

The background of the entire page is a high-contrast, black and white aerial photograph of a rugged coastline. The image shows dark, jagged rock formations meeting the sea, with white foam from breaking waves visible. The overall mood is dramatic and natural.

Robern® Quick Ship Program

- Robern Quick Ship Program is intended for use by Robern's dealers only.
- Robern Quick Ship orders must be placed on a separate P.O. Begin your Quick Ship P.O. with "QR" and/or clearly mark the order "Quick Ship".
- Maximum order value for Quick Ship order \$3000 net.
- Net order must exceed \$1500 to get freight pre-paid by Robern. If order does not exceed \$1500, shipping charges outlined on page 29 will apply.

- All Robern sales and shipping conditions stated on pages 29 – 30 of the 2020 price guide apply.
- Orders will ship within 72 hours of receipt of order.
- Quick Ship orders are non-cancelable.
- The models listed below are the only models available on the Quick Ship Program. These models are also marked throughout the book with a:

Model No.	Product	Page	Price
Vitality® Lighted Mirrors

- Zone 2: AL, AR, IA, IL, IN, KS, KY, LA, MI, MN, MS, MO, NE, OH, OK, SD, ND, TN, TX, WI, WV
- Zone 3: AZ, CA, CO, ID, MT, NM, NV, OR, UT, WA, WY

Overseas and Shipments Outside Contiguous United States

- All overseas shipments and shipments outside the contiguous United States will be rate quoted and the customer will pay actual freight costs.

How To Make A Return

Email a note requesting an RGA to your Customer Delight Team at Robern with the following:

- Model and serial number of the product
- Copy of the invoice to verify date and purchase price of the product

Email – reference page 25

Return product along with a copy of the RGA and RGA # written on the carton. Product must be received in original packaging. Once received at Robern, the product will be inspected and credit issued. The product must arrive at Robern in A-1 condition to receive credit.

Safe Arrival Policy

Robern takes every reasonable precaution against breakage or other damage in transit. It is the Buyer's responsibility to inspect products upon delivery for transit damage and/or shortage. If damage or shortage is detected, it should be duly noted on the bill of lading prior to signing for the merchandise. Buyer must then contact Robern to determine if the product can be repaired with replacement parts or returned to Robern in exchange for a new unit.

Please do not refuse delivery of damaged product.

Warranty/Terms and Conditions/Care and Cleaning

Limited Warranty, One-Year Term

Robern warrants to the original purchaser that it will, at its election, repair, replace, or make appropriate adjustment to products made by this company shown to have significant defects in material or workmanship which are reported to Robern in writing within one (1) year from the date of delivery. Robern is not responsible for installation costs.

The warranty time period for operating components including door hinges and opening devices to the original owner extends beyond the one-year term.

The warranty is void in the event the product is damaged in transit, or if damage or failure is caused by abuse, misuse, abnormal usage, faulty installation, damage in an accident, improper maintenance, or any repairs other than those authorized by Robern. At the expiration of the one-year warranty period, Robern shall be under no further obligation under any warranty, expressed or implied, including the implied warranty of merchantability.

Robern shall not be liable for any consequential damages arising out of or in connection with the use or performance of its products. Some states do not allow limitations on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

Any liability against Robern under any implied warranty, including the warranty of merchantability, is expressly limited to the terms of this warranty.

Permission to return any merchandise under this warranty must be authorized by Robern and returned prepaid by the purchaser.

Claims under this warranty should be sent directly to your dealer.

Terms and Conditions

Conditions of Purchase

Robern products are built to order. Products shipped and received in accordance with customers accepted orders are non-refundable. Certain products are non-cancelable once orders are processed:

- Essentials Palette (Stock Colors), Classic Palette and Inspire Palette (Special Order Colors): Vanities, M Series Decorative Cabinets, Surface-Mount Kits and Side Kits
- Purchase orders cannot be adjusted after 48 hours

Payment Terms

- Payment Terms: Net 30 days.
- Free Freight Allowed on Dealer orders greater than \$1500 net.
- Free Freight Allowed on Distributor orders greater than \$8000 net.

Care and Cleaning

How to Clean:

Robern products are constructed of mirrored glass and aluminum. A 50/50 solution of water and isopropyl alcohol is recommended for cleaning the mirrors. Ammonia or vinegar-based cleaners can damage mirrors. A mild detergent may be used on the surfaces. Do not use abrasive cleansers on any part of the cabinet. Use only a soft damp cloth to clean. When cleaning, spray the cloth, not the cabinet, mirror or surrounding surfaces.

Warranty Request Form

Robern Customer Service

701 North Wilson Avenue
Bristol, PA 19007

Email: reference page 25
Phone: 800-877-2376

Registered Robern Dealers and Distributors may request service parts for damaged or defective product using this warranty request form.

- Forms received after 5PM (EST) will be processed on the following business day.
- Warranty parts generally ship within 7 days of order entry.
- Robern Customer Service will email an order confirmation when the order is entered.

We appreciate your business and apologize for any inconvenience this situation may have caused.

Uplift® Tech Cabinets – Table of Contents, Tips & Features

Table of Contents

Uplift Tech Tips & Features	44 – 45
Uplift Tech Cabinets	46 – 47
Uplift Accessories and Options	48
Uplift Lighting	155

Tips & Features

Dimensions & Weight

- Width:
24" (610 mm)
30" (762 mm)
36" (914 mm)
48" (1219 mm)
- Height: 27" (686 mm)
- Depth: 6" (152 mm)
- Net Weight: 80 – 100 lbs

Features & Benefits

- Unique vertically opening, no-swing door allows for unobstructed installations
- Position-hold door-opening mechanism lets you open the door as low or as high as you need
- Aluminum handle for effortless two-finger lifting; upgrade to match or coordinate fixtures in your styling space with four popular metal frame finishes: Chrome, Polished Nickel, Matte Gold, Matte Black
- Lighted option provides warm, relaxing tones (2700K) that replicate indoor lighting
- Remarkably accurate color rendering with a CRI value of 90+ and R9 of 50+, so you can see your truest reflection
- Light direction and output eliminate dark shadows, provides bright, even task lighting and rich, saturated tone in your reflection
- Dimmable LED task lighting to 1% lets you select the ideal brightness for any task, using a standard dimmer that works with existing wiring
- The night light provides a soft light that illuminates to help locate items in the middle of the night. Programmable night light in 12-hour increments. Press the button to turn the night light on/off without affecting the programming

Features & Benefits (Continued)

- Defogging technology ensures a clear reflection. Turn on with a push of a button and built with a 45 minute timer. An LED indicator light lets you know that the defogger is turned on.
- Power when and where you need it most, the electric column features two USB charging ports and two 15A, 120VAC tamper resistant outlets (3 plugs), to provide power for items such as electric razors and curling irons
- Sensor controlled, low wattage interior LED light
- Consistent color throughout the cabinet with warm 2700K for task lighting, interior illumination and night light
- Cantilever Shelving: clean interior due to "hidden" shelf adjustments
- Dry space or wet space applications
- Able to do behind faucet installation due to vertical opening of cabinet
- Task lighting can be operated using standard Triac/Phase-cut residential dimmers and defogger and night light can be hardwired or operated using standard switches, available separately through electrical supply and home improvements centers
- Energy efficient LEDs with an estimated life of 53,000 hours
- Meets ADA requirements for door opening force for sliding doors
- Installed as a single unit or ganged together for a multiple cabinet installation
- Constructed to operate in high humidity or damp spaces. ETL/UL Certified for damp locations to UL 962, CSA Standard C22.2, No. 250.0

Tips & Features (Continued)

Configurable Options

- Styles: No Lighting, Perimeter Lighting
- Electrical Packages: Non-Electric, Electric or Electric, Night Light and Defogger
- Handle Options: Anodized Aluminum, Chrome, Polished Nickel, Matte Gold, Matte Black

Construction

- Durable rust-free anodized aluminum and glass construction – resists intense moisture, ensuring long-lasting beauty
- Satin anodized aluminum body
- Interior mirror
- 2249 cubic inches (36,847 cc) storage capacity for a 30" cabinet with split compartment for maximum flexibility
- 1/4" (6 mm) thick adjustable clear glass shelves; adjustable shelving at 1" (25 mm) increments: 6 shelves (24" W will include 3 shelves)
- Salt Spray Testing: ASTM Standard for 300 hours performed to test mirror quality against desilvering and degradation resulting from environmental exposure
- Cast Testing: copper test (simulate whole life of product) – accelerated age testing

Installation

- This installation may require more than one person
- Recessed, semi-recessed or surface-mount installation
- Cabinets include hardware for recessed installation. Surface-mount and semi-recess installations require the purchase of a kit which includes the side kit as well as mounting hardware.
- Recessed (frame and handle project 1-7/16" [37 mm]), semi-recessed 4" (102 mm) in wall (cabinet, frame and handle project 3-1/8" [79 mm]), or surface mount (cabinet, frame and handle project 7-1/8" [181 mm])
- Aluminum top and bottom kit for surface mount installations is required when top or bottom is visible
- Task Lighting/Dimmer recommendation: C•L® Dimmers or Caseta Wireless from LUTRON®.
- For on/off (no dimmer) operation, a standard wall switch may be substituted in place of the dimmer
- Need 22-1/4" ceiling clearance when installing; fully open cabinet is 31-3/4" high
- Improved serviceability: troubleshooting and repairs can be performed while the unit is installed

Accessories

- Handle Upgrades: (UHANDLE__)
- Side Kits:
Surface-Mount (USMK27D6P),
Semi-Recessed (USMK27D6SRP)
- Top and Bottom Kits:
Surface-Mount (UTK24D6A, UTK30D6A, UTK36D6A, UTK48D6A),
Semi-Recessed (UTK24D6ASR, UTK30D6ASR, UTK36D6ASR, UTK48D6ASR)
- Glass Bins
(GLASSBIN3.25, GLASSBIN5.25, GLASSBIN8.5)
- Ganging Kit (UGKIT)

Uplift® Tech Cabinets – 24" & 30" Wide

With its vertical design, Uplift revolutionized the way in which we experience medicine cabinets. Uplift Tech enhances the innovative features of the classic Uplift cabinet with the state-of-the-art technology, superior task lighting, and luxurious finishes to create a cutting-edge storage solution that is seamlessly functional and beautifully versatile.

