, so your whole body is completely covered.

EcoRight technology:
Save water and energy without sacrificing performance.

Select technology:
Intuitive water control – at the touch of an elegant button.

EXPRESSING INDIVIDUALITY.

Creating a unique bathroom concept has never been so easy. The vast array of design styles, languages, and shapes that can be found in our extensive collections make it easier than ever to meet your individual requirements. For AXOR customers who demand individuality, they couldn't be in better hands.

AXOR MANUFACTURING

THE STRIVE FOR
PERFECTION.

Fire. Counterpart of water. The source of each AXOR faucet. Liquid brass bars flow out of stone pipes. Are cast in forms. A primordial moment. Like a volcano. 1,800°F of hot metal wraps itself around a grain of sand. For inner cavities which are every bit as perfect as the surfaces. For maximum durability and quiet operation. Every flow area individually designed. Perfect. No compromises. Like the element water itself.

Once cooled, the machines chisel out elaborately-detailed contours. Cut screw threads and fittings. Trim and polish. Controlled by artificial intelligence. Every step of the process is a demonstration of perfection. Where technology reaches its limits, humans take over. With years of experience and instinct. Every motion practiced a thousand times over. With keen awareness for every detail of every product.

Surfaces of AXOR products have depth. In particular, the polishing is a fine art. It is the many steps in the production process which result in perfection. Humans and machines join forces. Trendsetters of design.

Up to 38 dives. Two hours. Exactly 0.4 micrometers of chrome. Perfection in electrolytic bath galvanization. Perfectly coordinated. With the necessary patience. For unique quality. Chrome adds glamour and shine to AXOR products. Durability. Desirability. Perfected through an exceptional instinct for finishing touches. Making surfaces gleam. Sensual to the touch.

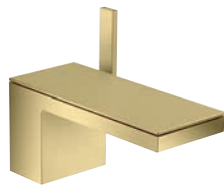

AXOR FINISHPLUS

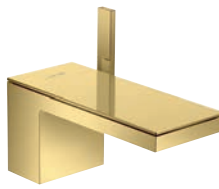

REFINED. IN PERFECTION.

Brilliant. Robust. Durable. AXOR FinishPlus surfaces are exceptional. Up to 11 special finishes are available for each product. With an outstanding color brilliance. And extremely resistant. This can be attributed to the highly complex Physical Vapor Deposition (PVD) method for coating surfaces.

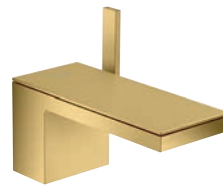

Zirconium molecules evaporate. In a vacuum. Produced to high quality standards. Ultra-precise. Particularly impressive in the brushed variants.

The luxury hotel Liberty in Offenburg, Germany, builds on perfection from the Black Forest. The 38 rooms and suites inside the former prison building are furnished with AXOR Citterio E faucets in Polished Black Chrome. Harmonizing with the washbasins and baths from the AXOR Urquiola collection.

»WITH ITS POLISHED BLACK CHROME FINISH, AXOR CITTERIO E EXUDES A PERSONAL TOUCH AND HARMONIZES PERFECTLY WITH THE HOTEL'S INTERIOR.«
DIETMAR FUNK, LIBERTY HOTEL PROPRIETOR

»AXOR ALLOWED US TO CUSTOMIZE THE COLOR SO THAT THE FAUCETS WOULD HARMONIZE WITH THE BROWN AND SILVER TRAVERTINE STONE. CREATING THIS DESIGN WITH SUCH A RICH ARRAY OF MATERIALS WOULD NOT HAVE BEEN POSSIBLE WITHOUT CUSTOMIZATION.«
LUIS CONTRERAS, IL SERENO PROPRIETOR

Il Sereno luxury hotel by Lake Como, Italy. A modern interpretation of Italian rationalism from the 1920s and 30s. 30 suites offering fascinating views over the lake. With AXOR Urquiola faucets for the washbasins and baths. In Brushed Nickel and Brushed Red Gold. The perfect embodiment of Italian glamour.

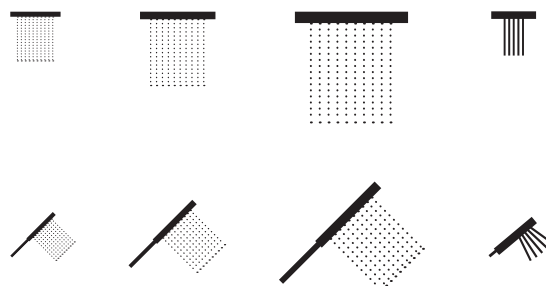

AXOR SIGNATURE

UNIQUE PRODUCTS. IN PERFECTION.

The fascination for the exceptional. The desire for more individuality. AXOR Signature turns bathroom fittings into something truly unique. A design object into a wholly personal shower. Geared towards the needs and tastes of the customer.

Perfected by the AXOR brand. With the utmost in care and precise craftsmanship. So that a unique product emerges. Exceeding even the customer's expectations. In any number of units. Meeting industrial standards. At the highest technical level. In perfection.

MANY PERSPECTIVES PROVIDE A CLEARER VISION.

The AXOR brand has always been committed to the vision of seeing the bathroom through the eyes of the world's best designers, architects, and creative minds. Their outlook on the world, their philosophy, their cultural background and creativity are the basis for the concept behind each AXOR collection. The AXOR brand functions as the curator, selecting the best designers to transform ideas into reality.

AXOR EDGE

AXOR EDGE

ARCHITECTURE.
IN PERFECTION.

The cube. Ushered into art by the avant-garde of the early 20th century. Taken to a new level by AXOR Edge. An asymmetrical arrangement of rectangular prisms, crafted with ultra-precision. A masterpiece through and through. Cube by cube. Transcending aesthetic and technical boundaries. Cut with diamond, for edges and surfaces that verge on perfection. Enhanced with surface structures that create fascinating contrasts. On request, individualized with exclusive finishes such as Polished Red Gold, Polished Gold Optic or Polished Black Chrome. A testimony to the discerning taste of its owner.

