Cannot be combined with any other tank system or sink product to qualify for free freight

Point of Entry Cartridge Filtration for the home		List Price	MAP Price	non-display	Net
			x.75	x.60	x.475
BB-FUGAC200A-1		1,059.00	794.25	635.40	503.03
budget friendly, limited space with no drain access alternative to whole home systems but with routine filter replacements up to every year					
Salt Softener Systems		List Price	MAP Price	non-display	Net
not a drinking water filter			x.75	x.60	x.475
RT1035-V2	(cabinet style, smaller footprint, only 1" up to 20 gpm)	3,360.00	2,520.00	2,016.00	1,596.00
TT1054-V2	(standard twin tank adaptable 3/4" up to 1-1/2" up to 30 gpm)	3,780.00	2,835.00	2,268.00	1,795.50
TT1354-V2	(larger capacity adaptable 3/4" up to 1-1/2" up to 30 gpm)	5,565.00	4,173.75	3,339.00	2,643.38

use either sodium or potassium chloride (salts) to exchange naturally found calcium & magnesium minerals for these salts to soften the water, reduce spots, inhibit scale, slippery feeling
See EWS Series as alternative to salt softening (easier clean up of spots than untreated, inhibits scale without the corrosion of the salts, no slippery feeling) and filtration to the entire home

5 micron Sediment Reduction Unit		List Price	MAP Price	non-display	Net
not a drinking water filter			x.75	x.60	x.475
BB 1" SETUP	(3/4" - 1" lines, 10 gpm)	509.00	381.75	305.40	241.78
BB 1 1/2" SETUP	(1-1/4" - 1-1/2" lines, 20 gpm)	583.00	437.25	349.80	276.93

BB Setups are strictly pre-sediment filters that can be used for sediment reduction for the home, used before or after other home systems or as part of a well water application

All Shipping & Handling and Freight Information found on Pages 12-14

GROUND - SHIPPING AND HANDLING COSTS - Effective: May 1st, 2025

FREE FREIGHT PROGRAMS

The Big Stuff: Pgs: 2-5: **Any combination of four (4) EWS or CWL Whole Home Systems, RT/TT Softeners, pH, Iron Removal or PRESED Systems ride for free.**

Add any combination of sink filtration systems and/or filter replacements, media replacements (kits or assembled tanks) to ride along for free freight

The Small Stuff: Pgs: 6-8: **\$5,000 or greater net invoice for any combination of sink filtration systems and/or filter replacements ride for free.** This amount does not include any EWS or CWL Whole Home Systems, RT/TT Softeners, pH, Iron Removal or PRESED Systems unless four (4) systems are ordered that qualify for free freight. Any combination of up to 3 EWS or CWL Whole Home Systems, RT/TT Softeners, pH, Iron Removal or PRESED Systems will be charged according to the shipping & handling schedule for those items. Media Replacements (kits or assembled tanks, pgs. 9-11 will be charged according to the shipping & handling schedule for those items

SMALL BOX COMMON CARRIER GROUND SCHEDULE:

One Box can contain one of the following:

One (1) Max Flow #SS-2.5, or Inline SS-1.0, or any DWS/DWS-UV, or any filter set (for #'s SS, DWS, RO, RU), or any filter set pre-2011 systems, one Heater Guard filter-3/4 or 1.5, or one BB-081, or any parts or accessories in a box up to 15"x15"x15" and up to 20 lbs.

1 box	2 boxes	3 boxes	4 boxes	5 boxes or more
19.98	36.00	51.00	64.00	\$75.00 & up
calculates to	(\$18.00 per box)	(\$17.00 per box)	(\$16.00 per box)	or \$15.00 per box

Drop Shipments will incur an additional charge of \$15.00

LARGER BOX COMMON CARRIER GROUND SCHEDULE:

One Box can contain one of the following:

One (1) BB SETUP, or BB-FUGAC200A-1, or Heater Guard-3/4 or 1.5, or filter set for BB-FUGAC200A-1, or up to 3 individual filters for BB-FUGAC200A-1, or any RU500, or any RO3 or RO4 or any parts or accessories in a box up to 25"x25"x25" and up to 50 lbs.