- Includes a lighted option, which features a perimeter border of light projecting high-efficiency illumination
- Redesigned handle features slimmer proportions and curved edges for a sleek shape available in Chrome, Polished Nickel, Matte Gold and Matte Black
- State-of-the-art technological features and functions, including two USB ports, seamless interior illumination, fine-tuned defogging, several electrical outlets, and a programmable night light integrated into the handle's design
- Available in a non-electric 24-inch version to accommodate smaller, urban spaces

Tips & Features

Dimensions & Weight

- Width:
23-1/4" (591 mm)
29-1/4" (743 mm)
35-1/4" (895 mm)
- Height:
30" (762 mm)
39-3/8" (1000 mm)
- Depth: 4-5/8" (117 mm)
- Net Weight: 41 – 70 lbs

Features & Benefits

- OM[®] Audio: built-in speakers with a range up to 30 feet with a 2 channel stereo at 20 watts/channel. Bluetooth connectivity supports most Android and iOS devices. Volume controlled by device.
- LUM[®] Lighting: Integrated dimmable LED lights and one-touch lighting control with capacitive-touch switch built into the mirror
- Choose between warm, relaxing tones (2700K) that replicate indoor lighting or cool, invigorating tones (4000K), which simulate bright daylight
- Remarkably accurate color rendering at 90+ CRI, so you can see your truest reflection
- Light direction and output eliminate dark shadows, provides bright even task lighting and rich, saturated tone in your reflection

Features & Benefits (Continued)

- Dimmable LED task lighting lets you select the ideal brightness for any task
- Can be paired with all M Series mirrored and decorative glass side kits
- Interior illumination with LED lighting built into the cabinet door
- Includes magnetic tool holder for small tools like tweezers and scissors
- Includes two USB charging ports and two 15A, 120VAC outlets (2 plugs) for single door and four 120VAC outlets (4 plugs) for two door
- Includes Compact Adjustable Magnifying Mirror (CAMM) with 5x magnification that sits on the magnetic strip in your cabinet or along the inside of the door so you can see yourself close up
- Constructed to operate in high humidity or damp spaces. ETL/UL Certified for damp locations to UL 962, CSA Standard C22.2 No. 68

Configurable Options

- Door Style: single door or two door
- Audio: OM audio or non-audio version
- Color Temperature: 2700K or 4000K
- Hinge Side: left or right

Tips & Features (Continued)

Construction

- Durable rust-free anodized aluminum and glass construction – resists intense moisture, ensuring long-lasting beauty
- Satin anodized aluminum body
- Quiet close Safeseal™ Gasket with sealed corners on cabinet body
- 3 mirror design – rear of cabinet and both sides of door
- Concealed finger pull-door edge
- Door opening angle 170 degrees (110 with provided stop): Blum self-closing hinges
- Adjustable shelving at 2" (51 mm) increments: 3 shelves for 30" H, 4 shelves for 40" H
- 1/4" (6 mm) thick adjustable clear glass shelves
- Magnetic area in the rail with cabinet to house magnetic tool holder

Installation

- This installation may require more than one person
- Install as a single unit or gang together for a multiple cabinet installation
- Recessed or surface-mount installation
- Cabinets include hardware for recessed installation. Surface-mount installations require the purchase of a surface-mount kit which includes the side kit as well as mounting hardware.
- Recessed cabinets project 7/8" from wall and must be recessed no less than 3-3/4" deep
- Single field wire into electrical shelf – front access serviceability
- MGKIT includes hardware to gang both sides of a cabinet. As a result, three cabinets can be ganged together from one MGKIT.

Accessories

- Safety Lock Box (SLB24D4), 24" W cabinet only
- Entice[®] Magnification Mirror (ENTICE, ENTICEDOCK)
- Compact Adjustable Magnification Mirror (CAMM)
- Swing-Out Magnifying Mirror (SOMM)
- Pull-Out Magnifying Mirror (POMM) – 24" W only
- Handle Kits (MHANDLEKIT, MPUSHKIT)
- Glass Bins (GLASSBIN3.25, GLASSBIN5.25, GLASSBIN8.5)
- Razor/Phone Holder (MA-TRAY2.5)
- 3" and 5" Accessory Tray (MA-TRAY3, MA-TRAY5)
- Surface-Mount Kits (MSMK30D__, MSMK40D__)
- Ganging Kit (MGKIT)

Lighting Specs

Kelvin	2700K 4000K

² Measured at 18" from center of the mirror

Efficacy (LED Source)

Watts per Foot	8.8
Lumens per Foot	610
Lumens per Watt	69

Meet the cabinet with everything. A combination of innovation and convenience, AiO cabinets provide a solution for all your styling needs. Use Bluetooth® connectivity to listen to your favorite music, control task lighting with a dimmer, charge your mobile devices with integrated USB ports and more.

- LUM® Lighting Technology includes an integrated LED light, engine and dimmer, and capacitive-touch dimming switch
- OM® Audio Technology transforms your mirror into an audio system, generating sound into the entire space with high fidelity Bluetooth connectivity
- Choose between warm (2700K) and cool (4000K) lighting tones

Profiles® Framed Cabinets – Tips & Features

Dimensions & Weight

- Width:
11-1/4" (286 mm) – not available for 48" H
15-1/4" (387 mm)
19-1/4" (489 mm)
23-1/4" (591 mm)
- Height:
30" (762 mm)
39-3/8" (1000 mm)
48" (1219 mm)
- Depth:
4" (102 mm)
6" (152 mm) – not available for 48" H;
4-11/16" (119 mm) surface-mount;
15/16" (24 mm) when recessed
- Net Weight: 17 – 50 lbs

Features & Benefits

- Match all fixtures in your styling space with Profiles metal frame finishes for a coordinated look: Chrome, Polished Nickel, Matte Gold, Matte Black
- Modular cabinets can be ganged with Profiles Lighting and Profiles Mirrors with optional ganging kit
- Electric option includes two USB charging ports and one 15A, 120VAC outlets (2 plugs)
- Includes magnetic tool holder (except 12" W electric options)
- Pair with Profiles Mirror when storage is not needed and Profiles Lighting to create task lighting in your styling space
- Create a coordinated ensemble by pairing with Profiles Lighting, Profiles Mirrors and Profiles Vanities
- Constructed to operate in high humidity or damp spaces. ETL/UL Certified for damp locations to UL 962, CSA Standard C22.2 No. 68

Configurable Options

- Metal Frame Finishes:
Chrome, Polished Nickel, Matte Gold, Matte Black
- Electrical Packages: none, electric
- Hinge Options: non-handed, left or right hinge

Construction

- Durable rust-free anodized aluminum and glass construction – resists intense moisture, ensuring long-lasting beauty
- Satin anodized aluminum body
- Quiet close Safeseal™ Gasket with sealed corners on cabinet body
- 3 mirror design – on back of door and inside of cabinet

Construction (Continued)

- Concealed finger pull-door edge
- Door opening angle 170 degrees (110 with provided stop): Blum self-closing hinges
- Adjustable shelving at 2" (51 mm) increments: 3 shelves for 30" H, 4 shelves for 40" H
- 1/4" (6 mm) thick adjustable clear glass shelves
- Magnetic area in the rail with cabinet to house magnetic tool holder

Installation

- This installation may require more than one person
- Install as a single unit or gang together for a multiple cabinet installation
- Recessed, semi-recessed or surface-mount installation (6" deep cabinets can be semi-recessed by 4")
- Cabinets include hardware for recessed installation. Surface-mount and semi-recess installations require the purchase of a kit which includes the side kit as well as mounting hardware.
- Recessed cabinets project 15/16" from wall and must be recessed no less than 3-3/4" deep
- For ganging with Profiles Lighting or Profiles Mirrors, a ganging kit is needed to ensure flush alignment.
- Optional MGKIT includes hardware to gang both sides of a cabinet. As a result, three cabinets or two cabinets and three lights can be ganged together from one MGKIT.