Design: Jean-Marie Massaud

Polished Red Gold

Polished Gold Optic

Polished Black Chrome

Precision is the bedrock of brilliance. Diamond-cutting the benchmark for perfect planes and contours. A state-of-the-art diamond-cutting machine assures accuracy down to a thousandth of a millimeter. Specially developed for AXOR Edge. With the same diamond-tipped tool used in the space and laser industries. AXOR Edge puts AXOR at the forefront of technology.

The chamfers are milled at precisely 45 degrees. Edges and planes of the utmost precision. As demanded by the gloss test. All designed to reflect light to perfection.

The delicate structural details also derive from pure precision: Diamonds facet the surface of the solid brass block. Accurate to the micron. Creating precision-pointed pyramids. Reflecting the interplay of light and shadow. The consummation of a precious gem.

AXOR SHOWERS

THE ULTIMATE FOR THE SHOWER. IN PERFECTION.

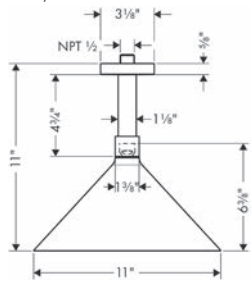

Avantgarde in design. An immaculate sense of space. A captivating water experience. The AXOR brand is the ultimate in shower design. A homage to the precious element water. Every drop is perfectly shaped. Precisely. Revitalizing, energizing, powerful. Or gentle, enveloping and sensual. A perfect design object for the body. And the soul. And the room. Making the shower a place to be savored. Luxury. In perfection.

AXOR showers include showerheads, handshowers, bodysprays, and thermostatic trims. In a variety of shapes and sizes. High quality. With one or more spray modes. In chrome or refined in 11 exclusive AXOR FinishPlus special finishes.

Design: Philippe Starck, Phoenix Design & Front.

AXOR SHOWERCOLLECTION
DESIGNED BY PHILIPPE STARCK

Every element is luxury squared. Geometric, minimalist design. The AXOR ShowerCollection is a system. One that can be set up and combined with maximum flexibility. Vertically and horizontally. Or arranged unconventionally on the wall. With three spray modes in the large showerhead. A shower that serves as a customized spa for individual water orchestration. Especially impressive when combined with the AXOR ShowerHeaven.

AXOR STARCK

AN ARCHETYPE. IN PERFECTION.

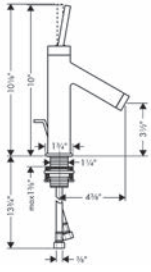

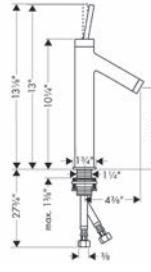

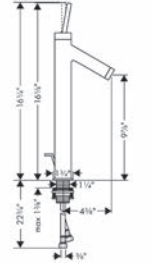

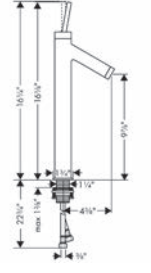

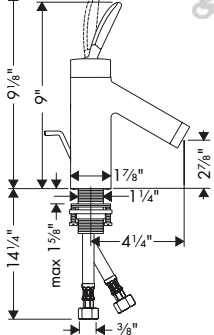

AXOR Starck is the realisation of a perfect idea. An interpretation of historical beam pumps. An archetype. Familiar in form. Uncompromising in function. A statement of reduction. To the essence. Towering over bathrooms everywhere for more than two decades. AXOR Starck was more than a stroke of genius. AXOR Starck is a milestone in bathroom design. And is seen as a design classic today. In perfection.

Design: Philippe Starck

AXOR STARCK ORGANIC

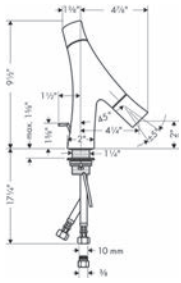

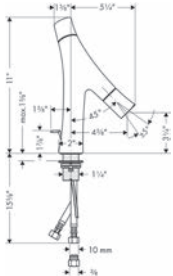

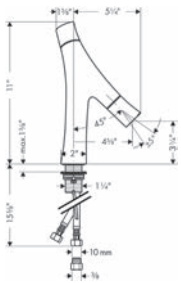

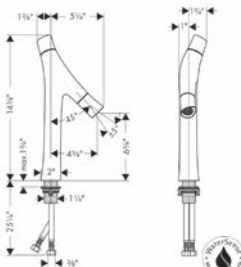

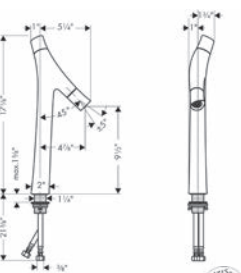

SENSE AND SENSUALITY. IN PERFECTION.

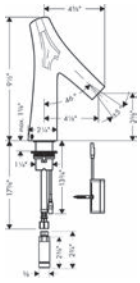

Modeled on nature. In its sheer beauty and efficiency. AXOR Starck Organic combines both in a resolutely avant-garde design. With a sculptural appearance. In sensually organic forms. In water design. In its minimalistic use of resources. As nature would have intended. In perfection.

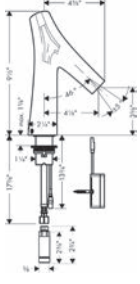

Design: Philippe Starck

AXOR CITTERIO

STRIKING AND BRILLIANT. IN PERFECTION.