1 box	2 boxes	3 boxes	4 boxes	5 boxes or more
48.00	90.00	120.00	140.00	\$150.00 & up
calculates to	(\$45.00 per box)	(\$40.00 per box)	(\$35.00 per box)	or \$30.00 per box

Drop Shipments will incur an additional charge of \$15.00

MEDIA KITS COMMON CARRIER GROUND SCHEDULE:

One Media Kit will contain several boxes and include following #'s:

(EWS Series) ICN/GAC-1035, 1054, 1354, SPECTRUM, (CWL Sereis) M/GAC-1035, 1054, 1354, SPECTRUM, blended M/PH media kits, Softener Resin1.0, 1.5, 2.5, pHresin-1054, 1354, M/PRESED1354.

each kit	Drop Shipments will incur an addiutional charge of \$40.00
235.00	

For all assembled tank media replacements, Iron Removal Media, and 1465 or larger systems with more materials or greater weights, please see Truck/Pallet Schedule

Common Carrier Ground Shipment and Drop Shipment Information:

Common Carrier Ground Schedule orders may ship via UPS Ground, Fed-Ex Ground or USPS. Tracking information is readily available upon request when the order has shipped. Please note: Any additional charges as a result of drop shipments (ie: incorrect information provided, re-delivery, change in delivery address or delivery time, unavailability, in-side delivery, delays and storage or need for tailgate) will be invoiced for payment to distributor on the PO issued.

Quicker Delivery Method Requested Must Be Shipped On Your Account

All requested quicker delivery methods (for example: 2nd day, overnight) either drop shipped or to your listed receiving location must be shipped on your account and will be not incur any additional handling charges. **PLEASE NOTE:** A quicker shipment method does not guarantee an expedited order only a quicker delivery time - We Cannot Expedite Your Order - all orders are processed and shipped on a "first come, first served" basis regardless of order size, shipping method or shipping instructions, without prejudice or preference to any account.

Expedited Orders: To be as fair as possible, all orders are shipped on a "first come, first served basis" regardless of order size, shipping method or shipping instructions without prejudice or preference to any account. We process all orders received within 12 hours or the next business day. Any order with incorrect information may be delayed until corrections are made.

TRUCK/FREIGHT - SHIPPING AND HANDLING COSTS - Effective: May 1st, 2025

Product Shipped on a Pallet, Strapped & Wrapped via Truck/Motor Freight Include the Following:

All EWS/CWL Whole Home Filtration Systems, RT/TT Softeners, pH Decreasing/Increasing Systems, Iron Systems, PRESED System, Large/Heavy Media Kits (for all 1465 and larger systems, Iron removal media), all assembled tanks (#'s T-M or T-ICN), any commercial product and/or systems that due to weight/size does not ship common carrier.

Truck/PalletShipment Information:

Truck shipments may ship through various companies depending on regional contracts. Tracking information is available upon request but may be delayed up to 48 hours after dispatch.

Other items added to a Truck/Pallet Shipment

Unless PO order qualifies for free freight, any small or large boxes or media kits will ride with a truck order with additional charges found in the Common Ground Schedules

Shipping On Your Account - Common Carrier or Truck/Freight:

EWS can ship any Common Carrier or Truck/Pallet order on your account without any additional handling charges.

Instructions must be clearly marked on your purchase order (not a cover page) with accurate information on shipping company of your choice, your account number, shipping method (standard ground, 2nd day, overnight).

Any drop shipments on your account must include a contact name and phone number on your PO. **

Quicker Delivery Method Via Truck Are Not Available

FREE FREIGHT PROGRAM

Any combination of four (4) EWS or CWL Whole Home Systems, RT/TT Softeners, pH, Iron Removal or PRESED Systems ride for free.

Add any combination of sink filtration systems and/or filter replacements, media replacements (kits or assembled tanks)

to ride along for free freight

PRICING, POLICIES & PROCEDURES**Pricing Policy**

EWS, Inc. ("Seller"). Seller assumes no obligation to sell to anyone any of the Products listed herein, known or unknown, at any price. This current Pricing Guide has been prepared for the convenience of Seller's distributors and their customers. The list prices shown are guides only and do not purport to represent actual prices in any particular market and are not intended to interfere with the right and responsibility of Seller's distributors to establish their own resale prices. All current prices herein set forth supersede all prior lists and are subject to change without notice. Seller may also, from time to time, change, modify, alter, improve and/or discontinue without notice the sale of any of the Products listed herein. All seller's orders are accepted and delivered based upon the Terms and Conditions found on this Pricing Policy page, found in this Pricing Guide, available in all Seller's Product Manuals and reprinted on the reverse side of all invoices submitted and monthly statements sent. Please read them carefully. They provide information that is important to Seller's distributors and their customers.