Accessories

- Safety Lock Box (SLB-*) – not for use with 12" W cabinets
- Pull-Out Magnifying Mirror (POMM)
- Swing-Out Magnifying Mirror (SOMM)
- Push-to-Open Kit (MPUSHKIT)
- Glass Bins (GLASSBIN3.25, GLASSBIN5.25, GLASSBIN8.5)
- Razor/Phone Holder (MA-TRAY2.5)
- 3" and 5" Accessory Tray (MA-TRAY3, MA-TRAY5)
- Surface-Mount Kits (MSMK30D_, MSMK40D_, MSMK48DP)
- Ganging Kit (MGKIT) – for ganging with lighting and other cabinets
- Ganging Kit (PMGKIT___) – for ganging with Profiles Mirrors
- Stacking Filler System (MSF-*)

Notes

Profiles® Framed Cabinets – 12" W x 30" H

The bold metal frame makes a stunning first impression, while the clever storage solutions within – like integrated outlets, USB charging ports and a magnetic tool holder – create a lasting impact. Profiles medicine cabinets are gangable and can be easily combined to create additional storage space. If the extra space isn't necessary, pair with Profiles mirrors or Profiles lighting to achieve the perfect look.

- Limitless design solutions with ability to coordinate styling space above and below the sink
- Non-Electric and Electric options
- Includes two USB charging outlets and two 120VAC outlets

Profiles® Framed Cabinets – 20" W x 30" H

The bold metal frame makes a stunning first impression, while the clever storage solutions within – like integrated outlets, USB charging ports and a magnetic tool holder – create a lasting impact. Profiles medicine cabinets are gangable and can be easily combined to create additional storage space. If the extra space isn't necessary, pair with Profiles mirrors or Profiles lighting to achieve the perfect look.

- Limitless design solutions with ability to coordinate styling space above and below the sink
- Non-Electric and Electric options
- Includes two USB charging outlets and two 120VAC outlets

Profiles® Vertical Lighting – Table of Contents, Tips & Features

Table of Contents

Vertical Lighting Ganging Reference 141 – 142

Profiles Vertical Lighting Tips & Features 146 – 147

Profiles Vertical Lighting 148 – 149

Profiles Framed Cabinets 57 – 77

Profiles Framed Mirrors 170 – 171

Tips & Features

Dimensions & Weight

- Width: 3-1/2" (89 mm), 5" (127 mm)
- Height: 30" (762 mm), 39-3/8" (1000 mm)
- Depth: 4-5/8" (117 mm) surface-mount, 7/8" (22 mm) when recessed
- Net Weight: 10 – 15 lbs

Features & Benefits

- Create a coordinated ensemble by pairing with Profiles Medicine Cabinets, Profiles Mirrors and Profiles Vanities
- Match all fixtures in your styling space with Profiles metal frame finishes for a coordinated look: Chrome, Polished Nickel, Matte Gold, Matte Black
- Modular vertical lighting can be ganged with Profiles Medicine Cabinets and Profiles Mirrors
- Choose between warm, relaxing tones (2700K) that replicate indoor lighting and cool, invigorating tones (4000K), which simulate bright daylight or choose variable lighting that lets you fine-tune your color temperature between warm (2700K) and cool light (5600K) with the use of dimmers
- Remarkably accurate color rendering with a CRI value of 90+ and R9 of 50+, so you can see your truest reflection
- Light direction and output eliminates dark shadows, provides bright even task lighting and rich, saturated tone in your reflection
- Dimmable LED task lighting to 1% lets you select the ideal brightness for any task, using a standard residential dimmer that works with your home's existing wiring

Features & Benefits(Continued)

- Energy efficient LEDs with an estimated life of 53,000 hours
- Constructed to operate in high humidity or damp spaces. ETL/UL Certified for damp locations to UL 1598 CSA Standard C22.2 No. 250.0

Configurable Options

- Metal Frame Finishes: Chrome, Polished Nickel, Matte Gold, Matte Black
- Color Temperature: 2700K, 4000K, Variable (2700K – 5600K)

Construction

- Durable rust-free anodized aluminum and glass construction – resists intense moisture, ensures long-lasting beauty
- Satin anodized aluminum body

Installation

- This installation may require more than one person
- Sold as a single unit (not as pairs)
- Fixture adds 3-1/2" or 5" per light to the overall rough-in width
- Can be recessed or surface-mounted with 4" depth (D4) cabinets (D4 surface-mount kit required) and fully recessed with 6" depth (D6) cabinets
- Ganging kit required if used to mount with multiple cabinets – light comes with ganging hardware on one side

Profiles® Vertical Lighting – Tips & Features

Tips & Features (Continued)

Installation(Continued)

- Wired internally – front access serviceability
- Operates on 120VAC and 0.5A (2700K/4000K) or 1.0A (variable) per fixture
- Glass lens plane sits flush when paired with a Profiles Medicine Cabinet and Mirror (the mirror when used with ganging kit)
- Optional MGKIT includes hardware to gang to both sides of a cabinet. As a result, three lights and two cabinets can be ganged together from one MGKIT.
- Recommended dimmer for Profile fixture: Lutron® Diva ELV Dimmer (Model DVELV300P) or Caseta Wireless ELV Dimmer (Model PD5NE). These dimmers have full range control, low light adjustment, stop flickering and last setting memory.

Accessories

- Surface-Mount Kit (MSMK__D_P)
- Ganging Kit (MGKIT) – for ganging with cabinets
- Ganging Kit (PMGKIT____) – for ganging with Profiles Mirrors

Profiles® Vertical Lighting

Wherever you start your day, high-quality task lighting can make all the difference. Profiles Lighting offers remarkably accurate color rendering; adjustable color temperature and bright, consistent output that eliminates harsh shadows on the face – so you see your truest reflection, every time.

- Modular lighting can be ganged with Profiles medicine cabinets and Profiles mirrors
- Choose between warm, relaxing tones (2700K) that replicate indoor lighting and cool, invigorating tones (4000K), which simulate bright daylight or choose variable lighting that lets you fine-tune your color temperature between warm (2700K) and cool light (5600K) with the use of dimmers

1.5 Series Vertical Lighting – Table of Contents, Tips & Features

Table of Contents

Vertical Lighting Ganging Reference 141 – 142

M Series & PL Series 1.5 Series Vertical Lighting 153

Tips & Features

Dimensions & Weight

- Width: 1-1/2" (38 mm)
- Height:
30" (762 mm)
39-3/8" (1000 mm)
- Depth: 2-1/8" (54 mm)
- Net Weight: 11 lbs

Features & Benefits

- A choice between glass or acrylic lens
- End caps:
Chrome or Brushed Nickel for M Series
White, Chrome or Black for PL Series
- Dimmable ballast and non-dimmable ballast options
- Includes 3000K T8, color-corrected bulbs for optimal task lighting
- Works with surface-mount or recessed applications
- Title 24 compliant when used with a Title 24 certified bulb (certified bulb not included)
- UL listed for damp locations
- Will operate in high humidity or damp spaces.
ETL certified to UL 1598
CSA Standard C22.2 No. 250.0

Installation

- This installation may require more than one person
- Two lights per kit includes: 3,000K T-8 color corrected bulb, dimmable electronic ballast and choice of glass or acrylic shade and end cap finishes
- Dimmable bulbs carry a lifetime bulb replacement warranty
- Not available as a half kit. Two fixtures required for installation.
- Single light is 1-1/2" W. Light kit adds 3" to overall width of installation. Include this in rough opening calculation.
- Recommended dimmer: Lightolier – Sunrise Series, Model # ZP600-EB or the Lutron[®], Model# DVFTU-5A3P (4 sets of lights can go on one dimmer). Light uses the advanced Mark X ballast.
- 40" H = 25 watts each bulb (Model BULBFL3602);
30" H = 17 watt each bulb (Model BULBFL2402).
Bulbs are included. Two bulbs per pack.
- Ganging kit required if used to mount with multiple cabinets and comes with 1 pair to gang two sides of a cabinet
- The Master-to-Remote Cable is included with the fixture, but is sold separately for rough-in (6-foot limit for distance)

Accessories

- Ganging Kit (1.5GKIT)
- Master-to-Remote Cable (MFL1.5CABL)

1.5 Series Vertical Lighting – M Series & PL Series

With a sleek style and a modular design, 1.5 Series lighting simplifies the styling experience.