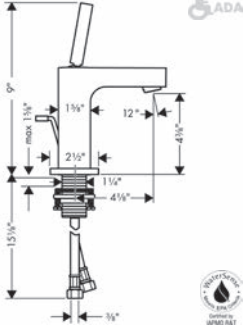

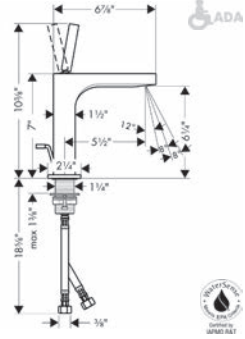

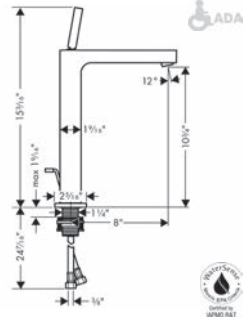

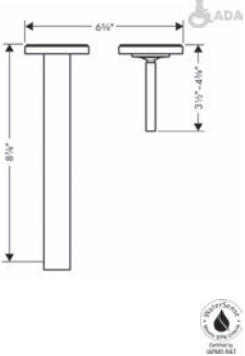

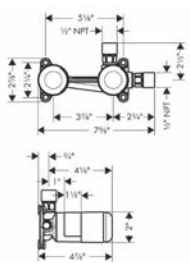

AXOR Citterio brings together the best in a single collection. Corners, edges and abundant surfaces. They set the perfect stage for the fracturing of light. Expansive radii. Forged with precision. These elements make the collection into a masterpiece of 1930s neo-classicism. And into a monumental design object on the washbasin. In perfection.

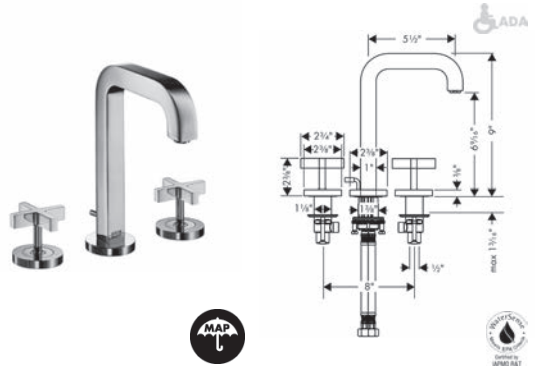

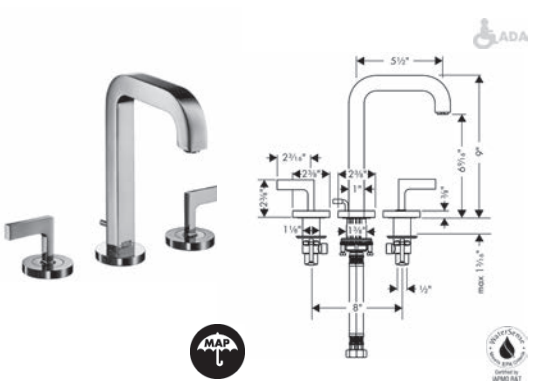

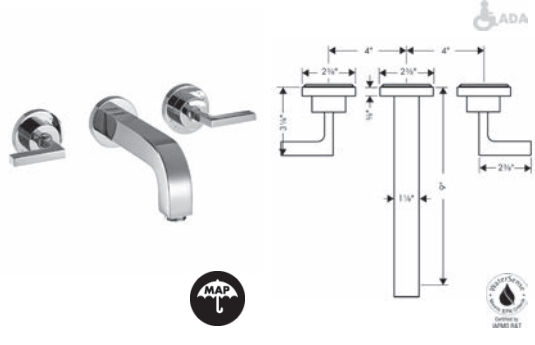

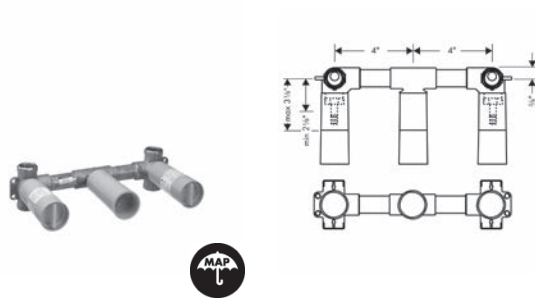

Design: Antonio Citterio with Toan Nguyen

AXOR Citterio

AXOR CITTERIO E

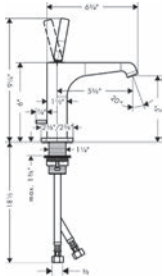

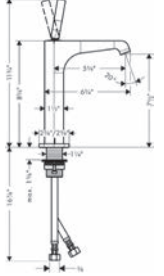

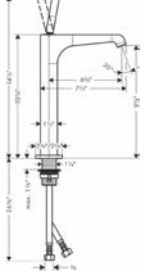

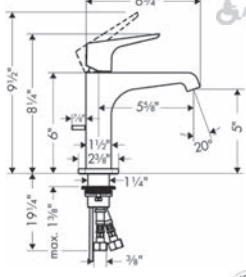

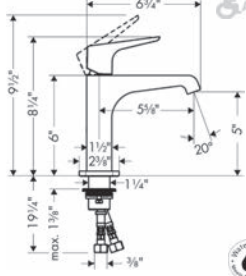

A SYMBIOSIS OF OPPOSITES. IN PERFECTION.