General Terms and Standard Conditions of Sale

Invoices are expressly limited to and made conditional upon the terms and conditions contained herein. Objection by Buyer to any of the terms contained herein shall be deemed to have been waived (if not previously waived) if written notice of the objection is not received by EWS, Inc. ("EI") within ten calendar days of the date of the first invoice or before part of the described goods are accepted by Buyer, whichever occurs first. Any additional or different terms proposed by Buyer are rejected unless assented to in writing by EI.

PRICES: All prices are in U.S. dollars. Prices are subject to change without notice. Orders will be invoiced at prices prevailing at time of shipment. All prices are F.O.B. our warehouse, Southern California and exclusive of any shipping, delivery, packaging or handling charges that may apply.

TERMS OF PAYMENT: The terms of payment on approved accounts only shall be net thirty days in U.S. dollars from the date of invoice to date of receipt of payment in our offices for all invoiced products whether partial or complete delivery of the product under order. All past due accounts are subject to a charge of 11/2% per month (18% per annum) for each month or fraction of a month on the unpaid balance.

TAXES: Prices do not include sales, use, excise or similar taxes. The amount of any present or future sales, use, excise or other tax applicable to the sale or use of EI's products or equipment shall be paid by the Buyer unless the Buyer shall have provided EI with a tax exemption certificate acceptable to taxing authorities.

ACCEPTANCE: All purchase orders are subject to acceptance by EI at its corporate offices in Las Vegas, Nevada and are subject to these Standard Conditions of Sale, unless otherwise expressly provided.

SHIPMENTS: Delivery to carrier shall constitute delivery to customer. EI's responsibility terminates upon delivery in good order to carrier. All goods are shipped at the customer's risk. Any claim for loss or damage in transit should be made promptly by customer against carrier. These and other shipment terms are written clearly on the reverse side of all packing slips that accompany all accepted shipments. All costs of freight, transportation, handling, in-route storage, certification and other documentation are to be paid by Buyer. Any other terms will be issued to Buyer, in writing, with approved credit and an established EI/Buyer relationship.

DELAYS; FORCE MAJEURE: EI shall not be liable for delays in delivery of the goods or failure to deliver the goods caused, in whole or in part, by inability to obtain transportation, equipment, or material, insurrection, fires, floods, storms, embargoes, action of any military or civil authorities, whether legal or de facto, strikes, labor difficulties, lockouts, acts of God, or other similar or different circumstances beyond the control of EI.

CANCELLATION: The Buyer may not cancel all or part of an order without verifiable notification to, and acceptance by EI.

RETURN OF MATERIALS: No Product may be returned to EI without written approval by a Company Officer. A restocking charge of 25% will be assessed for the return of product never used or disturbed in its' original carton (**minimum 45% if unit had been used or returned to distribution used without authorization**) NO EXCEPTIONS. Product must be returned freight pre-paid, boxed and in resale condition. EI will never take responsibility under warranty or return, for improperly installed and/or misrepresented units.

SELLER'S SECURITY INTEREST: EI shall retain a security interest in the goods sold hereunder until Buyer has paid in full for such goods provided by EI in connection therewith and has performed all of Buyer's obligations under this contract.

COLLECTION: Buyer shall reimburse EI for all costs of collection, including reasonable attorney's fees, incurred by EI to collect any monies owing under this contract. A \$45.00 service charge will be invoiced on all returned checks.

WAIVER AND MODIFICATION: No waiver or modification of any of these Standard Conditions of Sale shall be effective unless such waiver or modification is in writing and signed by an officer of the Company in Las Vegas, Nevada. In event any part of these conditions be waived, or be held to be invalid by any competent court, the remainder shall continue in force and shall be interpreted as if such waived or invalid part were not contained herein.