- A choice between glass or acrylic lens
- End caps are available in Chrome, Brushed Nickel, White or Black
- Dimmable or non-dimmable ballast options

AiO® Lighted Mirrors – Table of Contents, Tips & Features

Table of Contents

AiO Lighted Mirrors 166

Tips & Features

Dimensions & Weight

- Width:
23-1/8" (587 mm)
29-1/8" (740 mm)
35-1/8" (892 mm)
- Height:
29-7/8" (759 mm)
39-1/4" (997 mm)
69-7/8" (1775 mm)
- Depth: 1-1/2" (38 mm)
- Net Weight: 45 – 75 lbs

Features & Benefits

- OM[®] Audio: built-in speakers with a range up to 30 feet with a 2 channel stereo at 20 watts/channel. Bluetooth connectivity supports most Android and iOS devices. Volume controlled by device
- LUM[®] Lighting: Integrated dimmable LED lights and one-touch lighting control with capacitive-touch switch built into the mirror
- Choose between warm, relaxing tones (2700K) that replicate indoor lighting or cool, invigorating tones (4000K), which simulate bright daylight
- Light direction and output eliminates dark shadows, provides bright even task lighting and rich, saturated tone in your reflection
- Remarkably accurate color rendering with a CRI value of 90+ and R9 of 50+, so you can see your truest reflection
- Dimmable lighting lets you select the ideal brightness for any task, using a standard dimmer that works with existing wiring
- Energy efficient LEDs with an estimated life of 53,000 hours
- Includes two USB charging ports
- Constructed to operate in high humidity or damp spaces. ETL certified to UL 1598, CSA Standard C22.2, No. 250.0

Configurable Options

- Audio: OM audio or non-audio version
- Color Temperature: 2700K or 4000K

Construction

- Durable rust-free anodized aluminum and glass construction – resists intense moisture, ensures long-lasting beauty
- Powder coated steel back frame
- Quality polished edge mirror
- Constructed for surface mounting
- Salt Spray Testing: ASTM Standard for 300 hours performed to test mirror quality against desilvering and degradation resulting from environmental exposure
- Secure placement: Independent lab testing of mirror and frame mounting to ensure that it meets the standard for safety

Installation

- Installation may require more than one person
- Single field wire installation; hardwire to a wall or a switch (120 VAC 60 Hz 1.2A)
- 1/2" conduit (7/8" actual) electrical knockout
- Includes installation hardware with easy installation via Pinch Cleat Mounting System and back pan design for easy wiring
- Hang in portrait orientation only

Sculpt™ Lighted Mirrors – Table of Contents, Tips & Features

Table of Contents

Sculpt Lighted Mirrors 169

Tips & Features

Dimensions & Weight

- Slim Museum (W x H):
25-1/4" x 31-1/4" (641 mm x 794 mm)
25-1/4" x 41-1/4" (641 mm x 1048 mm)
31-1/4" x 41-1/4" (794 mm x 1048 mm)
- Chamfer Museum (W x H):
27" x 33" (686 mm x 838 mm)
27" x 43" (686 mm x 1092 mm)
33" x 43" (838 mm x 1092 mm)
- Frame Depth:
Slim Museum = 2-1/4" (57 mm)
Chamfer Museum = 2-5/16" (59 mm)
- Net Weight: 28 – 40 lbs

Features & Benefits

- An assortment of styles and sizes to accentuate and meet the needs of a variety of styling spaces
- Museum frames showcase a 3/8" gap between the edge of the mirror and the overall frame. The lighting and gap work together to create an even, uniformed illumination across the frame and finishes while providing ambiance and task lighting
- Museum frames include two frame styles:
Slim and Chamfer
Slim Museum Frame: for a shadow box effect and to complement a modern aesthetic, the sleek profile creates a minimalist look
Chamfer Museum Frame: the angled design adds dimension for a unique look that pairs well with transitional and traditional environments
- Match or coordinate fixtures in your styling space with four popular metal frame finishes:
Chrome, Polished Nickel, Matte Gold, Matte Black
- Create a coordinated ensemble by pairing with Profiles Vanities
- Warm, relaxing tones (2700K) that replicate indoor lighting
- Light direction and output eliminates dark shadows, provides bright, even task lighting and rich, saturated tone in your reflection

Features & Benefits (Continued)

- Remarkably accurate color rendering with a CRI value of 90+ and R9 of 50+, so you can see your truest reflection
- Dimmable LED task lighting lets you select the ideal brightness for any task, using a standard dimmer that works with existing wiring. The mirror's LED task lighting provides continuously dimmable brightness to 1%
- Defogging technology ensures a clear reflection using a standard wall switch
- Energy efficient LEDs with an estimated life of 53,000 hours
- Compatible with most Triac/Phase-cut dimmers
- Constructed to operate in high humidity or damp spaces. UL Certified for damp locations to UL 962, CSA Standard C22.2

Title 24 Compliant Models

- LED mirror models (K) tested and certified to California Title 24 standards and meet JA8 2016 requirements
- The Title 24 certified LED mirror has up to 60% more lumen output than the standard model. This increases the overall brightness of warm white light that illuminates your space and reflection
- The mirror's LED task lighting exceeds Title 24 requirements (< 10% minimum dimming level) with continuously dimmable brightness to 1%
- Vacancy and dimmer recommendation:
Maestro C•L Dimmer and Motion Sensor

Configurable Options

- Mirror Style:
Perimeter Rectangle, Title 24 Perimeter Rectangle
- Frame Styles: Slim Museum, Chamfer Museum
- Metal Frame Finishes:
Chrome, Polished Nickel, Matte Gold, Matte Black

Sculpt™ Lighted Mirrors – Tips & Features

Tips & Features (Continued)

Construction

- Frame Construction:
Plated Chrome and Polished Nickel finishes provide easy upkeep, exceptional durability, and a timeless look that complements any design
Anodized Matte Gold and Matte Black finish options are easy to maintain and won't chip, peel, or fade – so you can enjoy their beauty for years to come
- Durable rust-free anodized aluminum and glass construction – resists intense moisture, ensuring long-lasting beauty
- Quality polished edge mirror
- Constructed for surface mounting
- Salt Spray Testing: ASTM Standard for 300 hours performed to test mirror quality against desilvering and degradation resulting from environmental exposure
- Secure placement: Independent lab testing of mirror and frame mounting to ensure that it meets the standard for safety

Installation

- This installation may require more than one person
- Includes installation hardware with easy installation via Plug and Hang System:
Install mirror by plugging into an outlet behind the mirror, eliminating the need to bring back an electrician to install or remove – making it a cinch for both new construction and renovations.
Works in all North American outlets
Hang the mirror using a pinch cleat mounting system, which provides strength and simplicity to the installation process
- Requires 120 VAC 20 amp GFCI circuit protected wall outlet (configured as detailed in installation instructions)
- Mirror functions (lighting, defogger) operated using standard residential dimmers and switches, available separately through electrical supply and home improvements centers
- Dimmer recommendation:
C•L® Dimmers or Caseta Wireless from LUTRON®
- For on/off (no dimmer) operation, a standard wall switch may be substituted in place of the dimmer
- Hang in portrait orientation only

Sculpt™ Lighted Mirrors

The sophisticated interplay of premium task lighting and museum frames makes the Sculpt Lighted Mirror an undeniably exquisite focal point in a variety of styling spaces.

- An assortment of styles and sizes to accentuate and meet the needs of a variety of styling spaces
- Museum frames showcase the lighted mirror by featuring a gap between the edge of the mirror and the overall frame. This kind of precision design allows for even task lighting, high CRI and lumen output so you still see your truest reflection
- Smooth and continuous dimming from standard LED dimmers and defogging via standard wall switch

Profiles® Framed Mirrors – Table of Contents, Tips & Features

Table of Contents

Profiles Framed Mirrors	171
Profiles Framed Cabinets	57 – 77
Profiles Lighting Options	146 – 149

Tips & Features

Dimensions & Weight

- Width:
23-1/8" (587 mm)
29-7/8" (759 mm)
35-7/8" (911 mm)
- Height:
29-7/8" (759 mm)
39-1/4" (997 mm)
- Depth: 3/4" (19 mm);
15/16" (24 mm) when ganged with
vertical lighting or medicine cabinets
- Net Weight: 12 – 21 lbs

Features & Benefits

- Match all fixtures in your styling space with Profiles metal frame finishes for a coordinated look: Chrome, Polished Nickel, Matte Gold, Matte Black
- Modular mirrors can be ganged with Profiles Lighting and Profiles Medicine Cabinets with optional ganging kit
- Pair with Profiles Medicine Cabinets when storage is needed and Profiles Lighting to create task lighting in your styling space
- Create a coordinated ensemble by pairing with Profiles Medicine Cabinets, Profiles Lighting and Profiles Vanities

Configurable Options

- Metal Frame Finishes:
Chrome, Polished Nickel, Matte Gold, Matte Black

Construction

- Durable rust-free anodized aluminum and glass construction – resists intense moisture, ensures long-lasting beauty
- Constructed for surface mounting

Installation

- This installation may require more than one person
- Includes installation hardware with easy installation via Pinch Cleat Mounting System
- For ganging with Profiles Medicine Cabinets or Profiles Lighting, a mirror ganging kit is needed to ensure flush alignment
- If ganging with Profiles Lighting, the existing ganging feature found on one side will need to be removed and the mirror ganging kit (PMGKIT – sold separately) will need to be installed
- Hang in portrait orientation only

Accessories

- Ganging Kit (PMGKIT___)

Profiles® Framed Mirrors

Put the finishing touches on your ensemble with a Profiles Mirror in coordinating metal finishes, and add Profiles lighting to create a stylish and functional getting-ready space. Profiles mirrors are available in portrait orientation but can easily be ganged together, or connected to a Profiles medicine cabinet, to extend their visual impact.

- Match all fixtures in your styling space with Profiles metal frame finishes for a coordinated look: Chrome, Polished Nickel, Matte Gold, Matte Black
- Modular mirrors can be ganged with Profiles lighting and Profiles medicine cabinets with optional ganging kit
- Pair with Profiles medicine cabinets when storage is needed and Profiles lighting to create task lighting in your styling space

 40" (1016 mm)
- Title 24 Dimensions (W x H):
 24" x 30" (610 mm x 762 mm)
 24" x 40" (610 mm x 1016 mm)
 30" x 40" (762 mm x 1016 mm)
 36" x 40" (914 mm x 1016 mm)
- Depth: 1-3/4" (44 mm)
- Net Weight: 23 – 39 lbs

Features & Benefits

NEW!