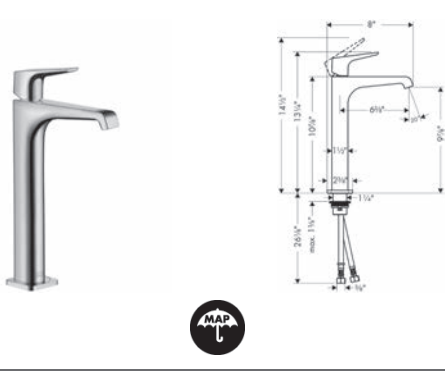

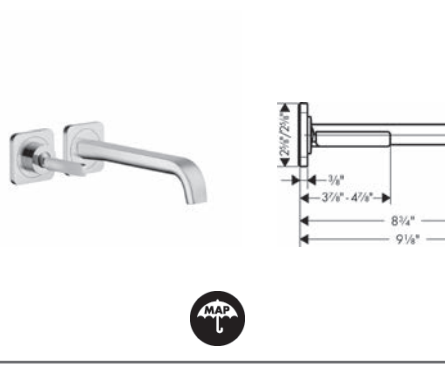

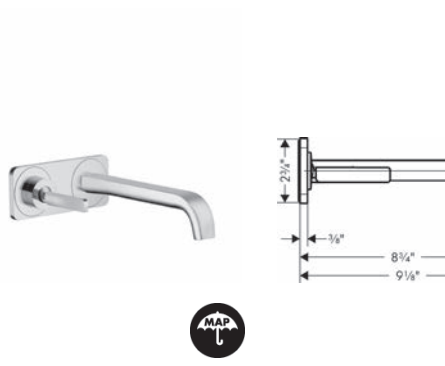

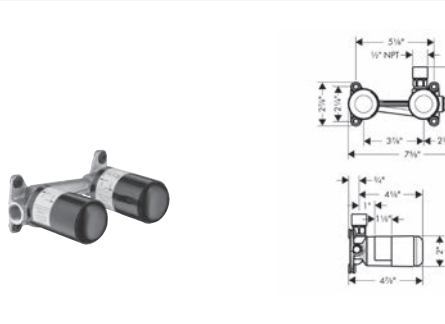

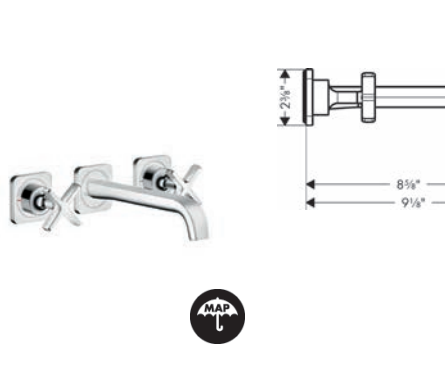

A symbiosis of opposites. In perfection. Harmony occurs in the calm balance of opposites. The essence lies in finding the right proportions. AXOR Citterio E perfects the beauty of proportions, combining round and angular elements. With the classic and the contemporary. Balanced to the last detail. In its design. And its feel. To create faucets and showers of timeless elegance. In perfection.

Design: Antonio Citterio

AXOR CITTERIO M

SYMBOL OF URBANISATION. IN PERFECTION.

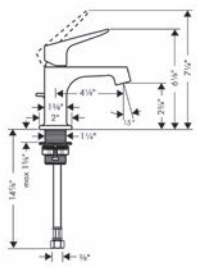

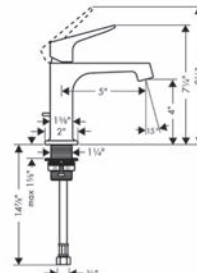

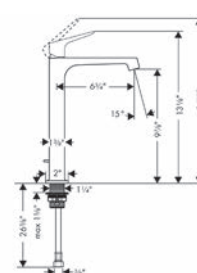

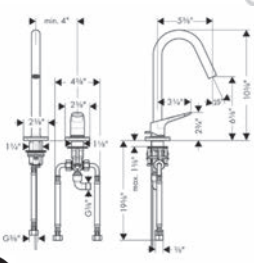

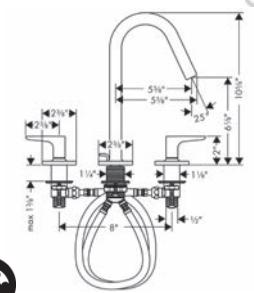

The city - living environment of the future. The modern skyscrapers - the perfect urban building Type. Defined by International Style, the first avant-garde architectural movement. Clear and simple. Free of frills and flourishes. Like AXOR Citterio M: Sophisticated and elegantly superior. On the washbasin. At the highest level. In every regard. In perfection.

Design: Antonio Citterio with Toan Nguyen

AXOR URQUIOLA

ECLECTICISM. IN PERFECTION.

An expert interplay between references and symbols. From different epochs. And different cultures. Consciously combining forms. To create something unique. AXOR Urquiola embodies this type of eclectic design principle. In form: unadjusted asymmetries and abundant surfaces. In finish: through intricately carved out details. Sensual yet functional. The fine art of blending styles. At all levels. In perfection.

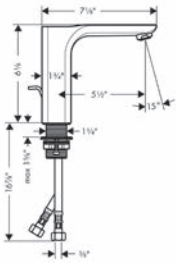

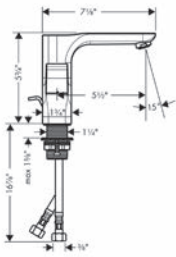

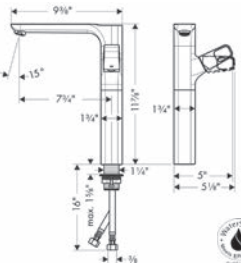

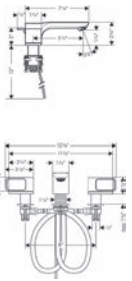

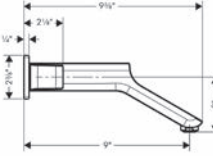

Design: Patricia Urquiola

AXOR MY EDITION

A PERSONAL STATEMENT. IN PERFECTION.

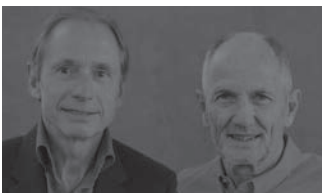

Setting oneself apart. Satisfying the need for uniqueness. Striking out in a new direction. This is what AXOR MyEdition stands for. Clear, linear design sets the stage for personal creativity. With a wide range of plates. Available in exclusive materials upon request. Individualization. In perfection.

Design: Phoenix Design

True luxury lies in the fulfilling of one's personal dreams. The 13 exclusive PVD surfaces of AXOR FinishPlus set new standards of richness, brilliance, and durability, while maximizing personal choice. From Gold Optic to Black Chrome. Brushed or polished. Single color or two. Manufactured using state-of-the-art engineering. Applied to unique pieces and large-scale productions alike.

A new concept for faucets. It starts with the metal body, chrome-plated or in one of 11 different AXOR FinishPlus special finishes. Crowned with a fascinating plate. With an exclusive portfolio of materials: Glass, metal, wood, marble, leather. More radiance. New sensuous experiences. Another dimension of individualization. In perfection.

Design: Phoenix

AXOR MyEdition

AXOR MASSAUD

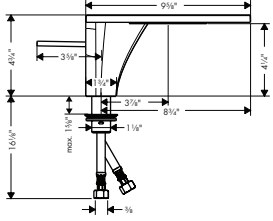

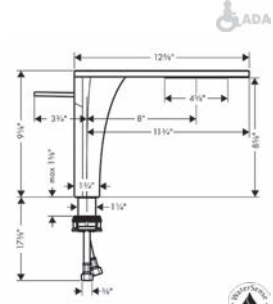

NATURE AND ITS ELEMENTS. IN PERFECTION.

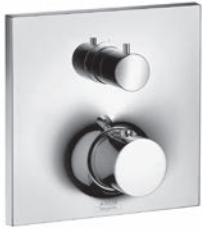

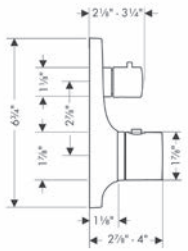

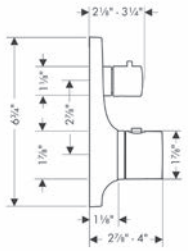

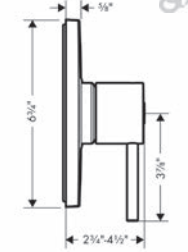

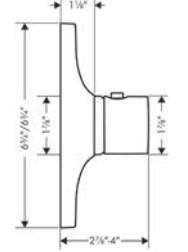

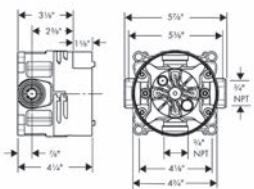

Water. The principle of all things. Source of well-being and composure. Even more in its natural form. As a sensual waterfall. Like AXOR Massaud. The collection perfects the connection between people and nature. Consistent with the principles of organic architecture. A look radically inspired by the elements of nature. Demechanised. To celebrate the moment - with water rather than with armatures. In perfection.

Design: Jean-Marie Massaud

AXOR UNO

PURISM. IN PERFECTION.

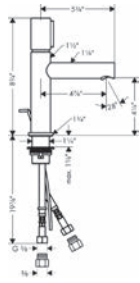

Simplicity of forms. The aesthetics of construction. The original purists let things speak for themselves. AXOR Uno perfects purism. With pipes, the most elemental means of transporting water. Simplest design. Perfectly executed. Subtly raised to the golden ratio. This ascetic form exudes a unique radiance. At the washbasin. In the shower. At the bathtub. Radically functional. Radically purist. In perfection.

Design: Phoenix

AXOR MONTREUX

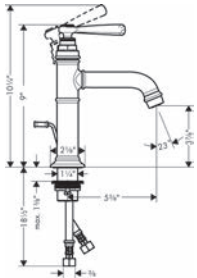

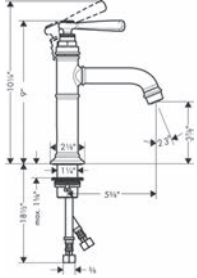

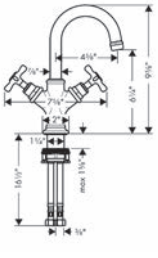

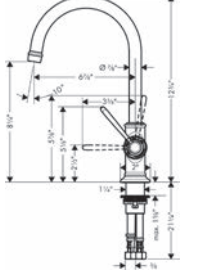

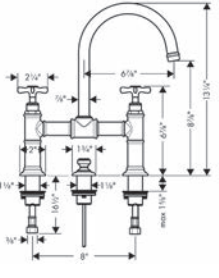

AUTHENTICITY. IN PERFECTION.

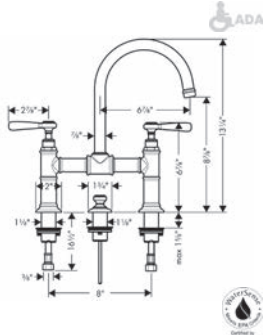

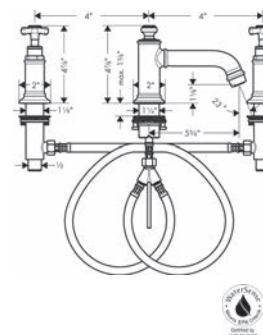

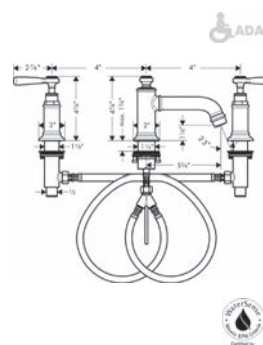

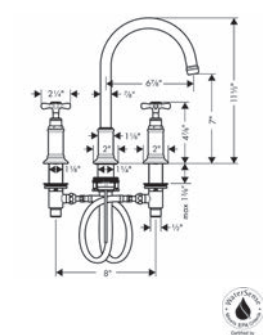

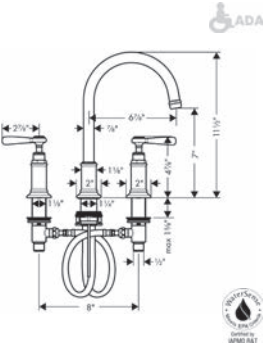

The turn-of-the-century epoch. Symbolising a new departure, technical progress. A wealth of culture. Immortalised in the grand hotels of Europe. And in Montreux, the legendary spa resort at Lake Geneva. The AXOR Montreux collection is steeped in this tradition. In the design of the first ever industrially manufactured bathroom fixtures. In combination with outstanding technology and functionality. In perfection.

Design: Phoenix

AXOR KITCHEN

FUNCTIONALITY. IN PERFECTION.

You can eat food purely to nourish your body. You can eat for enjoyment. With all the senses. Delighting your nose and eyes and pleasing your palate. This defines the character of AXOR kitchen faucets. Which do far more than just provide water. They also inspire with their beauty and quality.