- Two new light patterns: Glow and Edge Lit
 With Glow no light comes through the glass (mirrored front) creating a glowing effect on the edges of the mirror and illuminating the wall. This effect creates a silhouette, emphasizes the mirror making it the focal point and contributes ambient lighting to the space.
 Edge Lit provides both task lighting and ambiance. Light emits from the front edges to properly illuminate your face and glows out the edge of the mirror for a soft wall effect. This light pattern is often chosen for ADA applications because no light bar obstructs the reflection of a seated viewer.
- Choose between warm, relaxing tones (2700K) that replicate indoor lighting or cool, invigorating tones (4000K), which simulate bright daylight

Features & Benefits (Continued)

- Light direction and output eliminates dark shadows, provides bright, even task lighting and rich, saturated tone in your reflection
- Dimmable LED task lighting lets you select the ideal brightness for any task, using a standard dimmer that works with existing wiring. The mirror's LED task lighting provides continuously dimmable brightness to 1%
- Defogging technology ensures a clear reflection using a standard wall switch
- Energy efficient LEDs with an estimated life of 53,000 hours
- Flip Installation: the 48" x 36" mirror can be flipped to 36" x 48" to give two size options for a home. By purchasing this mirror option, you not only get the choice to pick the size that meets your needs, it gives you the freedom to change orientation later.
- Compatible with most Triac/Phase-cut dimmers; 0-10V for custom projects
- Constructed to operate in high humidity or damp spaces. ETL/UL Certified for damp locations to UL 962, CSA Standard C22.2, No. 12-82

Title 24 Compliant Models

- LED mirror models (K) tested and certified to California Title 24 standards and meet JA8 2016 requirements
- The Title 24 certified LED mirror has up to 60% more lumen output than the standard model. This increases the overall brightness of warm white light that illuminates your space and reflection
- The mirror's LED task lighting exceeds Title 24 requirements (< 10% minimum dimming level) with continuously dimmable brightness to 1%
- Vacancy and dimmer recommendation: Maestro C•L Dimmer and Motion Sensor

For a Framed solution, see pages 167 – 169.

Vitality® Lighted Mirrors – Tips & Features

Tips & Features (Continued)

Configurable Options

- Mirror Styles: Inset Rectangle, Column Rectangle, Perimeter Rectangle, Glow Rectangle, Edge Lit Rectangle, Inset Circle, Perimeter Circle, Title 24 Compliant Perimeter Rectangle
- Color Temperature: 2700K (Perimeter, Glow and Edge Lit, Inset, Column) or 4000K (Inset, Column)

Construction

- Durable rust-free anodized aluminum and glass construction – resists intense moisture, ensures long-lasting beauty
- Anodized aluminum back frame
- Quality polished edge mirror
- Diffuser built into the product eliminating the need for plastic diffusers to be purchased separately
- Fully encased lighting construction eliminating exposed LEDs and electrical components
- Constructed for surface mounting
- Salt Spray Testing: ASTM Standard for 300 hours performed to test mirror quality against desilvering and degradation resulting from environmental exposure
- Secure placement: Independent lab testing of mirror and frame mounting to ensure that it meets the standard for safety

Installation

- Installation may require more than one person
- Includes installation hardware with easy installation via Plug and Hang System:
 - Install mirror by plugging into an outlet behind the mirror, eliminating the need to bring back an electrician to install or remove – making it a cinch for both new construction and renovations. Works in all North American outlets
 - Hang the mirror using a pinch cleat mounting system, which provides strength and simplicity to the installation process
- Requires 120 VAC 20 amp GFCI circuit protected wall outlet (configured as detailed in installation instructions)
- Mirror functions (lighting, defogger) operated using standard residential dimmers and switches, available separately through electrical supply and home improvements centers

Installation (Continued)

- Dimmer recommendation: C•L® Dimmers or Caseta Wireless from LUTRON®
- For on/off (no dimmer) operation, a standard wall switch may be substituted in place of the dimmer

Lighting Specs: Standard Vitality

Profiles Vanity with Antique Mirror Glass Tips & Features	185 – 186
Profiles Vanities with Antique Mirror Glass	188 – 189
Vanity Tops	258 – 265
Profiles Vanity Undermount Bowl Space Availability	266
Vanity Accessories	271 – 275

Tips & Features

Dimensions & Weight

- Dimensions (W x H):
30" x 22-1/2" (762 mm x 572 mm)
60" x 22-1/2" (1524 mm x 572 mm)
- Depth: 21-3/4" (552 mm)
- Net Weight: 72 – 127 lbs

Features & Benefits

- Exclusive offering available:
Antique Mirror options in Arcobaleno with a Matte Gold frame finish and Luna with a Matte Black frame finish
- Arcobaleno and Luna patterns are unique and unrepeatable which means no two pieces are alike due to the handcrafted quality of this product
- Match fixtures in your styling space with Matte Gold and Matte Black metal frame finishes for a coordinated look
- Create a coordinated ensemble by pairing with Profiles Medicine Cabinets, Profiles Lighting and Profiles Mirrors
- Tip out drawer for H1 (7-1/2" H) gives storage back by providing a drawer for smaller items and slow-close plumbing drawer for H2 (15" H) allows for maximum storage
- Uniquely designed handleless ergonomic drawer, allows for a comfortable feel and effortless operation
- Organization kit for H2 (15" H): two fully adjustable glass drawer dividers provide storage right where you need it and prevent items from moving and sliding in the drawer
- Night light – integrated LED night light with light bar built into top frame of each drawer, provides soft light to illuminate drawer interior and for wayfinding light in selectable 2700 Kelvin/4000 Kelvin. Night light is ETL certified to UL 2108, CSA Standard C22.2 No. 12
- Electric accessory option: three plugs and a switch that turns off power to the unit to keep appliances safely plugged in

Configurable Options

- Vanity Styles:
Powder Room (30" W)
Master Bath (60" W)
- Decorative Options:
Arcobaleno with a Matte Gold frame finish
Luna with a Matte Black frame finish

Construction

- Durable rust-free anodized aluminum and glass construction – resists intense moisture, ensuring long-lasting beauty
- Slow-close full-extension slides combined with the durability of aluminum construction ensure smooth operation of the vanity drawers that will last a lifetime
- Constructed for wall hanging loads with stone tops
- Glass fronts and side kits are replaceable
- Industrial grade installation hardware
- White shatter-protected glass drawer bottoms will not degrade or show wear. Glass dissipates heat to ensure confidence that hot items will not leave heat marks on the bottom of the drawers

Profiles® Vanities with Antique Mirror Glass – Tips & Features

Tips & Features (Continued)

Installation

- This installation may require more than one person
- Includes installation hardware and structural bolts
- Special site preparation is required. Wall bracing and Robern supplied hardware are recommended
- The plumbing must be roughed into the plumbing cutout area of the vanity. Refer to the sink rough-in and the vanity rough-in for proper placement. The water supply and drain lines must be installed before installing the vanity.
- Components needed for stacking are included with each vanity; ganging kit sold separately for the 60" configuration
- Side kits are sold separately to allow for customization and are available as pairs
- Each design offers the necessary 15" plumbing clearance needed to clear the pipes
- Night light (S) – 12VDC plug-in transformer. Option of two color temperatures for one night light: 2700 or 4000 Kelvin. The vanity is preconfigured at 2700K. Night light can be reconfigured to 4000K at time of installation, see installation instructions for more information
- Electric Accessory option: 120VAC 20A tamper resistant outlet. Installed within 15" H (H2) vanity drawer; not recommended to be used in combination with Slim Drawer Insert; recommended in combination with Hair Styling Organizer
- Slim plumbing drawer insert must be used with a sink installation – includes four glass bins and only available for 15" H (H2) vanities
- Hair Styling Organizer fits 15" H (H2) plumbing vanity drawers; cannot be used in combination with slim plumbing drawer insert; recommended in combination with Electric Accessory

Accessories

- In-drawer Electric Accessory (VAELECTRIC21): ETL certified to UL 1363, CSA Standard C22.2 No. 21; to be used in 15" H (H2) vanity drawers only
- Hair Styling Organizer (VAHAIRORG): fits most hair dryers and curling irons – to be used in 15" H (H2) vanity drawers only
- Slim Plumbing Drawer insert with four glass bins (VADRAWER30P) – to be used in 15" H (H2) vanity drawers only
- Glass Bins: divided storage (GLASSBIN6.38), small (GLASSBIN3.25), medium (GLASSBIN5.25), large (GLASSBIN8.5)
- Glass (30" W only) and engineered stone tops with porcelain sink
- Glass side kits sold separately as a pair. Available in 22-1/2" (H3) height and 21" depth
- Ganging kits are required for the 60" W configuration. One 22-1/2" (H3) ganging kit is needed to gang the vanity drawers together
- Alcove finishing kits are required for corner or alcove installations and is available in 22-1/2" (H3) height

Profiles® Vanity with Antique Mirror Glass

The stunning and versatile Profiles Collection features two dramatic Italian glass options: antique mirror in Arcobaleno and Luna.