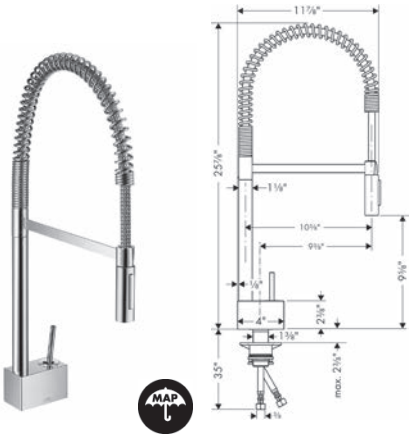

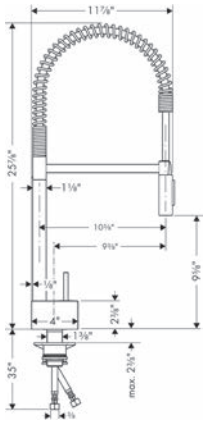

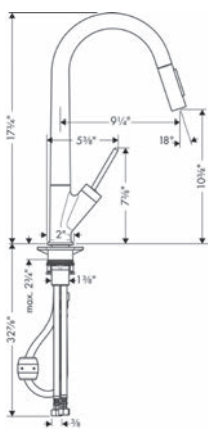

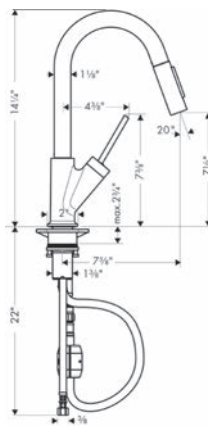

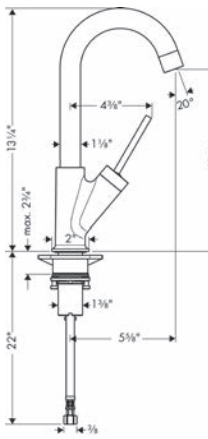

The different design collections are as individual as the people for which they were made.

AXOR kitchen faucets are perfect in every respect.
Design. Quality. Functionality.

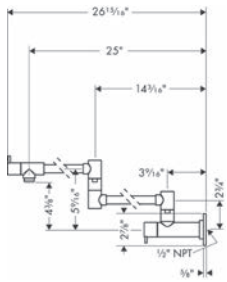

Design: Antonio Citterio with Toan Nguyen

Creating a Shower System

Master Advice from the “Shower Experts”

Creating a shower system will be made easier and more enjoyable with thorough planning prior to installation.

By exploring all the options first, you can have a pleasant experience in the design and specification of your system as well as in using it.

What elements are needed to create a shower system?

- Showerhead
- Handshower
- Wall Outlet
- Bodyspray
- Wallbar
- Shower Trim (Select One): ShowerSelect Thermostatic Trim for 1 Function, ShowerSelect Thermostatic Trim for 2 Functions, Standard Thermostatic with Volume Control, Standard Thermostatic with Volume Control and Diverter
- Diverter (Select One): Trio 2-Way Diverter, Quattro 3-Way Diverter, Quattro Green 3-Way Diverter

Common questions to ask before planning a shower system:

- What do I want from my shower? Relaxation, invigoration? More than one user at a time?
- Where can I put a shower system? How much space will I need?
- How much do I want to spend? How much will I need to spend?
- What are the parts and components that I will need?
- How will all the valves and controls work together?
- What about the water supply, drainage and other practical considerations?
- Have I considered all possible users? Children, elderly users?
- Are there any special requirements, like access for the mobility challenged?

What to take into account when designing a shower system:

- **Budget:** Determine a budget for creating your shower system.
- **Space:** Showers can range in size from about 30" x 30" to any customized dimension.
- **Enclosures:** Enclosures contain splashing and create a more private space, but they are not a necessity when designing a shower system. An open plan can offer many possibilities.
- **Water Volume:** Determine the water volume you to have for your custom shower.
The Flow Rate Work Sheet will help you with this.
- **Water Flow:** We recommend 40 – 65 PSI for a shower system to operate properly.
Your plumber or contractor can help you determine your average incoming water pressure.
- **Water Heater:** It is important to ensure sufficient hot water supply. Here again, the Flow Rate Work Sheet will help you estimate the throughput of a system.
- **Floor Drain:** Install a drain (or multiple drains) that can handle twice the amount of water as all components combined provide.
- **Local Codes:** Local plumbing codes vary greatly from state to state. Be sure to understand and follow them.
- **Time:** Installation time may also be a factor, especially on do-it-yourself jobs. For peace of mind and efficiency, we recommend that shower systems be installed by a licensed plumber.

Valve Configuration

Volume Control

1/2" and 3/4" volume control valves are used as stop valves and to regulate the amount of water to one or more outlets.

- A** Controls showerhead
- B** Controls left bodysprays
- C** Controls right bodysprays

Controls One Function

Controls Multiple Functions

Wall Outlet with Volume Control

The Wall Outlet with Volume Control combines the benefits of a volume control and a wall outlet.

A Wall Outlet with Volume Control can be mounted near a shower bench or across from the main valving, eliminating the need to install an additional valve and a separate wall outlet.

- A** Controls handshower

Controls One Function

**For hansgrohe shower products,
please refer to hansgrohe Price Book**

Valve Configuration

Trio and Quattro Diverter Valves

- A** The 3/4" Trio 2-Way Diverter with Shut-Off can be used as a stop valve and flow control for shower systems with two outlets. A separate volume control is not required with this configuration.
- B** The 3/4" Quattro or Quattro Green 3-Way Diverter can divert water flow to one of three outlets.
- C** The volume control regulates the volume of water.

Controls Two Functions

Controls Three Functions

Thermostatic Valve with Volume Control

- A** Thermostatic temperature control and volume control for one outlet. A separate volume control is not required with this configuration.

Thermostatic Valve with Volume Control and Diverter

- B** Thermostatic temperature control and volume control for two outlets. A separate volume control or diverter are not required with this configuration.

Controls One Function

Controls Two Functions

#15981181
Selects between showerhead, bodysprays
or a combination of both, plus shuts off water
4. AXOR Citterio Diverter Trim Trio/Quattro
#39931XX1
5. AXOR Citterio Wall Outlet with Check Valves and Volume Control, Lever Handle
#39882XX1
Controls volume for handshower and shuts off water

1 Function

Pressure Balance Valve

1. iBox Universal Plus Rough with Service Stops, 3/4"
#01850181
2. AXOR Starck Pressure Balance Trim
#10407XX1

**For hansgrohe shower products,
please refer to hansgrohe Price Book**

Hansgrohe, Inc. Limited Warranty

Offering our customers the highest quality at all times is a fundamental part of the Hansgrohe, Inc. company philosophy. We offer consumers a limited warranty on our hansgrohe® and AXOR® branded products.

This warranty is limited to products manufactured by Hansgrohe, Inc. that are purchased from a Hansgrohe, Inc. authorized seller by a consumer in the United States or Canada after September 1, 2019, and installed in either the United States or in Canada.

WARRANTY

Hansgrohe, Inc. warrants to the original consumer purchaser that hansgrohe and AXOR products will be free from defects in material and workmanship for as long as the original consumer purchaser owns both the product and the home in which the product was originally installed. For commercial purchasers, the warranty period is (a) one (1) year for hansgrohe products and (b) five (5) years for AXOR products, in each case from the date of purchase. The warranty period for products in the Rubbed Bronze, Matte Black and Matte White finishes are three (3) years from the date of purchase. This warranty is non-transferable.

WHAT WE WILL DO

Hansgrohe, Inc., at its option, will replace any product or part of the product that proves defective in workmanship and/or material, under normal installation, use, service and maintenance. If Hansgrohe, Inc. is unable to provide a replacement part or product and repair is not practical or cannot be made in timely fashion, Hansgrohe, Inc. may elect to refund the purchase price in exchange for the return of the defective product. REPAIR OR REPLACEMENT (OR, IN LIMITED CIRCUMSTANCES, REFUND OF THE PURCHASE PRICE) AS PROVIDED UNDER THIS LIMITED WARRANTY IS THE EXCLUSIVE REMEDY OF THE PURCHASER.

WHAT IS NOT COVERED BY THE WARRANTY

Because Hansgrohe, Inc. is unable to control the quality of hansgrohe or AXOR products sold by unauthorized sellers, unless otherwise prohibited by law, this warranty does not cover hansgrohe or AXOR products purchased from unauthorized sellers. Authorized sellers can be found on hansgrohe and AXOR branded websites. Labor and other expenses for disconnection, deinstallation, or return of the product for warranty service (including but not limited to proper packaging and shipping costs), or for installation or reinstallation of the product are not covered by this warranty. Hansgrohe, Inc. shall not be liable for any damage to the product resulting from reasonable wear and tear, outdoor use, misuse (including use of the product for an unintended application), freezing water, excessive water pressure, pipe corrosion in the home in which the product is installed, abuse, neglect or improper or incorrectly performed installation, maintenance or repair, including the use of abrasive or caustic cleaning agents or "no-rinse" cleaning products.

This warranty does not cover: (i) accessories, connected materials and products, or related products not manufactured by Hansgrohe, Inc. (ii) any hansgrohe or AXOR product sold for display purposes or (iii) hansgrohe or AXOR products purchased from unauthorized sellers.

WHAT YOU MUST DO TO OBTAIN WARRANTY SERVICE OR INFORMATION

Contact your retailer, or contact Technical Service at:

Hansgrohe, Inc.
1492 Bluegrass Lakes Parkway
Alpharetta, GA 30004
Toll-free 800-334-0455

In requesting warranty service, you will need to provide:

1. The sales receipt or other evidence of the date and place of purchase.
2. A description of the problem.
3. Delivery of the product or the defective part, postage prepaid and carefully packed and insured, to: Hansgrohe, Inc. 1492 Bluegrass Lakes Parkway Alpharetta, GA 30004 Toll-free 800-334-0455

When warranty service is completed, any repaired or replacement product or part will be returned to you postage prepaid. REVISED SEPTEMBER 1, 2019.

Limitation on Duration of Implied Warranties. Some States do not allow limitations on how long an implied warranty lasts, so the below limitations may not apply to you. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ANY IMPLIED WARRANTY, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR PURPOSE, IS LIMITED TO THE STATUTORY PERIOD OR THE DURATION OF THIS WARRANTY, WHICHEVER IS SHORTER.

Limitation of Special, Incidental or Consequential Damages. Some States do not allow the exclusion or limitation of incidental or consequential damages, so the below limitations and exclusions may not apply to you. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THIS WARRANTY DOES NOT COVER, AND HANSGROHE, INC. SHALL NOT BE LIABLE FOR, ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING LABOR CHARGES TO REPAIR, REPLACE, INSTALL OR REMOVE THIS PRODUCT), WHETHER ARISING OUT OF BREACH OF ANY EXPRESS OR IMPLIED WARRANTY, BREACH OF CONTRACT, TORT, OR OTHERWISE. HANSGROHE, INC. SHALL NOT BE LIABLE FOR ANY DAMAGE TO THE PRODUCT RESULTING FROM REASONABLE WEAR AND TEAR, OUTDOOR USE, MISUSE (INCLUDING USE OF THE PRODUCT FOR AN UNINTENDED APPLICATION), FREEZING WATER, EXCESSIVE WATER PRESSURE, PIPE CORROSION IN THE HOME IN WHICH THE PRODUCT IS INSTALLED, ABUSE, NEGLIGENCE OR IMPROPER OR INCORRECTLY PERFORMED INSTALLATION, MAINTENANCE OR REPAIR, INCLUDING THE USE OF ABRASIVE OR CAUSTIC CLEANING AGENTS OR "NO-RINSE" CLEANING PRODUCTS. Notice to residents of the State of New Jersey: The provisions of this warranty, including its limitations, are intended to apply to the fullest extent permitted by the laws of the State of New Jersey.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Additional Information

PRODUCT INSTRUCTIONS AND QUESTIONS

Upon purchase or prior to installation, please carefully inspect your product for any damage or visible defect. Prior to installing, always carefully study the enclosed instructions on the proper installation and the care and maintenance of this product. If you have questions at any time about the use, installation or performance of your product, or the Limited Warranty, please write us or call us toll-free at 800-334-0455.