- Antique Mirror options in Arcobaleno with a Matte Gold frame finish and Luna with a Matte Black frame finish
- Arcobaleno and Luna patterns are unique and unrepeatable which means no two pieces are alike due to the handcrafted quality of this product

Tips & Features

Dimensions & Weight

- Width (with side kits installed):
24" (610 mm)
30" (762 mm)
36" (914 mm)
- Height:
15-3/4" (400 mm)
30-3/4" (781 mm)
- Depth: 22" (559 mm)
- Net Weight: 100 – 205 lbs

Features & Benefits

- Fully pre-configured vanity
- Glass finishes and engineered stone create a visually stunning product that's durable enough to stand the test of time
- Includes Robern ceramic lavatory and proprietary Robern mounting brackets
- Vanity top with 8" widespread faucet holes
- Plumbing slow-close drawer allows clearance for drain; tip out drawer for H1 (7-1/2" H) gives storage back by providing a drawer for smaller items and full slow-close drawer allows for maximum storage when plumbing does not interfere
- Uniquely designed handleless ergonomic drawer, allows for a comfortable feel and effortless operation
- H1 (7-1/2" H) vanities include five glass bins for plumbing drawers and four glass bins for full drawers; H2 (15" H) vanities include one glass bin with plumbing drawers

Features & Benefits (Continued)

- Organization kit for H2 (15" H): two fully adjustable glass drawer dividers provide storage right where you need it and prevent items from moving and sliding in the drawer
- Night Light Option – integrated LED night light with light bar built into top frame (top drawer only), provides soft light to illuminate drawer interior and for wayfinding light in either selectable 2700 Kelvin/4000 Kelvin or 5000 Kelvin. Night light is ETL certified to UL 2108, CSA Standard C22.2 No. 12
- Electric accessory option: three plugs and a switch that turns off power to the unit to keep appliances safely plugged in

Configurable Options

2) Tinted Gray Mirror Glass, Lyra Top,
3) Matte Gray Glass, Quartz White Top
- Night Light:
No Night Light or Integrated LED Night Light in selectable 2700 Kelvin/4000 Kelvin or 5000 Kelvin

Curated Cartesian® Vanities – Tips & Features

Tips & Features (Continued)

Construction

- Durable rust-free anodized aluminum and glass construction – resists intense moisture, ensuring long-lasting beauty
- Slow-close full-extension slides combined with the durability of aluminum construction ensure smooth operation of the vanity drawers that will last a lifetime
- Constructed for wall hanging loads with stone tops
- Glass fronts and side kits are replaceable
- Industrial grade installation hardware
- White shatter-protected glass drawer bottoms will not degrade or show wear. Glass dissipates heat to ensure confidence that hot items will not leave heat marks on the bottom of the drawers

Installation

- This installation may require more than one person
- Includes installation hardware, structural bolts and silicone
- Special site preparation is required. Wall bracing and Robern supplied hardware are recommended.
- The plumbing must be roughed into the plumbing cutout area of the vanity. Refer to the sink rough-in and the vanity rough-in for proper placement. The water supply and drain lines must be installed before installing the vanity.
- Components needed for stacking are included with each vanity
- Each design offers the necessary 15" plumbing clearance needed to clear the pipes
- Night Light Option (S) – 12VDC plug-in transformer. Option of two color temperatures for one night light: 2700 or 4000 Kelvin. The vanity is preconfigured at 2700K. Night light can be reconfigured to 4000K at time of installation. See installation instructions for more information.
- Night Light Option (T) – 12VDC plug-in transformer in 5000 Kelvin color temperature. Locate wall outlet as per installation instructions.

Installation (Continued)

- Electric Accessory option: 120VAC 20A tamper resistant outlet. Installed within 15" H (H2) vanity drawer; not recommended to be used in combination with Slim Drawer Insert; recommended in combination with Hair Styling Organizer
- Slim full drawer insert can be used in a full drawer – includes four glass bins and only available for 15" H (H2) vanities
- Hair Styling Organizer fits all 15" H (H2) full vanity drawers; cannot be used in combination with slim plumbing drawer insert; recommended in combination with Electric Accessory

Accessories

- In-drawer Electric Accessory (VAELECTRIC21): ETL certified to UL 1363, CSA Standard C22.2 No. 21 – to be used in 15" H (H2) vanity drawers only
- Accessory Night Light in selectable 2700 Kelvin/ 4000 Kelvin (SLEDS24, SLEDS30, SLEDS36) and 5000 Kelvin (CLEDS24, CLEDS30, CLEDS36): Night light is ETL certified to UL 2108, CSA Standard C22.2 No. 12
- Slim Full Drawer Insert with four glass bins (VADRAWER24X, VADRAWER30X, VADRAWER36X) – 15" H only
- Glass Bins: divided storage (GLASSBIN6.38), small (GLASSBIN3.25), medium (GLASSBIN5.25), large (GLASSBIN8.5)
- Hair Styling Organizer (VAHAIRORG): fits most hair dryers and curling irons – to be used in 15" H (H2) vanity drawers only

Tips & Features

Dimensions & Weight

- Width (with side kits installed):
12-1/8" (308 mm)
24-1/8" (613 mm)
30-1/8" (765 mm)
36-1/8" (918 mm)
- Height:
7-1/2" (191 mm)
15" (381 mm)
- Depth:
18-3/4" (476 mm)
21-3/4" (552 mm)
- Net Weight: 17 – 55 lbs

Features & Benefits

- Match or coordinate fixtures in your styling space with four popular metal frame finishes: Chrome, Polished Nickel, Matte Gold, Matte Black
- Glass finish options:
Mirror, 10 decorative gloss and matte finishes
- Modular vanities can be ganged or stacked to fit a variety of desired heights and widths (ganging kit required)
- Create a coordinated ensemble by pairing with Profiles Medicine Cabinets, Profiles Lighting and Profiles Mirrors
- Plumbing slow-close drawer allows clearance for drain; tip out drawer for H1 (7-1/2" H) gives storage back by providing a drawer for smaller items and full slow-close drawer allows for maximum storage when plumbing does not interfere
- Uniquely designed handleless ergonomic drawer, allows for a comfortable feel and effortless operation

Features & Benefits (Continued)

- H1 (7-1/2" H) vanities include five glass bins for plumbing drawers and four glass bins for full drawers; H2 (15" H) vanities include one glass bin with plumbing drawers; not available for 12" W vanities
- Organization kit for H2 (15" H): two fully adjustable glass drawer dividers provide storage right where you need it and prevent items from moving and sliding in the drawer
- Night Light Option – integrated LED night light with light bar built into top frame of each drawer, provides soft light to illuminate drawer interior and for wayfinding light in selectable 2700 Kelvin/4000 Kelvin. Night light is ETL certified to UL 2108, CSA Standard C22.2 No. 12
- Electric accessory option: three plugs and a switch that turns off power to the unit to keep appliances safely plugged in

Configurable Options

- Metal Frame Finishes:
Chrome, Polished Nickel, Matte Gold, Matte Black
- Glass Finish Options:
Mirror, 10 Decorative Gloss and Matte Colors
- Night Light:
No Night Light or Integrated LED Night Light in selectable 2700 Kelvin/4000 Kelvin
- Drawer Application:
Choice of split plumbing (not available for 12" W drawer), full drawer or tip out drawer (7-1/2" H only, not available for 12" W drawer)

Profiles® Vanities – Tips & Features

Tips & Features (Continued)

Construction

- Durable rust-free anodized aluminum and glass construction – resists intense moisture, ensuring long-lasting beauty
- Slow-close full-extension slides combined with the durability of aluminum construction ensure smooth operation of the vanity drawers that will last a lifetime
- Constructed for wall hanging loads with stone tops
- Glass fronts and side kits are replaceable
- Industrial grade installation hardware
- White shatter-protected glass drawer bottoms will not degrade or show wear. Glass dissipates heat to ensure confidence that hot items will not leave heat marks on the bottom of the drawers

Installation

- This installation may require more than one person
- Includes installation hardware and structural bolts
- Special site preparation is required. Wall bracing and Robern supplied hardware are recommended
- The plumbing must be roughed into the plumbing cutout area of the vanity. Refer to the sink rough-in and the vanity rough-in for proper placement. The water supply and drain lines must be installed before installing the vanity.
- Components needed for stacking are included with each vanity
- Within a column, all vanities must stay the same width. Ganging kit required for each column connection point and is selected based on the connection height of the cabinets. Each ganging kit is by 7-1/2" H increments (H1 = 7-1/2", H2 = 15", H3 = 22-1/2", H4 = 30").
- Side kits are sold separately to allow for customization and are available individually or as pairs. You must choose one side kit or alcove kit for every exposed side.
- With a 7-1/2" H vanity, a tip out drawer must be used with an undercounter sink
- If stacking with a 7-1/2" H tip out drawer, the second vanity must be a 7-1/2" H plumbing drawer, a 15" H plumbing drawer or a 15" full drawer as the first 15" H needs plumbing clearance. If using 7-1/2" H tip out for undercounter sink installation, slim plumbing drawer insert can be used with a 15" H plumbing drawer and still clear pipes.
- Full drawer units are intended for ganging and stacking and are not designed to accept a sink or plumbing.
- Night light option (S) – 12VDC plug-in transformer. Option of two color temperatures for one night light: 2700 or 4000 Kelvin. The vanity is preconfigured at 2700K. Night light can be reconfigured to 4000K at time of installation. See installation instructions for more information.