HANSGROHE, INC. RETURN GOODS POLICY

Hansgrohe, Inc. is dedicated to customer satisfaction. If for any reason you must return a product to us, please follow our Return Policy. Product should not be returned for credit or replacement without prior written authorization from Hansgrohe, Inc. Any product returned and received by Hansgrohe, Inc. without prior written authorization will not be accepted. You will be notified and the items will be returned at your expense.

- To return any hansgrohe or AXOR brand products you must first obtain a Return Goods Authorization (RGA) number from us. Fax (770-889-1783), phone (800-334-0455) or e-mail (customerservice@hansgrohe.com) your request to Hansgrohe, Inc. listing the invoice number or purchase order number, part number(s), quantity and the reason for the return. An RGA number and a copy of the list of items approved for return will be faxed to you.
- Return Goods Authorization will expire 60 days after the date of issue.
- Returned hansgrohe or AXOR brand products will incur a 25% (\$20 minimum) restocking charge, unless the return is due to an error by Hansgrohe, Inc. or if there is a product defect.
- All items must be returned in their original product box. Showerpanels and shower columns will incur a \$40 per item rebox charge. All other damaged or otherwise unusable boxes will incur a \$10 per item rebox charge. All hansgrohe and AXOR brand product boxes must be placed in outer shipping carton(s) with adequate packing material to ensure that the product is not damaged while in transit. Please include a copy of the faxed RGA in your shipment. The RGA number must be clearly written on the outside of the shipping carton(s) and also be referenced on the shipping label(s).
- Hansgrohe, Inc. will not accept returns on phase-out product after five months from the date of the announcement from Hansgrohe, Inc. Any returns of such product during this five month period will incur a 25% restocking fee.
- Hansgrohe, Inc. will not accept returns on discontinued product that is not listed in the current price book.
- Stock Rotations: Hansgrohe, Inc. will accept a maximum of one 2 for 1 stock rotation every six months (excludes phase-out product). An order at twice the value of the return must accompany the RGA request. The 25% restocking fee will be waived for stock rotations that meet the above stated policy.
- Custom products are non-returnable and cannot be cancelled upon receipt of order confirmation sent from Hansgrohe, Inc.

The return shipment should be sent freight prepaid to:

Hansgrohe, Inc.
Attn: RGA Department
1492 Bluegrass Lakes Parkway
Alpharetta, GA 30004

- Receipt of returned product does not guarantee credit. The value of the returned goods will be determined following inspection of the items received. Credit will only be issued for those items that meet Hansgrohe, Inc.'s Return Goods Policy conditions.

Hansgrohe General Terms and Conditions

Prices:	All prices are subject to change without notice and are exclusive of any shipping, delivery or handling charges that may apply.
Terms:	2% 10 days; net 30 days
Minimum Order:	Our minimum invoice is \$50 net. Any orders totaling less than \$50 net will be billed at \$50 net.
Freight:	All orders are shipped by the method and carrier of Hansgrohe, Inc.'s choosing. If special routing or expedition is requested, we reserve the right to invoice any additional costs incurred. Full freight is allowed on shipments of \$2,500 net, invoice value, for ground shipments within the contiguous United States. All other shipments of lesser value will be shipped F.O.B. Alpharetta, Georgia. Oversized packages will be charged carrier's published price plus handling.
Damage or loss:	Our responsibility ends at the time Hansgrohe delivers merchandise in original condition to the carrier. Delivery to the carrier constitutes delivery to the customer. All claims for damaged or lost shipments should be made promptly by the customer to the carrier.
Scope and Place of Delivery, Transport and Transfer of Risk:	Hansgrohe will procure that the products shipped by Hansgrohe to the buyer comply with the laws and regulations of the country / countries designated by the buyer. In case the buyer - after receipt of the products - exports the products to third countries it is the obligation of the buyer to make sure that the products comply with the applicable local laws and regulations of such countries with regard to the products. If, however, the buyer chooses to export products to third countries, the buyer is solely responsible for any and all liability resulting from any non-compliance of the products.
Claims:	All claims must be made within seven (7) days of receipt of merchandise.
Returns:	See Previous Page.
Drop Shipments:	Residential drop shipments will incur a higher cost via discount multiplier.

All allowances, rebates, incentives or other amounts we offer you from time to time (collectively "Programs") are earned and payable only if your accounts (including those of your subsidiaries and affiliates) are current with all Masco Corporation subsidiaries and affiliates. In addition, Programs are not earned or payable if the ratings issued by any agency, such as S&P, Moody's, or Fitch, relating to your company, parent, subsidiaries, or affiliates are lower than investment grade quality. Any earned payment may be withheld or be used to satisfy any of the accounts or other obligations to a Masco subsidiary or affiliate.

THESE TERMS OF SALE ARE SUBJECT TO CHANGE. PRIOR TO PLACING AN ORDER WITH HANSGROHE, INC. PLEASE GO TO WWW.HANSGROHE-USA.COM, OR CONTACT ONE OF OUR REPRESENTATIVES AT 800-334-0455 TO OBTAIN HANSGROHE, INC.'S THEN CURRENT TERMS OF SALE.

HANSGROHE AND AXOR BRAND PRODUCTS MAY BE DISCONTINUED AT ANY TIME WITHOUT NOTICE. PRODUCTS LISTED AS "PHASE OUT" WILL ONLY BE AVAILABLE WHILE SUPPLIES LAST. PLEASE CALL TO CONFIRM AVAILABILITY.

Hansgrohe, Inc. either owns or has applied for trademark protection from the United States Patent Office for all the product names and features listed below.

Without written consent from Hansgrohe, Inc., you may not use, copy, reproduce or modify any of these marks, and Hansgrohe, Inc. does not intend to give any party license or other interest in any intellectual property rights through distribution of any literature. Additional trademark protection for product names and features not listed in this price book applies as well.