Installation (Continued)

- Electric Accessory option: 120VAC 20A tamper resistant outlet. Installed within 15" H (H2) vanity drawer; not recommended to be used in combination with Slim Drawer Insert; recommended in combination with Hair Styling Organizer
- Slim plumbing drawer insert must be used with an above-counter sink installation; full drawer version can be used in a full drawer) – includes four glass bins and only available for 15" H (H2) vanities (not available for 12" W vanities)
- Hair Styling Organizer fits all 15" H (H2) vanity drawers except 24" plumbing drawer; cannot be used in combination with slim drawer insert; recommended in combination with Electric Accessory

Accessories

- In-drawer Electric Accessory (VAELECTRIC18, VAELECTRIC21): ETL certified to UL 1363, CSA Standard C22.2 No. 21 – 15" H only
- Accessory Night Light in selectable 2700 Kelvin/4000 Kelvin (SLEDS12, SLEDS24, SLEDS30, SLEDS36): Night light is ETL certified to UL 2108, CSA Standard C22.2 No. 12
- Slim Plumbing Drawer Insert with four glass bins (VADRAWER24P, VADRAWER30P, VADRAWER36P) – 15" H only
- Slim Full Drawer Insert with four glass bins (VADRAWER12X, VADRAWER24X, VADRAWER30X, VADRAWER36X) – 15" H only
- Glass Bins: divided storage (GLASSBIN6.38), small (GLASSBIN3.25), medium (GLASSBIN5.25), large (GLASSBIN8.5)

Vanity Accessories	271 – 275

Tips & Features

Dimensions & Weight

- Width: 12-1/4" (311 mm), 24-1/4" (616 mm), 30-1/4" (769 mm), 36-1/4" (921 mm), 48-1/4" (1226 mm), 60-1/4" (1530 mm)
- Height: 14" (356 mm)
- Depth: 21" (533 mm)
- Net Weight: 30 – 157 lbs

Features & Benefits

- Choose between a contemporary look with hand-free operation drawers that open with a gentle push (push-to-open) or a more traditional design featuring a stylish ergonomically designed handle in brushed aluminum trim and slow-close drawers
- Plumbing drawer allows clearance for drain and full drawer allows for maximum storage when plumbing does not exist
- Vanities are modular and can be ganged with other V14 vanities to fit a variety of desired widths
- Vanities include five glass bins for plumbing drawers and four glass bins for full drawers

Features & Benefits (Continued)

- Organization kit: two fully adjustable glass drawer dividers provide storage right where you need it and prevent items from moving and sliding in the drawer
- Night Light Option – integrated LED night light with light bar built into top frame of each drawer, provides soft light to illuminate drawer interior and for wayfinding light in 5000 Kelvin. Night light is ETL certified to UL 2108, CSA Standard C22.2 No. 12
- Electric accessory option: three plugs and a switch that turns off power to the unit to keep appliances safely plugged in

Configurable Options

- Decorative Glass Options: Mirror, 12 decorative gloss and matte finishes
- Drawer Application: full drawer or plumbing drawer
- Drawer Type: push-to-open or slow-close
- Night Light: No Night Light or Integrated LED Night Light in 5000 Kelvin

V14® Vanities – Tips & Features

Tips & Features (Continued)

Construction

- Durable rust-free anodized aluminum and glass construction – resists intense moisture, ensuring long-lasting beauty
- 14" high vanity designed for convenient, customized bathroom storage
- Slow-close drawer features an ergonomically designed, integrated handle in brushed aluminum to coordinate with brushed aluminum trim; handle adds 1" depth to the depth of the vanity
- Uniquely designed push-to-open drawer mechanism provides hand-free operation
- Constructed for wall hanging loads with stone tops
- Glass fronts and side kits are replaceable
- White shatter-protected glass drawer bottoms will not degrade or show wear. Glass dissipates heat to ensure confidence that hot items will not leave heat marks on the bottom of the drawers

Installation

- This installation may require more than one person
- Includes installation hardware and structural bolts
- Special site preparation is required. Wall bracing and Robern supplied hardware are recommended
- The plumbing must be roughed into the plumbing cutout area of the vanity. Refer to the sink rough-in and the vanity rough-in for proper placement. The water supply and drain lines must be installed before installing the vanity.
- Modular units require a ganging kit to ensure proper space and drawer functionality; hardware required when stacking two or more wall hung vanities
- Full drawer units are intended for ganging and stacking and are not designed to accept a sink
- Included side kit adds 1/8" to each side, 1/4" to overall width of vanity (does not apply to 12" W vanities)
- 12" W Unit: single-drawer, no sink (12" W drawers are intended for ganging with other V14 units and do not ship with a side kit)
- 24" W, 30" W and 36" W Units: single plumbing clearance drawer, center sink installation and single full storage drawer, no sink
- 36" W Unit: 24" W unit with left or right plumbing clearance drawer for left or right mount sink installation, and 12" W unit (no sink)

Installation (Continued)

- 48" W Unit: three drawer unit consists of 24" W unit with center plumbing clearance drawer for center mount sink, flanked by two 12" W units (no sink) to left and right
- 60" W Unit: three drawer unit consists 36" W unit with center plumbing clearance drawer for center mount sink, flanked by two 12" W units (no sink) to left and right
- Night light option (L) – 12VDC plug-in transformer in 5000 Kelvin color temperature. Locate wall outlet as per installation instructions.
- Electric Accessory option: 120VAC 20A tamper resistant outlet. Installed within vanity drawer; not recommended to be used in combination with Slim Drawer Insert; recommended in combination with Hair Styling Organizer
- Hair Styling Organizer fits all vanity drawers except 24" plumbing drawer; cannot be used in combination with slim drawer insert; recommended in combination with Electric Accessory
- Slim plumbing drawer insert must be used with an above-counter sink installation; full drawer version can be used in a full drawer - includes four glass bins
- Toilet paper holder is installed directly to the vanity and can be installed on either side of the vanity

Accessories

- In-drawer Electric Accessory (VFELECTRIC): ETL certified to UL 1363, CSA Standard C22.2 No. 21
- Accessory Night Light in 5000 Kelvin (CLEDS12, CLEDS24, CLEDS30, CLEDS36): Night light is ETL certified to UL 2108, CSA Standard C22.2 No. 12
- Slim Plumbing Drawer Insert with four glass bins (VFDRAWER24P, VFDRAWER30P, VFDRAWER36P)
- Slim Full Drawer Insert with four glass bins (VFDRAWER24X, VFDRAWER30X, VFDRAWER36X)

	Legs (2) & hardware for stacking two or more wall-hung vanities	VFSTACKA	\$ 299.
	Legs (4) & hardware for stacking two or more wall-hung vanities	VFSTACKL	\$ 179.

See additional Accessories on pages 273 – 273.

SEE PAGES 218 – 219 FOR TIPS AND FEATURES.

V14® Ganging Reference

Refer to the following for V14 ganging/stacking examples:

Stacking Wall-Hung
Required Hardware:
VFSTACK

Recommended installation height is 34½"; however, wall-hung vanities can be installed at varying heights. Please refer to instruction sheets for specific requirements.

Stacking with Legs
Required Hardware:
VFSTACKA or VFSTACKL

The V14 Stacking Kits with Legs (VSTACKA/L) includes brushed aluminum legs which are 6½" H. The V14 Vanities are 14" H. The installed vanity height will be 34½" H. The specified counter and sink will impact the total height of the installation.

Stacking & Ganged
Wall-Hung
Required Hardware:
2 VFGKIT
2 VFSTACK

Stacking & Ganged
with Legs
Required Hardware:
2 VFGKIT
2 VFSTACKA or 2 VFSTACKL

It is recommended to use a Full Storage Drawer for the bottom of a 2-drawer stacked unit. The Full Drawers come with glass dividers to partition the drawer in a variety of ways and does not include plumbing clearance cutouts.

Total Width of vanity area should be a minimum of 48" W.

Example 1: Two 12" Wall-Hung Vanities

Example 1: Two 12" wide V14 vanities for a 48" wide Vanity Space:

- 12" wide V14 + 24" wide open space + 12" wide V14 vanity = 48" wide Vanity

Example 2: Two 24" Wall-Hung Vanities

Example 2: Two 24" wide V14 vanities for a 72" wide Vanity Space:

- 24" wide V14 + 24" wide open space + 24" wide V14 vanity = 72" wide Vanity

Note: For 12" wide Vanities, side kits will need to be purchased for this installation. See page 223 for side kit information.

V14® Ganging Reference

V14 can be ganged together to form endless combinations and installations to meet a variety of needs:

To acquire the total width of the vanity, add actual vanity dimensions together.

Example 3: Dual Sink Installation
with Two Wall-Hung Vanities

Example 4: Dual Sink Installation
with Three Wall-Hung Vanities

Example 3: To create a 48" Dual Sink installation:

- Two 24" wide V14: $24\frac{1}{4}" + 24\frac{1}{4}" = 48\frac{1}{2}"$

Example 4: To create a 60" wide Dual Sink Installation, three Vanities recommended:

- 24" wide V14 (left) + 12" wide V14 (center) + 24" wide V14 (right) = $24\frac{1}{4}" + 12\frac{1}{4}" + 24\frac{1}{4}" = 60\frac{3}{4}"$

It is recommended to use a Full Storage Drawer for the center drawer of a 3-drawer ganged vanity installation.

The Full Drawers come with glass dividers to partition the drawer in a variety of ways and does not include plumbing clearance cutouts.

Please refer to page 223 for 12" W accessory drawer options.

Cartesian Vanity Model Number Worksheet	241
Cartesian Vanities	242 – 255
12" Wide Cartesian Vanity	242 – 243
24" Wide Cartesian Vanity	244 – 247
30" Wide Cartesian Vanity	248 – 251
36" Wide Cartesian Vanity	252 – 255
Vanity Tops	258 – 265
Cartesian Vanity Undermount Bowl Space Availability	266
Vanity Accessories	271 – 275

Tips & Features

Dimensions & Weight

- Width (with side kits installed):
12-1/8" (308 mm), 24-1/8" (613 mm),
30-1/8" (765 mm), 36-1/8" (918 mm)
- Height:
7-1/2" (191 mm), 15" (381 mm)
- Depth:
18-3/4" (476 mm), 21-3/4" (552 mm)
- Net Weight: 25 – 97 lbs

Features & Benefits

- Offered in limitless designs, these vanities are built to fit your preference and storage needs
- Modular vanities can be ganged or stacked to fit a variety of desired heights and widths (ganging kit required)
- Plumbing slow-close drawer allows clearance for drain; tip out drawer for H1 (7-1/2" H) gives storage back by providing a drawer for smaller items and full slow-close drawer allows optimal storage solutions
- Uniquely designed handleless ergonomic drawer, allows for a comfortable feel and effortless operation
- H1 (7-1/2") vanities include five glass bins for plumbing drawers and four glass bins for full drawers; H2 (15") vanities include one glass bin with plumbing drawers; not available for 12" W vanities

Features & Benefits (Continued)

- Organization kit for H2 (15" H): two fully adjustable glass drawer dividers provide storage right where you need it and prevent items from moving and sliding in the drawer
- Night Light Option – integrated LED night light with light bar built into top frame of each drawer, provides soft light to illuminate drawer interior and for wayfinding light in either selectable 2700 Kelvin/4000 Kelvin or 5000 Kelvin. Night light is ETL certified to UL 2108, CSA Standard C22.2 No. 12
- Electric accessory option: three plugs and a switch that turns off power to the unit to keep appliances safely plugged in

Configurable Options

- Decorative Glass Options:
mirror, 14 decorative gloss, matte and textured colors
- Night Light:
No Night Light or Integrated LED Night Light in selectable 2700 Kelvin/4000 Kelvin or 5000 Kelvin
- Drawer Application:
Choice of split plumbing (not available for 12" W drawer), full drawer or tip out drawer (7-1/2" H only, not available for 12" W drawer)

Tips & Features (Continued)

Construction

- Durable rust-free anodized aluminum and glass construction – resists intense moisture, ensuring long-lasting beauty
- Slow-close full-extension slides combined with the durability of aluminum construction ensure smooth operation of the vanity drawers that will last a lifetime
- Constructed for wall hanging loads with stone tops
- Glass fronts and side kits are replaceable
- White shatter-protected glass drawer bottoms will not degrade or show wear. Glass dissipates heat to ensure confidence that hot items will not leave heat marks on the bottom of the drawers

Installation

- This installation may require more than one person
- Includes installation hardware and structural bolts
- Special site preparation is required. Wall bracing and Robern supplied hardware are recommended
- The plumbing must be roughed into the plumbing cutout area of the vanity. Refer to the sink rough-in and the vanity rough-in for proper placement. The water supply and drain lines must be installed before installing the vanity
- Components needed for stacking are included with each vanity
- Within a column, all vanities must stay the same width. Ganging kit required for each column connection point and is selected based on the connection height of the vanities. Each ganging kit is by 7-1/2" increments (H1 = 7-1/2", H2 = 15", H3 = 22-1/2", H4 = 30").
- Side kits are sold separately to allow for customization and are available individually or as pairs. You must choose one side kit or alcove kit for every exposed side.
- With a 7-1/2" H vanity, a tip out drawer must be used with an undercounter sink
- If stacking with a 7-1/2" tip out drawer, the second vanity must be a 7-1/2" plumbing drawer, a 15" plumbing drawer or a 15" full drawer as the first 15" needs plumbing clearance. If using 7-1/2" tip out for undercounter sink installation, slim plumbing drawer insert can be used with a 15" H plumbing drawer and still clear pipes.
- Full drawer units are intended for ganging and stacking and are not designed to accept a sink or plumbing.
- Night light option (S) – 12VDC plug-in transformer. Option of two color temperatures for one night light: 2700 or 4000 Kelvin. The vanity is preconfigured at 2700K. Night light can be reconfigured to 4000K at time of installation. See installation instructions for more information.

Installation (Continued)

- Night light option (L) – 12VDC plug-in transformer in 5000 Kelvin color temperature. Locate wall outlet as per installation instructions.
- Electric Accessory option: 120VAC 20A tamper resistant outlet. Installed within 15" H (H2) vanity drawer; not recommended to be used in combination with Slim Drawer Insert; recommended in combination with Hair Styling Organizer
- Slim plumbing drawer insert must be used with an above-counter sink installation; full drawer version can be used in a full drawer - includes four glass bins and only available for 15" H (H2) vanities
- Hair Styling Organizer fits all 15" H (H2) vanity drawers except 24" plumbing drawer; cannot be used in combination with slim drawer insert; recommended in combination with Electric Accessory

Accessories

- In-drawer Electric Accessory (VAELECTRIC18, VAELECTRIC21): ETL certified to UL 1363, CSA Standard C22.2 No. 21 – 15" H only
- Accessory Night Light in selectable 2700 Kelvin/4000 Kelvin (SLEDS12, SLEDS24, SLEDS30, SLEDS36) and 5000 Kelvin (CLEDS12, CLEDS24, CLEDS30, CLEDS36): Night light is ETL certified to UL 2108, CSA Standard C22.2 No. 12
- Slim Plumbing Drawer Insert with five glass bins (VADRAWER24P, VADRAWER30P, VADRAWER36P) – 15" H only
- Slim Full Drawer Insert with four glass bins (VADRAWER12X, VADRAWER24X, VADRAWER30X, VADRAWER36X) – 15" H only
- Glass Bins: divided storage (GLASSBIN6.38), small (GLASSBIN3.25), medium (GLASSBIN5.25), large (GLASSBIN8.5)
- Hair Styling Organizer (VAHAIRORG): fits most hair dryers and curling irons – to be used in 15" H (H2) vanity drawers only
- Glass and engineered stone tops with porcelain sink
- Glass side kits sold separately as single units or as a pair. Available in 4 heights and 2 depths, and based on the final configuration of the vanity (7-1/2", 15", 22-1/2", 30").
- Ganging kits are required when combining two or more vanities and are available in 4 heights and based on the final configuration of the vanity (7-1/2", 15", 22-1/2", 30")
- Alcove finishing kits are required for corner or alcove installations and are available in 4 heights and based on the final configuration of the vanity (7-1/2", 15", 22-1/2", 30")

Vanities & Tops

Example 1: Two 12" Wall-Hung Vanities

Example 1: Two 12" wide Cartesian vanities for a 48" wide vanity space:

- 12" wide VM + 24" wide space + 12" wide VM = 48" wide vanity space (48-1/4" actual width)

Example 2: Three 24" Wall-Hung Vanities

Example 2: Three 24" wide Cartesian vanities for a 72" wide vanity space:

- 24" wide VM + 24" wide VM + 24" wide VM = 72" wide vanity space (72-3/8" actual width)

Cabinet Stacking Filler System

Example 1

Example 2

MSF Systems are made to order.
MSF – model designation.
Dimension – total width of all components in inches.
Mounting Configuration:

Surface	MSF – *	Profiles, AiO, M Series, PL Series	\$ 99.
Recessed	MSF – R	Profiles, AiO, M Series, PL Series	\$ 99.
Semi-Recessed	MSF – D2	Profiles, AiO, M Series, PL Series	\$ 99.

* Follow MSF with width in inches of overall cabinet array.

Example 1 – MSF22.25S – MC2040 cabinet with ML1.540_ lights
Example 2 – MSF30.5R – (2) MC1630 cabinets

Notes: Stack filler is required only when vertically stacking cabinets.
MSF adds 5/8" to combined height of cabinets.
Rough opening height is 1-3/8" plus the combined R.O. heights of cabinets.
For special layouts, send sketch to Robern Customer Service.
Bold/Solid line drawing represents actual model number,
Faded/Dotted line drawings are for design reference only.

70" H Stack Filler	MSFMF **	Profiles, M Series, PL Series	\$ 99.
--------------------	----------	-------------------------------	--------

** The MSFMF is only required when ganging 30" H & 40" H surface-mounted cabinets.
When ganging 30" H & 40" H cabinets, single surface-mount side kit models are available,
please contact customer service for model numbers to complete your order.

Note: Not recommended to stack two AiO Cabinets.

Note: Models in **bold** indicate Quick Ship product.
